SIXTY-FIRST ANNUAL SESSION WILL BE HELD IN ST. LOUIS, OCTOBER 14-15-16-17, 1935

PROCEEDINGS
OF THE
GRAND CHAPTER
ORDER OF THE EASTERN STAR
OF THE
STATE OF MISSOURI

The Sixtieth Annual Session of the Grand Chapter of Missouri, Order of the Eastern Star, was held in the Scottish Rite Cathedral in the City of St. Louis, October 8, 9, 10 and 11, 1934.

The Auditorium of this imposing structure was attractively decorated with pink roses, palms and ferns, carrying out the colors of pink and green which our Worthy Grand Matron had chosen for her appointments.

In the center of the table of the Worthy Grand Matron was a large basket of pink roses and at either end was a Broken Column representing the station of Martha (Faith) which she had emphasized throughout the year.

Prior to the formal opening of the Grand Chapter Session, a musical program was rendered by the O. E. S. Chorus under the direction of Brother J. Glenn Lee.

The Grand Chapter was called to order by Brother Hubert H. Mathonet, Worthy Grand Patron.

Brother William A. Maxwell, Grand Sentinel, presented the American Flag in the East.

WELCOME

Owing to the illness of Sister Kathryn E. Spangler, Junior Past Grand Matron, her words of greeting, which shall be engraved in the hearts and minds of those to whom her message was directed, were delivered by Brother Albert J. Campbell, Junior Past Grand Patron:

Worthy Grand Patron, Most Worthy Grand Patron, Distinguished Guests, Grand officers and Members of this vast Assembly:

At the opening of this Sixtieth Annual Session of the Grand Chapter of the Order of the Eastern Star of Missouri, I have, through the courtesy of our Worthy Grand Matron, the privilege of extending an affectionate and most cordial welcome to the Visitors and Members of this Grand Jurisdiction.

I am deeply grieved that illness prevents our esteemed Junior Past Grand Matron, Sister Kathryn E. Spangler, the pleasure of attending this Grand Chapter Session. We regret we are deprived of the pleasure of her company and of her wise counsel. In talking to her yesterday she told me she was grieved beyond words to express, that a severe cold kept her from attending our Grand Session and she asked me to please convey her regrets and best wishes to the members of this Grand Chapter.

It seems especially fitting that the Sixtieth Annual Session be held in the City of St. Louis, the birthplace of the Grand Chapter of Missouri. We are indeed thankful for the hospitality and kindly welcome which St. Louis always so graciously bestows.

We are happy to be honored by the presence of our Most Worthy Grand Patron, Brother John Hammill. You are indeed an inspiration in our midst. May we be a blessing to each other while you are with us.

We are honored by the presence of many Distinguished Visitors. We invite you to join in the activities and pleasures of our Session. We hope you will enjoy the time you spend with us.

We are gathered to review the work of the past year, and to lay plans for the execution of the great principles and purposes of the Order of the Eastern Star.

Tonight the Grand Chapter of Missouri is crowned with sixty years of successful achievements. Our hearts are filled with grateful and humble appreciation for Divine blessings and guidance over this long period of time. The Star of Bethlehem is a light to control our acts. May it always guide our deliberations into a fraternal spirit and into progressive action.

PRESENTATION OF THE BIBLE

The ceremony for presenting the Bible was arranged and directed by Sister Helen F. Gibson, Rose Hill Chapter No. 120, Soloist Sister Elvira Diamond, Meridian Chapter No. 442; Organist, Sister Helen Havlen, Algabil Chapter No. 409.

To the sublime words of "O Word of God Incarnate" the five Star Points, in satin robes of appropriate colors entered the room and assumed positions at their stations, facing the altar.

Sister Louise Benson, District Deputy Grand Matron of the 57th District, entered carrying the Bible. She was followed by Sisters Naomi Kennedy and Camille Telthorst, District Deputy Grand Matrons of Sections A and B, 33rd District, as Guards, who took their positions at either side of the altar. The Bible was reverently laid thereon as the last words of the song died away.

The Star Points advanced forming a circle around the altar; each in turn repeating a verse from the "Word," appropriate to her station.

After the prayer in verse, given by the Bearer, all turned toward the East where the curtains parted disclosing a tableau of the sorrowing Martha at the broken column. Sweet strains of "Jesus Savoir Pilot Me" were softly sung.

Then to the song "Wonderful Words of Life" the Bearer and Guards led the way to the dais where they stood watching the Star Points as they circled the floor in their march from the room.

Sisters representing the Star Points were: Eleanora Albrecht, Algabil Chapter No. 409; Edna Kennedy Davis, Bellefontaine Chapter No. 69; Eunice Litzinger, Clayton Chapter No. 304; Clara Lee Greene, University Chapter No. 231, and Edna F. Siegel, St. Louis Chapter No. 357. Sister Dorothy Bendick, Pilgrim Chapter No. 473, posed as Martha for the tableau.

Following the entrance of the Grand Officers the Worthy Matrons of St. Louis and St. Louis County, dressed in pink and green taffeta gowns, executed a short drill.

PRESENTATIONS

A pretty courtesy extended to our Worthy Grand Matron was the presentation of an arm bouquet of flowers from her family as she was met in the East by her daughter, Sister Ruth Green.

The Worthy Grand Matron expressed thanks to the Worthy Grand Patron for the gavel which he presented to her one year ago. Also for one which he presented for use during this Session, explaining that it had been made from wood coming from Ontario, Iowa, Southeast Missouri and Jackson County.

The Worthy Matrons and Worthy Patrons of St. Louis and St. Louis County entered the Grand Chapter room and the President of each of these Clubs presented a gift to the Worthy Grand Matron and Worthy Grand Patron.

The Worthy Grand Matron and Worthy Grand Patron expressed thanks for the gifts and also for the loyalty and co-operation shown throughout the year.

Brother William A. Maxwell, Grand Sentinel, vouched for all present being members of the Order.

PARTIAL REPORT OF THE CREDENTIALS COMMITTEE

Sister Zeppa Mae Owens, Chairman of the Committee on Credentials, reported that more than a constitutional number

It is our insignia guaranteeing the rights of life, liberty and the pursuit of happiness to the citizenship of our proud country and is the fullest imperishable assurance of "government of the people, by the people and for the people," which is one of the traditional ambitions of our splendid and courageous people.

The Assembly joined in repeating the Pledge of Allegiance and in singing "America."

ADDRESS OF WELCOME

Sister Naomi E. Kennedy, District Deputy Grand Matron, Section B, 33rd District:

Worthy Grand Matron, Worthy Grand Patron, Distinguished Guests, Sisters and Brothers:

Welcome—the word which has been uttered in every tongue and in every clime, which has been said in poetry and in prose, has never been uttered with greater sincerity or from more loving hearts than here tonight. May it convey to you all that it has ever meant to the weary wanderer returning to his native land or to the loved one long absent from home.

For to you and to me this is home-coming time. True, many of us have come year after year, and to those we would tender the greetings of old friends. Needless to say, we are happy to see your dear faces again. To you who are here for the first time, may your stay in our midst be so pleasant that you too will acquire the habit of coming year after year to the happy reunion of sisters and brothers, from the east, the west, the north and the south. Even from other States you come to share the benefits and enjoy the pleasures of our Grand Chapter.

From all parts of the wonderful State of Missouri you have brought pearls of wisdom, gathered in the land of experience. Blood red rubies from the land of charity, sparkling diamonds from the crystal, blue sapphires from the clear sea of truth, green jade from the peaceful valleys of loving kindness and goodfellowship, and golden-hued topaz from the sunkissed mountain peaks of self-sacrifice. From these treasures you may take a goodly portion back home and share them with others less fortunate.

To our Distinguished Guests, we shall ever cherish the great honor you confer upon us by your presence.

We extend to you a loving welcome and trust that your stay with us will be most pleasant.

Worthy Grand Matron, Worthy Grand Patron, to you and your Grand Officers we give a royal welcome. You have been exalted to the highest stations in our State, and we are happy to give you a loving welcome, for you are also our beloved sisters and brothers. May your welcome in a measure recompense you for the long hours you have labored so earnestly in behalf of our beautiful Order. May this Grand Chapter be the best and most profitable we have ever had. May peace and harmony prevail, and may God's loving arm enfold and strengthen each of you to perform the duties assigned you.

In closing let me assure you in behalf of the members of the 33rd and 57th Districts that our hearts and homes are open to you. All we have is yours for the asking. May the song of the birds, the rays of the sun, and even the raindrops, should they fall, say to you, "Beloved sisters and brothers. Welcome, thrice welcome, to the 60th Annual Session of Grand Chapter."

RESPONSE

Sister Vida Mae Hamlin, Associate Grand Matron:

Worthy Grand Matron, Worthy Grand Patron, Distinguished Guests, Sisters and Brothers, and Sister Kennedy:

In the name of the Grand Chapter of Missouri, it is a pleasure to be greeted and welcomed into the Sixtieth Annual Session, in such a sincere and gracious manner, as has been accorded the members of the Eastern Star this evening.

It assures us that our Order holds a vital and important position in the social and fraternal life of this State.

We come here with memories of yesterday, with duties to perform today, and with hope for tomorrow. We are preparing to write another page in the history of our beloved Order.

As we review our past efforts and lay our plans for the future, may the spirit of true fraternalism through the practice of fidelity, constancy, loyalty, faith and love, guide the shuttle through the loom which weaves us together. Many happy recollections will be carried by each of us, but none, I am sure, will be more indelibly imprinted upon our memory, than the greeting just extended to us.

We are members of one large family, united by the strongest bonds of fraternal love, interested in the same things and trying the best we as human beings can, to exemplify the teachings of our Order. Very few members reach the high ideals taught by our Ritual, for perfection on earth has not yet been attained by man. But its teachings exercise a beneficent influence on its members, and the world is better for its existence.

To entertain the delegates of this Grand Chapter is no small undertaking, and we hope that our enjoyment to be found in your magnificent Temples, your Masonic Home, your beautiful parks and drives, and the many things that have been done and that will be done for our comfort will in some part repay you for your time and efforts.

As we return to our respective homes, scattered throughout this grand state of Missouri, let us take with us the memory of a helpful, inspiring session, so that deep down in our hearts we can say "It was worth the while".

Worthy Grand Matron, for the privilege of responding to these words of welcome, I thank you, and may I extend to you my very best wishes for a most successful session. May this session of our Grand Chapter be to you as a crown upon your year of service.

PRESENTATION

Sister Camille E. Telthorst, District Deputy Grand Matron of Section A, 33rd District, assisted by the Associate Matrons of the 33rd and 57th Districts and Sister Adelaide Turczek of Algabil Chapter No. 409, presented flowers to Sister Vida Mae Hamlin, Associate Grand Matron.

Sister Telthorst:

Worthy Grand Matron, Worthy Grand Patron, Distinguished Guests, Sisters, Brothers and Sister Hamlin:

The essence of friendship is entireness, a total magnanimity and trust. It is the friends that we make and the faith we have that make our lives complete. There is no sweeter way to express the appreciation of friendship than by Nature's gift of loveliness.

Flowers, whether it be the modest violet, or the daisy by the wayside, or the rose in all its splendor, singularly or coupled they send forth messages of love.

Love is above all, and when it prevails in us, we shall all be lovely, and love one another.

As we look to the Heavens, we see a new star appearing upon the horizon of a new year. A star of brilliant hue, beckoning us to follow.

Sister Hamlin, with the coming of this new year, and with your leadership to guide us, we will follow to reach still higher realms of achievement, and to dedicate ourselves anew to the great principles of our Order.

Assisted by the Associate Matrons of St. Louis and St. Louis County, we express to you our sincerest wishes.

On wings of joyousness the doves emblematic of your station as Grand Warder are bringing flowers, messengers of good will and speaking for the members of the 33rd and 57th Districts. Accept them with their love.

Sister Hamlin expressed her thanks for the flowers, song and drill.

WELCOME TO THE PAST GRAND MATRONS AND PAST GRAND PATRONS OF MISSOURI

Sister Candace Green, Worthy Grand Matron:

When we think of a Grand Chapter Session, we do so largely with the thought of those who were the architects and supervisors under whose watchful care our beautiful Eastern Star structure has taken form and has been clothed with beauty. It is to you, Past Grand Matrons and Past Grand Patrons and to others of your number who are not with us today, that we owe a debt of gratitude and appreciation for labor so freely given and work so nobly done.

Your presence at this session of "Faith" is necessary because you had the faith and you still have faith in this organization for by your interest and presence, you manifest same. Through your zeal and untiring efforts this session is made possible.

You are the Master Builders of this splendid organization. You laid the foundation of a great super-structure upon which has been builded a temple of Hope and Faith. To welcome you is like welcoming the designers and builders of an edifice at which they have expended their energy and have worked long and hard to bring to a beautiful completion.

We are proud to pay homage to you and to accord you a place of honor in our midst.

Your presence is an inspiration and your wise counsel and guidance is needed for our continued success.

My own experiences as Worthy Grand Matron have given me an understanding of the effort and labor that you put forth and the difficulties that you had to overcome and now soon I shall join your ranks and be one of you. I bid you a most gracious welcome to your own Grand Chapter and we are glad to accord you rightful place in the East.

Brother Hubert H. Mathonet, Worthy Grand Patron:

Worthy Grand Matron, Most Worthy Grand Patron, Past Grand Matrons and Past Grand Patrons of Missouri:

It is certainly inspiring to all who are here assembled to see this wonderful line of workers of the past, those who have brought to fruition the efforts of that little group of delegates who assembled fifty-nine years ago in St. Louis to form our Grand Chapter. They were scarcely more in number than this distinguished number of Past Officials of this Grand Chapter standing before our altar. With just a few dollars with which to rent a hall, but with the zeal and a purpose which was imprinted in their hearts so strongly that nothing could prevent, they succeeded in bringing into being the Grand Chapter of the Order of the Eastern Star of Missouri.

At this our 60th Session you are more than welcome, for it is the result of your labor that makes possible this session. You are in your own home. You are the makers of that home. We, who temporarily serve in the East at this Session, are the servants of this home and may we serve you in this session as you would be served.

As you come to this home-coming, you cannot help but remember that the General Grand Chapter, whose exalted representative is here tonight, was formed with five Grand Chapters only, and Missouri was one of those five. We are deeply proud of you and are honored by the presence of our Honor Guest, Brother Hammill.

> May your paths be paths of flowers;
> May your hours be hours of peace and
> May that heavenly blessing which is
> Accorded to all who do their work well
> And who keep the faith, be yours now and forever.

RESPONSE

Sister Alta L. Tate, Past Grand Matron:

Worthy Grand Matron, Worthy Grand Patron, Distinguished Guests, Sisters and Brothers:

We are quite happy to be present this evening and receive your gracious welcome to the 60th annual session of "Our Grand Chapter of Missouri."

You have honored us by saying we were the pioneer builders of this great organization, which has been erected upon a foundation of loving kindness. If our efforts have achieved any measure of success, we are proud and happy to have had the privilege of one year of service.

You have inspired us with a new interest, and a new vision of our service to this Grand Chapter. We congratulate you as successful leaders of today, and pledge to you our loyal support, and encourage your efforts to accomplish a greater service to our fellowman. We pray that this great organization will stand as a beacon light to a depressed world. Give us receptive hearts to hear the cry of the orphan, the call of want, and a deeper sympathy for the sorrows of today.

Worthy Grand Matron and Worthy Grand Patron, your year of service will soon be ended, and ere the curtain is drawn, may we say to you "Well done, thou good and faithful servants." You have labored unceasingly to promote the high ideals of the Order, and as builders you have added strength and grace to the structure.

I thank you for the honor and privilege of making this response in behalf of the Past Grand Matrons of this Grand Jurisdiction, and may I extend to each of you a sincere and cordial welcome to the ranks of the "Past Grands" when your task has been completed.

Brother John W. Mueller, Past Grand Patron:

Worthy Grand Matron, Worthy Grand Patron, Distinguished Guests:

On behalf of the Past Grand Patrons, I desire too to add our word of congratulations to you upon the success of this past year.

I wish for you a very happy and a very significant Grand Chapter Session. We do not come to this Grand Chapter Session as workmen who have laid aside their tools and then have come to the side to watch the other fellow work. We have come here equipped and ready and willing and in fact, anxious to serve in any manner whatsoever it may be determined by the Worthy Grand Matron and the Worthy Grand Patron and we trust that we may have some part in making this session beneficial to the Order and beneficial to you in your period of service.

Sister Candace Green, Worthy Grand Matron:

I have reserved for myself the happy privilege of welcoming you, my personal representatives, to this Grand Chapter. I am happy to have you here and I am so glad to have this opportunity of introducing you to this group of delegates and visitors and showing them what a fine group you are.

You will never know what your help has meant to me this year. You have visited the various Chapters and I commend you for your splendid service. I wish to express to each of you my sincere thanks and appreciation of your splendid co-operation and never failing loyalty.

I extend to you a loving welcome and hope that the joy you have given to others may be yours throughout the years to come.

A hundredfold each year."

RESPONSE

Sister Louise Benson, District Deputy Grand Matron, Fifty-seventh District:

Worthy Grand Matron, Worthy Grand Patron, Distinguished Guests, Sisters and Brothers:

It is an appreciated compliment and I deem it a signal honor to have the privilege of responding, in behalf of your sixty District Deputy Grand Matrons, to the gracious and delightful welcome which you have extended to us.

Our sense of gratitude for the honor you bestowed upon us one year ago would be hard to express.

Worthy Grand Matron you have been our ideal throughout the year, for you have held high the principles, guided the destinies and builded well for the Order of the Eastern Star. You have been our example, worthy of emulation, for you have served faithfully, lovingly and efficiently.

As your representatives, you gave us the right to be glad of life because of the opportunity to work and to play, being ever-mindful of our obligations to the Order.

We have been governed by your confidence reposed in us, remembering your kindness of heart and gentleness of manner.

We have found, through our associations with the various Chapters, kindness, consideration, loyalty and co-operation which have brought us much happiness during our term of service.

Tonight we return to you the trust confided to us one year ago. We have performed our tasks in the spirit of fraternal love and hope that our record is one of a useful, active and successful year.

To you we express our sincere appreciation for the honor which has been ours and for all you have done to make our year so delightful.

We want you to enjoy the most outstanding Grand Chapter Session ever known in Missouri and we assure you of our willingness to help make it such.

From this session our paths diverge but our good wishes will ever follow you.

"May life give you its gladness to cheer your future way, its brightness and its blessing wherever you may stray."

WELCOME TO GRAND REPRESENTATIVES

Sister Candace Green, Worthy Grand Matron:

There is such a fine and beautiful friendship that bears witness of a fraternal love, a mutual and sacred tie that binds us in one great cause and I am happy to be linked with you in the bonds of such friendship. Though you are from other Grand Jurisdictions there should be no strange feeling among us, for we read the same Bible, kneel at the same Altar, take the same Obligation, frequent the Masonic Temples for the same purpose and when we behold our beautiful Star in the East we are reminded that we have come here to worship.

May you in your official capacity help to cement the bonds of friendship that link our hearts in Christian love. Between these several Grand Jurisdictions we desire to build a golden bridge of unity over which we may walk into greater fields of usefulness.

You may come from the land of the wind-swept North, or from the land of the rising sun, from the land of the far away or from the Southland kissed by the sunny breezes of Spring, or from whatever land you come, be it far or near, I bid you welcome.

Brother Hubert H. Mathonet, Worthy Grand Patron:

Sister Grand Representatives, Ambassadors of Good Will from Jurisdictions other than our own—I will not say foreign jurisdictions, because we know no geographical boundary line in the Order of the Eastern Star:

The universality of our ritual and the general broad use of the English language in our ritual, unites us into one common band of sisters and brothers determined with a single purpose, that of uplifting humanity, and working together for a common cause. Working with such a purpose, we can know no alien jurisdiction. Therefore, you, who are the Ambassadors between the Grand Chapter of Missouri and the several jurisdictions which you represent, are a unit with us and with each other in promoting the Fraternity taught by Him whose Star we see gleaming in the East wherever we may be.

We welcome you, welcome your several jurisdictions through you, and ask that you carry back to your several jurisdictions the good will, the hearty welcome and the sincere, fraternal love of the 60th Session of Missouri to the Grand Chapters which you represent.

RESPONSE

Sister Emma L. Mathonet, Grand Representative of Ontario:

Worthy Grand Matron, Worthy Grand Patron, Present and Past Grand Officers, Sisters and Brothers:

To adequately respond to the cordial and hearty welcome to the Grand Representatives is a most signal honor and one for which I am deeply appreciative.

It is difficult, indeed, to express the thought of as fine and distinguished a group as this devoted band of workers in the Order of Eastern Star of this State, but I know that each one is animated by the same high moral principles and the truest allegiance to the tenets of our Order, and therefore we can have but a single hearted response to make.

We acknowledge with thanks and appreciation the honor conferred on us in our selection as the means of fraternal contact and relationship between the several Grand Chapters which we represent and our own beloved Grand Chapter.

The world-wide scope of our Order is demonstrated by those whose appointments are for nations and provinces beyond the borders of our own country. This is as it should be, for He, whose Star is our guiding light, even as it was the power which drew the Magi of old to the manger cradle, taught us "Go ye into all nations and teach all people."

We bring greetings from the several Grand Chapters which we represent to the Grand Chapter of Missouri with Fraternal Love and Good Will, also with greetings to our Worthy Grand Matron and Worthy Grand Patron for a constructive and profitable session. To those who are to succeed to these high offices, we pledge as faithful service as has been rendered in the past and a readiness to carry out their desires in the future with the same loyalty to the principles of the Order as has characterized past service.

Worthy Grand Matron, personally I desire to thank you most sincerely for the double honor—first, that of the appointment as Grand Representative of the Province of Ontario, Canada, the home of our Most Worthy Grand Matron of the General Grand Chapter, Sister Mildred Schanbacher; and, second, for the privilege of making this response to your most gracious welcome.

In closing, may I offer you the prayer that the Easterners do:

"May the love of God abide with you
Wherever you stay, wherever you go
May the beautiful flowers of Allah grow.
Through the days of labor and nights of rest
May the love of Allah make you blest.
So I touch my heart, as the Easterners do,
May the love of God abide with you."

WELCOME TO GRAND PAGES

Sister Candace Green, Worthy Grand Matron:

I am glad to welcome you, Sisters of Service to this 60th Annual Session.

You are selected not alone for your pleasing personalities and happy ways, but for your ability to anticipate the needs and desires of this Grand Chapter which you are to serve as Silent Messengers. Through your service you will be adding much to the success of this session.

Sisters and brothers, these are the silent messengers who will run errands for you and brighten the days of labor by their helpfulness. They will be stationed about the room and if you want a message delivered do not hesitate to call on them for I assure you their efficiency and willingness to serve is only equalled by their good looks.

"My dear pages, so attractive and bright,
Your Grand Matron welcomes you here tonight;
Your service so loyal I firmly must state
Is the kind that we will appreciate;
I know you are ready to answer all calls
For your watchword is 'Service for all.'"

RESPONSE

Sister Frances Bristol, President of the Worthy Matrons Club of St. Louis and St. Louis County:

Worthy Grand Matron, Worthy Grand Patron, Grand Officers, Distinguished Guests, Sisters and Brothers:

To me has been given the honor to respond in behalf of the 1934 Grand Chapter Pages.

It is a pleasure to express to you, Worthy Grand Matron, in behalf of my pals and myself, our sincere appreciation of your gracious words of welcome.

To serve this Grand Chapter as Pages during the Sixtieth Annual Session, will be our first duty, for each of us know that ''service'' is the keynote of our great organization.

To look after the comfort and happiness of you, Worthy Grand Matron, Your Grand Family, and Distinguished Guests, will be a pleasure.

Whatever services may be required of us here shall be cheerfully given, for we rejoice that we can have even a small part in this great work.

May our combined efforts toward usefulness here, be the means of bringing you, Worthy Grand Matron, additional joy, peace and comfort during your deliberations at this Grand Session.

We thank you most sincerely for the honor of being selected to serve in this capacity, and wish for you and your Grand Officers a most blessed, peaceful and happy session.

WELCOME TO THE 1934 WORTHY MATRONS AND WORTHY PATRONS

The Presidents of the Worthy Matrons and Worthy Patrons Clubs, Sister Gene Oldfield, Sister Frances Bristol, Brother Andrew G. Wollmershauser and Sister Jessie Folks, of the 22nd, 33rd, 57th and 59th Districts, respectively, were introduced and the Worthy Grand Matron and Worthy Grand Patron welcomed their co-workers informally.

Sister Green:

I wish that I could express the welcome that I would like to give to you, my coworkers and "pals".

It has been due to your efforts that we have accomplished so much this year. I have met you in your Chapters and it is like a home-coming to meet you here. You and your Chapters have been doing a splendid work this year and I trust that you will go away from this session with a better understanding of the principles of our Order. I give you the best welcome that is in my heart both for what you are and for what you are doing in your Chapters.

I value the ties that have been made and I know I shall miss you greatly. You memory will bind me to the days that are gone, for—

"I like to think of you, my own,
As the dearest pals I have ever known.
As jolly pals when all was gay,
As tender pals when things went gray.
As patient pals when things went wrong,
As pals who helped their pals along,
As winsome pals so sweet and kind,
Each day new charms in you I'd find,
And day by day you have grown more dear
For you are the pals of my heart this year.

I bid you a happy welcome.

Brother Mathonet:

Worthy Matrons and Worthy Patrons of the various Chapters of Missouri, which is represented through their presidents and those who come from the Chapters individually, located here and there throughout our State, you are more than welcome, for you are at home and we are always welcome in our own home.

This is the place where you come to legislate for those things which you desire to be done in this Grand Chapter. This is where you come to review the work of those whom you have chosen to guide the deliberations. Your Grand Officers are merely your servants and they render to you an accounting of the trust which you have reposed in them.

May this session be to you a very profitable one. May it be one that will give you inspiration for your future work in the Order.

While your Grand Officers are passing with this session into the ranks of the pasts, you still have quite a while to carry on your programs to bring to complete fruition those plans, those projects which you have long desired to accomplish. You may do it if you carry from this meeting an inspiration gaththered from the close association of those of your number who have gathered from different parts of the State and who will discuss with you their ideas and their ideals. May the work which you do prosper. May these sheaves which you gather be of richest strength. We wish you Godspeed in your work; we wish that in all of your undertakings you may be blessed from above; we thank you for your presence here, because you make possible this Grand Chapter.

May you go forward in your work with renewed zeal as a result of your contact in this 60th Session of the Missouri Grand Chapter of the Order of the Eastern Star.

RESPONSE

Sister Gene Oldfield, President of the Worthy Matrons and Worthy Patrons Club of the 22nd District:

Worthy Grand Matron, Worthy Grand Patrons, Distinguished Guests, Sisters and Brothers:

It is my happy privilege through the courtesy of the Worthy Grand Matron to respond, on behalf of the Worthy Matrons and Worthy Patrons of the State of Missouri, to the wonderful words of welcome that were most cordial. To us this is a beautiful expression of love and confidence.

May God bless you in all your deliberations and assist you in your great work at this 60th Annual Session of Grand Chapter of Missouri.

Again we thank you for your gracious welcome and say:

"There's nothing that cheers a person up
Just like a hearty greeting,
A hand clasp and a happy smile
That flash the joy of meeting."

"And when you ring at friendly doors
It somehow seems to free you
From all life's doubt, to hear them say
Come in—we're glad to see you."

Brother Andrew G. Wollmershauser, President of the Worthy Patrons Club of the 33rd and 57th Districts:

Worthy Grand Matron, Worthy Grand Patron, Distinguished Guests, Sisters and Brothers:

On behalf of the Matrons and Patrons of the State of Missouri, whom I have the honor, pleasure and privilege to represent, I want to thank you for your sincere and most courteous welcome.

We doubly appreciate your many courtesies, also your love and good fellowship which you have instilled into our hearts throughout the year.

May God bless you, Worthy Grand Matron and Worthy Grand Patron. May God keep you in health, so we may enjoy your love and good fellowship for many, many years to come.

I thank you most kindly for this honor.

Address of Worthy Grand Matron

Sister Candace Green, Worthy Grand Matron, read the following address, which, according to law, was referred to the Committee on Distribution:

To the Worthy Grand Patron, Grand Officers, Members and Guests of the Sixtieth Annual Session of the Grand Chapter, Order of the Eastern Star of Missouri:

Greeting:

It is with a grateful heart that I am with you today to preside at this, the Sixtieth Annual Session of this Grand Chapter. I am thankful to the Heavenly Father for His Love and Watchful Care that have led us safely through the labyrinth of days.

One year ago when you placed in my hands the Emblem of Authority and gave into my keeping the welfare of this Grand Chapter, I was deeply conscious of the responsibility that rested upon me. With the words of my theme song, "Jesus Savior, Pilot Me", uppermost in my mind and with a prayer for Divine Guidance, we set sail for the Port of Tomorrow.

We have come to the Port of Today and I bring to you this Eastern Star Ship, laden with the Sheaves of Barley gathered this year in the performance of my duty, tied with the green cords of Love and Service, which you, the members of this Grand Chapter, have helped me to gather and for which I thank you.

In steering this wonderful Ship we have kept flying above and over all the Flag of FAITH, which has piloted us on with Hope and Love, riding the waves which sometimes tossed us about and then bringing us safely into the smooth waters. Each experience making us more determined to stay close to the teachings of our beautiful Order and fulfilling our solemn obligation.

MRS. CANDACE GREEN
Worthy Grand Matron
1933-1934

Whether it has been well manned, is for you to say, but above all I crave the approval of the Great Pilot, the Master of the Sea, that I have kept the Faith.

As I part the curtain of Time and review in retrospection the days that I have been privileged to travel the sunny roads of happiness and the busy avenues of usefulness, as your leader, the problems and pleasures have moulded into memory a happy year. A year of days has slipped into eternity and history for another year has been made. My achievements have not measured up to my aims but I have striven faithfully. I have been governed at all times by what I thought was for the best interests of our Order, striving to be fair and just in all my dealings.

I have endeavored to solve the problems as they developed, always with a prayer in my heart that God would give me wisdom and strength for "My Task".

Each task has been a joy and the performance of each duty a privilege. Your generous evidence of confidence and esteem has provided strength and courage.

Though the work has been strenuous, the pleasures connected therewith have been many and my heart goes out in gratitude to you for this privilege of service. Once again I want to thank this Grand Chapter for this high honor you have conferred upon me.

"A golden year you have given to me, with its store of busy days,
Its hours and minutes on which have shown our Star with its brightest rays.
On memory's walls there are pictures fair, I bring them to show to you,
The record of tasks that have been performed, of pleasures and duties, too.
Your friendly kindness and deeds of love will ever treasured be,
And the future will hold only pleasant thoughts of this year you gave to me."

As presiding officer of this Grand Chapter, I would like to add my word of welcome to that already expressed in a formal way last evening. I want to express my joy because of your presence here at this family reunion and I trust that your gleanings may be such as are conducive to the best interests of our Order; that individual differences, prejudices and aspirations, if any, may be dissolved as dew before the morning sun and that peace and harmony may prevail.

Welcome is like the old story of love, it never grows old but sweeter with each repetition.

To our distinguished guests and visitors, we extend a hearty welcome. We are honored by your presence. It is my desire that our welcome to you may be made real by deeds of kindness and hospitality rather than by mere words.

We appreciate the presence of the large number of Past Grand Matrons and Past Grand Patrons here today and extend to you a most cordial welcome. We need your advice and assistance, which by years of experience, are so well fitted to offer and which you have always so graciously given. We send loving thoughts to those who are absent and regret that they cannot be with us.

I cordially welcome each of you to this ''Green Session'' and may you, like Martha, have that trustful Faith, knowing that all is well when the Master is near.

Those of you who have been here before realize the joys of renewed friendships, and show by your faithful attendance, your interest.

Those who are here for the first time, I trust will be repaid for your time and effort incident to your attendance and that you will derive much pleasure and benefit from our sessions.

I trust that all of us have come, not only in a spirit of worship to Him, but to learn how best to worship Him and to serve.

We have come to review the work of the year gone by, and may the lofty ideals and benevolent purposes of our Order influence us in all our deliberations.

IN MEMORIAM

"Garden of Memories"

In order for flowers to grow and to be beautiful there must be rain as well as sunshine, so into each life some rain must fall, some days must be dark and dreary. Life's experiences are the soul's appointed means of growth.

Today the presence of loved ones fills our cup with joy, tomorrow sore bereavement casts us into the valley of sorrow. May you have the trustful Faith of Martha.

"Yea though I walk through the valley of the shadow, I will not be afraid, for Thou art with me"; thus our loved ones have gone out, unafraid.

We mourn with other Grand Jurisdictions in the loss of their loved ones and extend loving sympathy. Know that One has said, "Because I live, ye shall live also".

Three Past Grand Matrons and one Past Grand Patron of our own Grand Jurisdiction have been called to their eternal home.

"They followed the Star to the better land
When the voice of the Master called clear,
They lovingly served here with heart and hand
And they answered the call without fear."

On October 30th, 1933, Sister Mattie A. Yost, first Worthy Matron of Tuscan Chapter No. 68, of St. Louis, and first Worthy Grand Matron of the Grand Chapter of Missouri, 1875 to 1877, silently slipped away to that house, not made with hands, eternal in the heavens. She was 87 years old and in her passing the Order was bereft of one of its noblest characters.

"When the duties of life have all been nobly done
When the purple twilight falls upon the past,
When memory with dim eyes can scarcely spell the
blurred and faded records
Of the vanished day, death comes like a strain of music.
The day has been long, the road weary, and the traveler
gladly stops at the welcome Inn."

I count it a sacred privilege to have conducted her funeral on November first.

On December 30th, 1933, the silent Messenger again invaded the ranks of our Past Grands, and Sister Ethel C. Stansbury, Worthy Grand Matron in 1910-11, answered the call and entered that land from whence no traveler returns. She was true to every friendship, loyal to every trust and faithful to every duty. She was serving as Treasurer of the Masonic Home Advisory Board when the call came to take up higher duties because she had been faithful over these.

"Beautiful life with its crown now won,
God giveth her rest."

It was with deep regret that on April 22nd, 1934, that we learned that Brother Charles C. Gardner had answered the call and he, too, had gone to join that innumerable caravan. He served the Grand Chapter in 1912-13. We shall miss his genial smile and hearty hand-clasp, but we are happy in the assurance that he has

"Gone unto that land
Upon whose peaceful shore
There rests no shadow, falls no stain,
Where those who meet shall part no more."

On June 29, 1934, the message of sadness came to us that Sister Sue M. Tuttle, Worthy Grand Matron in 1894-95, had journeyed to that land that is fairer than day. Her task was finished and for her the "beautiful tomorrow" had dawned. Tenderly will her memory be cherished.

"Beautiful life is that whose span
Is spent in duty to God and man.
Beautiful twilight at set of sun,
Beautiful death with a life well done."

To their loved ones we extend loving sympathy.

Solo—"Abide With Me".

Death has entered the homes of some of our Past Grands and to them we extend our deepest sympathy.

It is with deep regret that I report the passing of:

Sister Mary Wiedenmann's mother.
Sister Kathryn Spangler's father.
Sister Georgia Bondurant's father.
Sister Estelle D. Walker's sister.

> "Beyond the sunset they have gone
> To dwell where there is no night,
> At home in the beautiful hills of God."

We are grateful to a kind and loving Father, that He has spared the lives of those who compose the Official Family and that they are all here to occupy their stations at this Grand Chapter.

While we are happy in this reunion, our hearts go out in sincere and loving sympathy to Sister Ida Belle McCoy, Grand Martha, in the loss of her father. May you, Sister McCoy, have the trustful faith of Martha, it will lighten your burden of sorrow.

Sister Gwendolyn Lightburne, D. D. G. M., 11th District, passed away on November 14, 1933. A reception had been planned in honor of her appointment and instead it was a farewell, for on that day she was laid to rest. God knows best, so He took her home.

We extend sincere sympathy to Sister Louise E. Benson, District Deputy Grand Matron, of the 57th District, in the loss of her mother, and to all other District Deputy Grand Matrons whose homes have been visited by the death angel.

Sister Anna Mathewson, Grand Representative of Ohio, was called home on October 14, 1933. I count it a sacred privilege to have conducted her funeral.

> "God's finger touched her and she slipped away
> From earth's dark shadows to a brighter day."

Many loving ties have been broken and the links severed in the golden chain of our Subordinate Chapters and our hearts go out to them in sincere and loving sympathy who have been bereft of loved ones. May God's richest blessings abide with each and every sorrowing heart here today.

The Committee on Necrology will pay loving tribute to the memory of those, who have met their Pilot, face to face, and have safely crossed the bar.

OFFICIAL VISITS

Near and dear to the heart of every Grand Matron are her Official Visits to the districts throughout the State. I am happy to report that I have made forty-eight (48) Official Visits, and have been in twenty-five districts twice.

I can see in memory again the beautiful Chapter rooms, some large and others small, but each beautiful with flowers and other decorations.

Many happy hours have been spent in the many Chapters over the State. The cordial welcomes, the expressions of good will and fraternal friendhips, revealed in rhymes, songs, addendas and drills are beautiful memories that time cannot erase.

It is difficult to find words to express my grateful thanks and deep appreciation for the many kindnesses showered upon me. The many happy evenings spent with the members throughout the State and the wonderful associations shall ever be as a "string of pearls to me and I shall count them o'er and o'er".

It has been my desire to impress upon the members the beautiful lessons of our Star that we might live closer to Him whose Star we are following. I have emphasized the station of FAITH, that of Martha, for without faith in each other and above all without faith in our Heavenly Father, we can accomplish nothing.

If we have Love for one another then we will render Service, thereby enabling us to bring our priceless gifts of love and lay them at the feet of the Savior of mankind as did the wise men of old.

Your flowers have faded and your gifts cannot last forever, but the memory of your happy faces, the lovely presentations and the love which prompted the gifts, and your smiles of welcome will linger until time shall be no more.

These are precious keep-sakes into which is wrought the giver's loving thoughts. In my Garden of Memories there can be no more beautiful spot than the corner fragrant with my Eastern Star roses, lilies and other blooms gathered as I passed along your way. I trust that as you pass along life's way that somewhere you may pluck a rose from the seeds of kindness that you have scattered along my path.

I was pleased to have the Worthy Grand Patron, Past Grand Matrons and Past Grand Patrons, also the members of my Grand Family present at so many of my Official Visits. You have been most kind at all times and your presence at these meetings gave me inspiration and encouragement.

The large number of Past Matrons and Past Patrons present at each meeting also added inspiration and interest, thus showing that their interest in the welfare and prosperity of our Order had not waned and their willingness to help those who have followed them.

I was happy to have the pleasure and privilege of making the following Official Visits:

CHARTER RE-CALL

On August 20, 1934, I directed the District Deputy Grand Matron, Sister Grace Dean, of the 10th District, to secure the Macoy Charter from Corinthian Chapter, No. 112, at Gallatin, and send it in to the Grand Secretary and exchange it for a new Charter in force at this time, since these Charters are obsolete.

Same was complied with September 6, 1934.

I directed the Grand Secretary to issue a new Charter to Corinthian Chapter, No. 112, at Gallatin, when the above-mentioned Charter was received in her office.

CORRESPONDENCE

One of the most important, yet one of the most interesting, features of the year's work has been the correspondence.

It has been time well spent for these letters have brought me in closer touch with the members of the Chapters, thus sharing their joys and sorrows, also their good cheer and perplexities. For your letters of love and appreciation, good wishes, invitation and cheer, I sincerely thank you.

I have endeavored to answer all letters promptly and have given much time and thought to all questions regarding the Laws of our Order, that my answers might be correct and helpful. I have tried to make your problems my problems and if I have helped you, you have also helped me to have a broader vision and a more definite understanding and interpretation of our Laws and a more comprehensive knowledge of the teachings of our Order.

I shall greatly miss, more than you will ever know, these messages which have been coming to me daily.

I have written about two thousand personal letters. I have sent out many letters of sympathy and cheer, also have sent messages to the Eastern Star Bulletin, O. E. S. News, and Missouri Freemason.

CHRISTMAS GREETINGS

According to our custom, a Christmas message was sent by the Worthy Grand Matron, Worthy Grand Patron and Grand Secretary, to Sister Grand Jurisdictions, and to the following in our own Grand Jurisdiction:

Past Grand Matrons.
Past Grand Patrons.
Grand Officers.
District Deputy Grand Matrons.
Grand Representatives.

Greetings were received from many Grand Jurisdictions, Grand Officers and many friends. All were very much appreciated.

PUBLICATIONS

To the Editors of the Eastern Star Bulletin, The O. E. S. News and the Missouri Freemason, I wish to express my sincere thanks for the issues that have been sent to me regularly during the year. I have been glad to contribute to these magazines and have thoroughly enjoyed reading them. Many thanks.

QUESTIONS AND ANSWERS

I have given much time and thought to all questions submitted to me, regarding the Laws of our Order, that my answers might be correct and that I might help solve the problems that confront the officers from time to time and if I have been of service, then the time has been well spent.

Question No. 1. If the Worthy Matron of a Chapter moves away and the Associate Matron resigns just prior to the meeting for the election of officers, what would be the proper procedure for filling these stations?

Answer No. 1. The Worthy Patron would appoint Sisters to fill the stations pro tem until the election of officers.

Question No. 2. Our Chapter meeting comes on Christmas day, shall we hold our regular meeting?

Answer No. 2. Yes. Section 163.

Question No. 3. The Grand Commandery has asked for our hall for Lodge of Instruction on our regular meeting night, November 9th. Can we meet on November 8th, and conduct our business just the same?

Answer No. 3. No. See Section 163.

Question No. 4. An amendment was presented to change our law regarding $6.00 dues and insert $5.00 signed by three members. This was read to the members after which a Brother stated it was not necessary to change our law but just make a motion that our dues be $5.00 for 1934. Such a motion was made and carried, also a motion that if this was not in accordance with Grand Chapter Laws same should be void and the amendment stand as read. Will you kindly give me an answer on this?

Answer No. 4. A Chapter cannot suspend its By-Laws or any part of them. See Section 183. Section 184 states how a Chapter may revise or amend its By-Laws. By-Laws cannot be changed by motion and any such motion would be out of order. By-Laws are changed by amendment or revision. Section 184.

Question No. 5. I would be pleased to have your advice concerning Section 239-Notifications. In the past we have mailed notifications to the Secretaries. Such report has cost us 25 cents per name and as we are located in Wellston, I do not see why it is necessary as there is no other Chapter in our jurisdiction.

Answer No. 5. If your Chapter is located in the city of Wellston and you are the only Chapter located there, it is not necessary to send notices as to petitions, etc., as Section 239 states where "Two or more Chapters" are located. Section 310 defines jurisdiction.

Question No. 6. In reinstating a Sister who has been suspended for non-payment of dues, is it necessary to reinstate her on the relationship of the same person or Mason through whom she received the degrees?

Answer No. 6. It is not necessary for the person who has been a member of our Order to state the Masonic relationship when petitioning for reinstatement. See Section 318.

Question No. 7. When a Mason is suspended from that body or Lodge, what is the form or how should the Worthy Matron of the O. E. S. get her information, should the Mason also be a member of the Star? It seems there should be an official way this information should be given, besides just rumors and if that Mason, who is a member of the Star, is suspended from his Lodge for non-payment of dues, yet has his dues paid in full, in the Star, what should be done about his dues?

Answer No. 7. Section 231 states: "It shall be the duty of the Worthy Patron to report to the Chapter any brother who has lost his Masonic affiliation." Section 329 states: "Suspension or expulsion for any cause by a Masonic Lodge, suspends or expels a brother from a Chapter of the Order of the Eastern Star." If the brother has his dues paid in full in the Chapter, the unearned dues should be returned to him, after his receipt has been called in.

Question No. 8. On September the 11th I received notice of my suspension. What can I do to get back in good standing?

Answer No. 8. Payment of your dues within one year after suspension will reinstate you in your Chapter. See Section 318 of our Laws.

Question No. 9. Can a Star who is in line for the office of Worthy Matron, but has moved out of the district, be properly elected to that chair?

Answer No. 9. Yes. Section 210 states: "Any member in good standing residing in this Grand Jurisdiction and who has passed the proficiency examination, shall be eligible to hold office in her Chapter." Section 214 states: "All officers of a Chapter must reside in this Grand Jurisdiction."

Question No. 10. Will it be possible for a person living in a town in California, having her membership in another town in California, to transfer her membership to a Missouri town, without coming back here, as she does not intend to live here?

Answer No. 10. No. See Section 264 of our Grand Chapter Law.

Question No. 11. Should Subordinate Chapters buy Surety Bonds for their Secretary and Treasurer?

Answer No. 11. Yes. Section 182 as construed by the Jurisprudence Committee in the 1932 Proceedings, bottom of page 278, requires the signing of the bonds of the Secretary and Treasurer of Subordinate Chapters by a competent Surety Company.

Question No. 12. At a stated meeting when a Treasurer pro tem. has been appointed for the evening should the Secretary turn the receipts of the evening over to the Treasurer pro tem. or any other member, or should she keep the money and turn it over to the regular Treasurer?

Answer No. 12. It is the duty of the Secretary to receive all money due the Chapter and pay it to the Treasurer, taking her receipt therefor. I would not recommend the Secretary paying the money to any one except the Treasurer as per Section 241. It is the duty of the Treasurer to receive all money from the Secretary, giving a receipt therefor, and deposit such money in the name of the Chapter in some bank or trust company approved by the Chapter. Section 241—Paragraph 1.

Question No. 13. Does the Secretary have to turn the money over to the Treasurer at any specified time?

Answer No. 13. The Law is silent on this. The Blue Book suggests that the money be paid to the Treasurer at each stated meeting or as soon as possible that it may be deposited in the bank.

Question No. 14. Can the Treasurer and Associate Matron be given dimits while holding office or do they have to resign first?

Answer No. 14. No. They would have to resign first. Section 222 states: "An installed officer can not dimit while in office." Section 223 states: "Any officer may resign at any time."

Question No. 15. Can our Chapter by paying the rest of our delinquent per capita tax and surrendering our Charter be granted Grand Chapter dimits without paying the 1934 dues?

Answer No. 15. You would not have to pay 1934 dues if you surrender your Charter before December 31st, 1933, but you can not receive Grand Chapter dimits until the surrender of your Charter is confirmed by Grand Chapter. See Sections 204 and 207 of our Grand Chapter Laws.

Question No. 16. Is the wife of a suspended Mason eligible to petition for reinstatement in the Eastern Star?

Answer No. 16. Yes. It is not necessary to state the Masonic relationship in the petition for reinstatement. She has been a member.

Question No. 17. In case of death at the first of the year, with dues paid in advance, should these dues be refunded?

Answer No. 17. There is nothing in our Laws stating that dues should be refunded in case of death.

Question No. 18. When the Secretary puts in her bill for her salary, should this bill be presented to the Chapter?

Answer No. 18. Yes. All bills should be presented to the Chapter for approval before warrants are drawn for same.

Question No. 19. Please advise me what to do about remitting dues, suspending members and carrying members.

Answer No. 19. The matter of remitting dues, suspending members or extending the time for payment of dues, are matters which the Chapter must decide. Sections 297 and 317.

Question No. 20. Do members have the privilege of voting until suspended, no matter how many years they are in arrears?

Answer No. 20. Yes. If they have passed the proficiency examination. Section 319 states: "Members of Chapters who have not paid their dues are in good standing in their own Chapter until suspended therefor, but they cannot visit another Chapter until they can show a receipt for dues paid to December 31st of the year in which they are visiting."

Question No. 21. Is it necessary for a Secretary to send a written notice to a Mason who has been suspended from his Lodge for non-payment of dues?

Answer No. 21. No. (It is the duty of the Worthy Patron to report to the Chapter any brother who has lost his Masonic affiliation.) Section 231. The Worthy Matron should then instruct the Secretary to call in his receipt and return the unearned dues, if any, after the receipt has been received. Section 329.

Question No. 22. Will you advise what course to pursue after you have voted to surrender your Charter?

Answer No. 22. Section 201 explains in detail just what course to pursue.

Question No. 23. Is it permissible to hold office in your Chapter, either elective or appointive, while serving as District Deputy Grand Matron?

Answer No. 23. No, it is not permissible. See Article V—Section I—Eligibility to Office.

Question No. 24. Is it in order for a Chapter to present to the retiring Worthy Patron a gift of a camera or $15.00 in gold instead of a Past Patron's Jewel, when the By-Laws state that the Worthy Patron shall be presented with a Past Patron's Jewel, not to exceed in price the sum of $15.00?

Answer No. 24. No. I do not consider a camera or $15.00 in gold a Past Patron's Jewel.

Question No. 25. A lady joined a Chapter, May 30, 1907, was given a dimit January 27, 1910, moved out of the State, married and has not lived in the town where she joined the Order for more than twenty years. During this time she lost her dimit, and after a lapse of twenty-three years writes back to the Chapter asking for a duplicate dimit. Should the duplicate dimit be granted? (The dimit was granted in her maiden name and the request for duplicate was in her married name.)

Answer No. 25. If this lady can prove to the satisfaction of your Chapter that she is one and the same person that was received into your Chapter, May 30, 1907, and the same person that received a dimit on January 27, 1910, and that she has not used it to affiliate with some Chapter or Chapters in the different places in which she has resided, and later been suspended or expelled from any of these Chapters, then your Chapter may be justified in issuing a duplicate dimit. The life of a dimit is unlimited.

Question No. 26. Can a person who was suspended for non-payment of dues in a Chapter in another State, petition a Chapter in this State for the degrees?

Answer No. 26. No. She would have to be reinstated in her own Chapter, then apply for a dimit or transfer certificate and then petition a Chapter in this State for affiliation.

Question No. 27. A Sister, who formerly belonged to a Chapter in this State, moved to Iowa and transferred her membership there. She is now living in Iowa and would like to transfer her membership back to this Chapter in this State. What would she have to do?

Answer No. 27. She would have to move back to this State. See Section 264.

Question No. 28. Would you grant us permission to hold our stated meeting on December 22nd instead of December 23rd, our regular time?

Answer No. 28. No. Section 163 states: "All Chapters must have a specified definite date for stated meetings" and this can only be changed by amendment to your By-Laws.

Question No. 29. May we open Chapter in a room adjoining the auditorium, thereby save the expense of renting our regular Chapter room on the night of our installation?

Answer No. 29. No. Section 174 states: "All business of a Chapter must be transacted in its regular Chapter room."

Question No. 30. The Worthy Matron elect is moving into another district. Can she be installed and keep her office?

Answer No. 30. Yes. Section 210 defines eligibility to office.

Question No. 31. A brother and sister received transfer certificates to affiliate with another Chapter. She was elected and he was rejected for membership in the other Chapter. She now desires to transfer back to her Chapter. Must we issue the dimit?

Answer No. 31. Yes. See Section 268—Paragraph 2.—Upon notice of election, the Secretary of that Chapter shall forward a dimit to the electing Chapter, with any unearned dues. She will have to secure a transfer certificate or dimit from that Chapter if she wishes to come back to her old Chapter.

Question No. 32. May we initiate a candidate at the School of Instruction?

Answer No. 32. No. The Chapter is a fictitious Chapter, Blank Chapter No. 1, and you could not initiate any one in a Chapter that does not exist.

Question No. 33. A lady whose grandfather was a Mason, but neither her father, husband nor brother were Masons. She is a widow and has a daughter. Both would like to join our Chapter. Can you offer any suggestion how this can be brought about or is it utterly impossible?

Answer No. 33. The only suggestion that I can offer is for the widow and her daughter to each marry a Master Mason. Section 247 states upon whom the degrees are conferred.

Question No. 34. (a) What is the standing of members who have received dimits? (b) Are they entitled to visit in Missouri for one year? (c) Are they entitled to attend meetings of their Chapter and for how long?

Answer No. 34. (a) They cease to be members in good standing from the date of the dimit. (b) No. (c) They are not entitled to any privileges of the Order. See Section 302.

Question No. 35. We would like to know if we would be allowed to lower our dues to one dollar for this year so we can hold our members?

Answer No. 35. No. Section 290 states that the dues shall not be less than one dollar and fifty cents.

Question No. 36. Can a sister who is living in another town transfer her membership to our Chapter? Shall we receive her transfer in this Chapter?

Answer No. 36. Yes. See Section 268. You may receive her petition for affiliation accompanied by a transfer certificate.

Question No. 37. A lady who lives in our town was suspended for non-payment of dues in a Chapter from the town she formerly lived in. Which Chapter should she petition for reinstatement?

Answer No. 37. The lady must petition the Chapter for reinstatement from which she was suspended.

Question No. 38. We have a petition for the degrees to be balloted upon the night of the official visit of the District Deputy Grand Matron. Will you grant a dispensation in order that we may have initiation at this same meeting?

Answer No. 38. No. I can only grant such dispensations as are authorized by the Constitution and By-Laws. Section 248 states: "A Chapter shall not elect a petitioner and confer the degrees upon her at one or the same meeting."

ILLEGALITIES

January 2, 1934—I was notified that all the officers of Puxico Chapter No. 422, Puxico, Mo., had been elected by acclamation. I declared the election illegal and directed that an election be held in accordance with Section 208, and issued dispensation for same.

March 6, 1934—Declared the election of Worthy Patron and Associate Patron of Neosho Chapter No. 192, illegal as both were suspended from their Masonic Lodges at the time of their election and were not eligible to hold office. I directed that another election be held and issued dispensation for same.

May 5, 1934—I was notified that the Treasurer of Nevada Chapter No. 53 had been elected by acclamation. I declared that election illegal and directed that she be elected in accordance with Section 208, and granted dispensation for special election.

July 30, 1934—Declared the election of a petitioner in Hornersville Chapter No. 523 illegal, as Section 171 was violated (a brother was not present when the ballot was taken). I granted them permission to re-ballot at the next stated meeting.

March 15, 1934—I received notice from the Secretary of New Madrid Chapter No. 293 that they had voted to surrender their Charter. It was later brought to my attention that they had not complied with the requirements of Section 192, and I, therefore, declared this meeting illegal. They decided not to call another meeting for this purpose but to try to create more interest and better attendance and thus hold their Charter, if possible. I granted a dispensation to hold an election and installation of officers, which was held on April 24, 1934.

CHARGES

March 26, 1934—I received from the Secretary of Bethlehem Chapter No. 483, St. Louis, a copy of the charges filed against a member of that Chapter. I refused to file this copy of the charges with the Grand Secretary as it did not conform to the requirements of Sections 337 and 338 of our Laws. I have received no further copy from the Secretary.

June 2, 1934—I received from the Secretary of Loyalty

Chapter No. 420, North Kansas City, a copy of charges filed against a member of that Chapter. I refused to file this copy of the charges with the Grand Secretary as it did not conform to the requirements of Sections 337 and 338 of our Laws.

June 16, 1934—I received notice from the Secretary of Loyalty Chapter No. 420 that these charges were not accepted by the Chapter.

THE BLACK CUBE

About the only discord that I have found in the Chapters this year has been caused by the misuse of the Black Cube.

The Black Cube is given us to use as a sacred means of protection for our Order from those who would injure it. Its use is a serious and sacred privilege, the burden of which rests upon us, not collectively, but individually, keeping in mind that the All-seeing Eye judges whether we are false or faithful to our trust.

It is not a knife with which to even up an old score. When misused it carries with it the sting of injustice and the mark of malice, for no one can wantonly injure the sensitiveness of one's character without having to account for the action in some way.

As a member of the Order of the Eastern Star, to each of us is given a personal privilege known only to himself and God—our Ballot. To each has been given a priceless possession, known only to himself and God—our Conscience. So in exercising our privilege of the Ballot, let us be guided by our Conscience, linking it with the Golden Rule and this question, ''Would I want this done to me and mine''?

I am convinced that the discussion of the outcome of the Ballot, both within and without the Chapter room, is doing as much harm as the Unjust Black Cube.

"Let us clasp hands as we walk together,
Let us speak in low sweet tones,
For no one knows on the morrow
Whether we Two will pass on—or One alone."

DISPENSATIONS REFUSED

I refused to grant dispensations to the following Chapters to Re-ballot on petitions, as it was in violation of Section 23:

Elect and Initiate at the same meetings:

June 13, 1934—Webb Chapter No. 204, Webb City. Violation Section 248.

Meetings:

To Sun Ray Chapter No. 426, St. Louis—to open stated meeting earlier than time specified by By-Laws. Sections 163 and 183.

To Golden Gate Chapter No. 58, Kansas City—to hold business meeting outside the regular Chapter room. Section 174.

To Lock Springs Chapter No. 83, Lock Springs—to hold election of Officers at a special meeting. Section 208.

To St. Louis Chapter No. 357, St. Louis—to change hall for stated meeting. Section 174.

June 13, 1934—Requested the Secretary of the Associate Matrons' and Patrons' Club of Kansas City to recall the circular letters sent to the Secretaries of the various Chapters of the 22nd District, as they were sent out without the permission of the Worthy Grand Matron and in violation of Section 219.

July 9, 1934—Requested Sister Minnie Goult, D. D. G. M. of the 22nd District, to recall the circular letters sent out by Henry Baer, for the DeMolays, to the Chapters in the 22nd District, as they were sent without permission of the Worthy Grand Matron and were far fetched, calling attention to "our obligation to contribute," etc.

MISCELLANEOUS

November 2, 1933—I approved the contract of the Von Hoffmann Press to print the Proceedings of Grand Chapter for 1933, it being the lowest bid submitted to the Grand Secretary.

December 15, 1933—I was invited to attend the Dedication of the new Masonic Temple in West Plains, but on account of a previous engagement I was unable to attend and invited Brother Charles Henson, Associate Grand Patron, to represent me at this ceremony. He was present and gave an interesting address on the Order of the Eastern Star.

July 3, 1934—I secured from the Grand Secretary and delivered to the Masonic Home Advisory Board, a package of its records which had been sealed and placed there by the Auditor in October, 1930.

APPOINTMENTS

January 9, 1934—With the written concurrence of the Worthy Grand Patron and Associate Grand Matron, I appointed Sister Edith E. Ambruster, P. G. M., a member of the Masonic Home Advisory Board, to fill the vacancy caused by the death of Sister Ethel C. Stansbury, Treasurer of the Board, on December 30, 1933.

January 8, 1934—I directed the Grand Secretary to secure the books of Sister Ethel C. Stansbury, Treasurer of the Masonic Home Advisory Board, for the purpose of having same audited and to arrange for the auditing.

January 9, 1934—I appointed Brother Walter Kriegshauser, C. P. A., to audit the books of Sister Ethel C. Stansbury, Treasurer of the Board, which was completed January 15, 1934.

January 17, 1934—Sister Edith E. Ambruster was elected Treasurer of the Masonic Home Advisory Board, at a meeting of that Board, and I directed the Grand Secretary to turn over the books of Sister Ethel C. Stansbury to Sister Ambruster.

January 22, 1934—I directed the Grand Secretary to notify the First National Bank and the Mercantile-Commerce Bank and Trust Company of St. Louis that Sister Edith E. Ambruster was authorized to issue all checks for the Masonic Home Advisory Board and Welfare Fund Board, having been elected Treasurer of said Boards on January 17, 1934.

MASONIC HOME

January 4, 1934—Upon invitation from Brother W. W. Martin, P. G. P. and President of the Masonic Home, I met with the Masonic Board, also the Masonic Home Advisory

Board, in their first meeting of the new year. Sister Pearl E. Peabody, Grand Secretary, was also present.

It was interesting to note how judiciously every item of business was handled and how carefully the work was planned, thus disposing of a large amount of business in a short time. Every member united in one great aim, "The welfare and prosperity of this wonderful Home," and much credit is due the members of this Board for the very efficient manner in which they administer the affairs of the Home.

I had the happy privilege of eating dinner in the children's dining-room and of attending the Chapel services in the afternoon and addressing the assembly.

March 27, 1934—Again I received an invitation from Brother W. W. Martin, President of the Home, to attend the Board meeting on April 4th, but on account of illness, I was unable to attend this meeting.

July 3rd I again had the happy privilege of attending the Board meeting in company with Sister Pearl E. Peabody, Grand Secretary.

Again I was impressed with the earnestness and the thoroughness of this Board. They are much concerned about the comforts and the necessities of life for those who have been unfortunate and who are looking to them for help.

I am deeply grateful to Brother Martin for the privilege of attending these meetings and sincerely thank him for the invitations to be present. With such a consecrated, Christian man as Brother Martin, at the head of this institution, it can not but help render a great service to humanity.

Sisters Waller and McCue are of great assistance in the management of the affairs of the Home, giving advice and sympathy, help and encouragement to those who are under their care. A great work is being done for the unfortunate members, and their loved ones, of these two great Fraternities.

We, as Eastern Stars, should be very happy in having a part in this great program of "Love and Service." Let us share with the Masonic Brothers in promulgating the principles of Brotherly Love, Relief and Truth.

We are commanded to "Love our neighbor as ourselves," and Who is thy neighbor?

> "It is he whom thou hast power to aid and bless,
> Whose aching heart or burning brow thy hand may press.
> It is he whom hunger sends from door to door,
> Weary and worn—helpless and poor.
> So give to thy neighbor shelter and food for the day,
> For he shall not again pass this way."

RE: JOSEPHINE MEYERS VS. ORDER OF THE EASTERN STAR

May 24, 1934—I received from Mr. John W. Mueller, a copy of a letter received by him from Mr. W. F. Woodruff of Kansas City, Attorney in the above case, in which it states: "Mrs. Meyers dismissed this case Saturday, May 19th. The order of dismissal specifies that plaintiff dismisses the cause 'without prejudice'."

RULINGS

Complying with the request of the Grand Secretary, for my ruling relative to Per Capita due upon the members suspended illegally from Queen Esther Chapter No. 202 at Aurora, I gave the following:

In accordance with the Jurisprudence Committee's Report: "That the members were suspended illegally, and that they be declared members of the Chapter until properly suspended by legal action," the Chapter would therefore owe Per Capita on the members suspended June 27, 1932, and December 26, 1932.

The Chapter has complied with this ruling and all arrearages have been paid.

I ruled that Beer or Brewery advertisements should not be used on programs in connection with the name of the

Order of the Eastern Star or any group representing the Order.

I ruled that Dispensations were necessary where Chapters desired to change their place of meeting temporarily for special meetings, to another room although it was in the same building, as it was not the USUAL place of meeting. Section 164, also 186. Most Chapters in their By-Laws designate their rooms (as 2A or 2B; room 1 or room 2).

I ruled in regard to Life Membership in Magnolia Branch Chapter No. 375, St. Louis, that same was not legally bestowed since the By-Laws did not provide for Life Memberships as per Section 298.

I ruled in regard to Life Memberships in Mary E. Chapter No. 508, Kansas City, that Life Memberships were legally bestowed upon Sisters Edna Frederick and Elizabeth Northcott, December 13, 1930, under the By-Laws in force at that time. Subsequent amendment to the By-Laws of date December 26, 1931, does not affect these Life Memberships, as no law is *retroactive.*

AUDITOR APPOINTED

September 1, 1934—I appointed Brother Walter G. Kriegshauser, Certified Public Accountant, to audit the records and accounts of all Grand Officers and all others who are required to make financial reports to the Grand Chapter. Article III, Section 26.

VISITATIONS TO OTHER GRAND JURISDICTIONS

November 20-21, 1933—I attended the "Light Session" of the Grand Chapter of Arkansas at Little Rock. I was accompanied by Sister Ida Belle McCoy, Grand Martha. This was a beautiful session and presided over by Sister Sponnenbarger, Worthy Grand Matron. We were shown many courtesies and enjoyed the sessions very much. I was pleased to receive Honorary Membership in this Grand Jurisdiction.

March 20-21, 1934—I visited the Grand Chapter of Tennessee at Nashville. This was the "Ruth Session," with Sister Ruth Holcomb, Worthy Grand Matron, presiding. The love and friendship of the humble gleaner "Ruth" were manifest at all times. I was happy to receive Honorary Membership in this Grand Jurisdiction.

August 14, 1934—Through the courtesy of Brother and Sister Daly of St. Louis, I was privileged to attend the Official Visit of the Worthy Grand Matron of Illinois, Sister Gussie Hart, at Hillsboro. We were very graciously received and were shown many courtesies. We had a most pleasant trip and I am very grateful to my Grand Conductress and her husband for the very pleasant visit to this Grand Jurisdiction.

RECOMMENDATIONS

For the past several years this Grand Chapter has gone on record as favoring higher education for the boys and girls of the Masonic Home.

At the present time there are two of our girls ready to enter the Senior Class at Washington University, two ready to enter the Junior Class and another who is a possible entrant. We are proud of their record and should encourage in every way possible these children who have a desire to improve themselves by securing a College Education.

Since we are pledged to aid, comfort and protect each other, it becomes our duty as well as privilege to do all in our power to promote the interests of those who look to us for protection.

I therefore recommend that this Grand Chapter appropriate one Scholarship of two hundred and fifty dollars ($250.00) for the benefit of one of our Masonic Home girls.

I recommend that the Jurisprudence Committee present Amendments to the following Sections which will bring them in conformity to the General Grand Chapter Laws:

Section 150—"A (one) copy of the secret work of the Order shall be issued to each Subordinate Chapter."

The Code states: "But **Two** copies will be issued to each Chapter, one for the use of the Worthy Patron and one for the Associate Patron."

Section 150—Further states: "A copy of the secret work shall be placed in charge of the Worthy Matron of the Chapter and transmitted to her successor in office at the time of the installation of officers."

The Ritual states: "The Secret Work and Diagram of the Labyrinth are presented to the Worthy Patron."

This section should be amended so as not to conflict.

Section 266—"If a suspended or expelled brother is restored to membership in his Lodge, it gives him a right to petition the Chapter for **Restoration.**"

Section 304—"If restored to good standing, to petition for **reinstatement,** or if he holds a dimit, for **affiliation.**"

Section 379—"Restoration gives him a right to petition the Chapter for **affiliation.**"

These sections are not clear. He has not been expelled from the Chapter, hence he would not petition for restoration, and according to our Laws would have to wait until two years had elapsed.

Petition for affiliation must be accompanied by a dimit or transfer, perhaps he would not have either.

Section 153—"The Ballot Box shall be equipped with white Balls and Black Cubes."

Section 282—In collective balloting it states: "If one or more black **Balls** appear," and again it states, "If one or more black **Balls** appear."

This should be changed to Cubes, to conform to Section 153.

Section 291—"Dues shall be charged from date of initiation." Should this not also state "or affiliation?" The Law does not state when the affiliate pays dues.

Section 281—Should conform to the Ritual as the Associate Patron also examines the Ballot.

Sections 207 and 301 conflict.

The status of members, whose Charters have been surrendered, should be established.

I further recommend that the Flag Ceremony be revised or that it be optional with the Chapters as to using it.

APPRECIATION

I wish that I might find words to express the gratitude that is in my heart today for the wonderful year that you have given to me, for

"I have been gathering up the sunbeams
All along this glad year's way,
Until I have a goodly harvest
In my treasure house today.
Many miles that I have traveled,
Many paths that I have known,
You have scattered full of sunshine
That today I count my own."

First of all, I thank my Heavenly Father for His goodness and mercy to me, for His protecting care and guidance through the year and for strength and courage to perform my duties and solve the problems as they have arisen.

He has walked by my side and has held my hand.

To my section of the State, Southeast Missouri, my own District, the fiftieth, and to the Dexter Chapter: I am deeply grateful for all the kindnesses and courtesies extended to me in every way. For your loyalty and friendship, I sincerely thank you and I trust that I have not, in any way, been a disappointment to you. I thank you for every effort put forth in my behalf.

To the Worthy Matrons and Worthy Patrons, my ''Pals'' and co-workers: You have been my tower of strength, my wall of protection, ever opening the gate of Service and scattering my pathway with deeds of Love and Kindness. You have been faithful and true and no Worthy Grand Matron has ever had a more loyal group of workers. The good that you have done will live on long after the year is gone.

Especially do I want to thank the Worthy Matrons and Worthy Patrons of the 33rd and 57th Districts, the 22nd

District and the 9th District for the lovely banquets, the beautiful drills and the many courtesies shown me, and for all you have done to make my year a pleasant one. Again I thank you.

To the Past Grand Matrons and Past Grand Patrons: I thank you for your loyal support and willingness to help in every way. To know that you were standing by to help gave me courage and inspiration, and for every kindness shown, I am grateful.

To all my Committees and my Grand Pages: I thank you for the fine service rendered me and this Grand Chapter. You have given many hours of your time and have labored for the success of this Grand Chapter. I am deeply grateful to you for your untiring efforts.

To My District Deputy Grand Matrons: To you who have been my personal representatives and who have carried messages of good will and helpfulness to the Chapters, along with your instructions, I am grateful to you. You have lightened my burdens and have helped in every way to carry out my motto of ''Love and Service.'' You have kept the faith, you have finished your work and you have gained the reward of patient industry. Your interest and assistance during the year have been greatly appreciated. May you always stand firmly back of the ideals created and ever cherished in your hearts this year of service.

"In my garden are loving memories—for-get-me-nots of blue,
You will find blossoming, my dear co-workers, for you."

To the District Deputy Grand Matrons of the Thirty-Third and Fifty-Seventh Districts: I especially want to thank you for all the help you have given in planning for this Grand Chapter Session, carrying out every detail of my requests and for your untiring efforts. You have left nothing undone to make us comfortable and happy and we extend to you our heartfelt thanks for your loving deeds of service.

To the Worthy Grand Patron: I wish to express to you my gratitude for your kindness and your willingness to help in every way.

Your home has been open to me at all times and your car has been at my disposal when I have been in your part of the State. I regret that your duties kept you from attending many of my official visits, but you have always found time to be courteous and kind. For the hospitality and many courtesies extended to me by you and your wife, Sister Mathonet, I thank each of you most sincerely and may the future be filled with health and happiness for both of you.

To the Associate Grand Matron and Associate Grand Patron: I thank each of you for every kindness shown me this year. You will soon see the sunset of this year, but it will sink only to rise again in the dawn of a new year for you, resplendent with promises of a new hope for tomorrow. My wish for you is that your year may be crowned with success and that your every wish may come true.

To My Grand Secretary: It is difficult to find suitable words to express my appreciation to you, for throughout the year you have cheerfully and promptly responded to every call and have been a wonderful help to me in every way. It has been a year of pleasure to be associated with you and I trust our friendship will never cease. Your courtesy, your promptness and your efficiency make you indeed a "PEARL of GREAT PRICE" and a GRAND SECRETARY. For your assistance and help to me, I am very grateful and offer my sincere thanks and appreciation for all you have done to make my year happy and successful, for

"Just as you are, you are noble,
Whatever you do, you do well,
Whenever you speak, you speak kindly,
And bring joy wherever you dwell."

To My Grand Treasurer: Your assistance has been valuable and you have been a true friend. I prize your friendship most highly and thank you for all you have done for me.

"We have no fear, no cause for a tear
And our minds are forever at ease,
For of this we are sure, our funds are secure,
As long as you are holding the keys."

To the Grand Lecturer: Our associations have been most pleasant and I have enjoyed sharing thirty-seven schools with you. Your fund of knowledge gained through years of experience and service has been a source of strength to me. I thank you for all kindnesses and courtesies extended to me as we have traveled along the way and I appreciate your friendship, too.

To My Grand Conductress: For all your courtesies, assistance and many acts of kindness, I am indeed grateful to you. You can never know what you have meant to me until you reach the Grand East. May your journey, thereto, be filled with happiness and success.

To My Associate Grand Conductress: As you have just started on your journey to the East, I hope that at every turning of the road, you may find many friends to help you share your load and that success and happiness may fill your cup with joy.

To My Appointive Grand Officers: I shall always treasure the pleasant associations of this year with you. You are a family of whom I am very proud. Your loyalty and co-operation at all times have endeared you to me. The dignified manner in which you have conducted yourselves at all times is worthy of admiration. I shall always treasure your words of encouragement. You have shown your appreciation, not only by your gifts, but in many other ways and I thank you for every deed of kindness and every courtesy shown.

In my ''Garden of Remembrance'' will ever blossom the flowers of love and gratitude for your kindness in making this year one of happiness for me, for

"You are the flowers of my beautiful garden,
And fairest among thousands to me.
You radiate cheer and you have filled my whole year
With sunshine, peace and harmony."

All of these happy memories I shall put in my golden chest of dreams and I shall sprinkle them with the essence of loving remembrance, so that nothing will ever destroy the fine fabric of my treasures.

To My Children: You have been such a help and inspiration to me, you have tried to send me away with a smile, never complaining of my absence, but trying at all times to be a comfort and help to my dear companion.

God will not forget and some day He will light the candle. Your loving thoughts have followed me and your prayers have sustained me.

"Often while traveling the big highway,
  In the evening's sunset glow,
My thoughts would travel homeward
  And often the tears would flow.
Then a silent prayer I would offer
  To the Father who careth for all,
To watch over and care for you, dear ones,
  While Mother was far from your call."

To My Husband: My greatest appreciation goes to the one who is nearest and dearest to me, my husband. You have made it possible for me to be a member of the Eastern Star because of your Masonic relations; you have made it possible for me to enjoy the pleasures and perform the duties of my offices as I have advanced from year to year, never complaining but standing loyally by me and supporting me 100 per cent in all my Eastern Star work. You have stood between me and my problems guiding me with sound advice and wise council. You have been patient, kind and loving. Your thoughtfulness in every way, your daily letters of cheer and encouragement, and your prayers have enabled me to carry on, though the load has been heavy to carry alone. Your sacrifice has been great, but you have stood the endurance test and have kept smiling. I owe a debt of gratitude to you that I can never repay.

I wish that I might weave for you a new garment of praise as radiant as your bravery, as enduring as your deeds, as

Mascot 1933-1934

Grandson of the Worthy Grand Matron

strong as your faith and as all sufficient as your affections, for I cannot praise you enough for your wonderful love to me. Whatever measure of success I have attained, I owe it all to you and I bring all my honors and lay them at your feet.

"Just to get on together and live,
In ways that are simple and sweet,
To know all our faults and forgive,
And share both success and defeat.
To walk our small garden at eve,
Know sunshine and gray clouds and flowers
And still in each other believe
And rejoice in the joys which are ours.

Just to walk arm in arm through the years,
Asking never too much of delight,
Nor rebellious when trouble appears
But sure that its purpose is right.
To cherish our hopes and our dreams
And accomplish some good with our lives,
Knowing kindness though trivial it seems
All forms of disaster survives.

Just to cling to each other and keep
The home warm and safe to the end,
Its joys neither lavish nor cheap,
With a welcome for neighbor and friend.
To give with glad hearts what we can
And whether we lose or we gain,
Still to cling to this purpose and plan
That steadfast our love shall remain."

CONCLUSION

And now the record of my year I lay before you. I wish it were possible for me to take each of you by the hand and thank you personally for your many acts of kindness and deeds of love and especially for your confidence and esteem which placed me in this responsible position.

"When the evening shades are falling at the closing of the day,
And I am just sitting 'round passing the time away;
The thought will come to cheer me if I'm feeling kind of blue,
A sort of prayer of gratitude for crossing paths with you."

I have done my best to enforce the laws and regulations of the Grand Chapter ever keeping in mind the welfare and prosperity of our beautiful order. I have tried to be fair and just in all my rulings and in all my dealings to practice the Golden Rule, ever keeping in mind my watchword—''Faith'' —and trying to render ''Love and Service''.

The history of another year has been written and nothing we can do will erase one word of it. I hope we have written well, for when the Great Scorer of Time comes to write against our names, it will not be whether we have won or lost, but how we have played the game.

Once more I wish to thank you for the highest honor, together with the richest experiences, best of friendships, beautiful memories and your fraternal love.

May God's richest blessings ever follow this Grand Chapter and its personnel.

"If I have brought a little sunshine,
If I have helped to lift a care,
Made the way a little brighter
Or a burden helped to share;
Then I will feel that God has blest me
And has surely heard my prayer,
For I asked that He would lead me
And would use me everywhere."

Lovingly and fraternally submitted,

CANDACE GREEN,
Worthy Grand Matron.

CONGRATULATIONS

The Worthy Grand Patron announced today was the seventy-fifth birthday and the fifty-fifth wedding anniversary of Sister Lillian R. Miller, Past Grand Matron.

Sister Miller was escorted to the East and the Worthy Grand Matron and Worthy Grand Patron expressed to her congratulations and best wishes from this Grand Body.

MOTION

Sister Pearl E. Peabody, P. G. M., Secretary, moved that Brother Douglas Meredith, Worthy Grand Patron of Kansas, be made an Honorary Member of this Grand Jurisdiction. Motion carried.

Brother Meredith expressed his gratitude for the honor conferred and for the hospitality extended to him.

Address of Worthy Grand Patron

Brother Hubert H. Mathonet, Worthy Grand Patron, read the following address, which, according to law, was referred to the Committee on Distribution:

To the Worthy Grand Matron, Officers and Members of the Grand Chapter of the Order of the Eastern Star of the State of Missouri:

Sisters and Brothers:

Foreword—In view of the mandate of the Grand Chapter, ordering all reports to be condensed as much as possible, it is necessary to omit many visits, detailed acknowledgment of courtesies, gifts, honorary memberships, etc. These have been gratefully acknowledged to those bestowing them, and mention herein will be only in a general way. I regret the necessity for economy compels the curtailment of such acknowledgments.

One year ago this Grand Chapter entrusted the office of Worthy Grand Patron to my keeping and in accepting the office, I was not unmindful of the honor and dignity of the position—therefore, it was with a sense of its heavy responsibility that I undertook the service which the office implies, trusting in God for guidance.

I wish to express my appreciation of the honor conferred in my election to this high office. I am deeply grateful for the opportunity of serving the Order in this State, for it has brought a wider and deeper knowledge of the good which we can and are doing, not only within the fraternity, but to the several communities in which Chapters are located. It has also brought a broader and finer fellowship with the membership, who, but for the ties of fraternity in the Order of the Eastern Star, it might never have been my privilege to know.

Following is an accounting of the stewardship entrusted to me.

OFFICIAL ACTS

At the beginning of the term of office and also at the close,

MR. HUBERT H. MATHONET
Worthy Grand Patron
1933-1934

I joined the Worthy Grand Matron in a circular letter to the Chapters, copies of which are a part of her report.

All of the statutory provisions concerning the approval of bonds of fiduciary officers, the designation of depositories for funds of the Grand Chapter and the division of the Chapters of the Thirty-Third District have been complied with, in conjunction with the Worthy Grand Matron.

The law of the Order places with the Worthy Grand Patron the formation of new Chapters, and since growth is one (and one only) of the measures of success, it is the ambition of every Grand Patron to have the record show achievement in this line. It is not my privilege to report the organization of any new Chapters. I have no regret in making this report.

Three prospective Chapters were investigated through personal contact, through the District Deputy Grand Matrons of the several districts, and through contact with members of the Order in the vicinities interested. In every instance it was discovered that it was not probable that a strong organization would result from the granting of a dispensation. In fact, had organizations been effected it might have resulted in direct injury to the Order as a whole, and therefore these applications were not permitted to come to the formal stage and consequently were not refused, but discouraged.

The District Deputies were requested to ascertain if any new Chapters were needed, and it was practically the unanimous opinion of these tried and skilled workers that the best interests of our Order lay in building up existing Chapters.

59th District—Sister Ella Chaffin, Blue Springs Chapter, at Blue Springs, March 3, 1934.

59th District—Sister Ella Chaffin, Oak Grove Chapter, at Oak Grove, April 5, 1934.

22nd District—Sister Minnie Goult, Adella Chapter, at Kansas City, April 4, 1934.

22nd District—Sister Minnie Goult, Isis Chapter, at Kansas City, April 6, 1934.

22nd District—Sister Minnie Goult, Ivanhoe Chapter, at Kansas City, April 10, 1934.

22nd District—Sister Minnie Goult, York Chapter, at Kansas City, May 8, 1934.

In all of these meetings, both Schools and Official Visits, the interest evidenced by the large attendance and close attention indicates a very healthy state of the Order. One of the outstanding features being the large number of Past Matrons and Past Patrons in attendance. Naturally the success of these gatherings is attributable to the untiring efforts of the District Deputy Grand Matrons in the several districts.

A large number of banquets, receptions, and other special events in honor of the Worthy Grand Patron should be individually enumerated, but lack of space prevents and they are here gratefully acknowledged, and my heartiest appreciation for all of these gala occasions is extended to all of those who planned and participated therein.

COURTESIES

Rainbow for Girls

As Worthy Grand Patron, I was invited to present the jewel of office to the retiring Worthy Advisor of Rainbow Assembly, No. 9, of Kansas City, Missouri, Miss Georgia Snelling. This was presented on January 22, 1934.

On June 25, 1934, I was invited to attend the session of the Grand Assembly of Rainbow at St. Joseph and to address that body.

True Kindred

On February 25, 1934, the Grand Conclave of True Kindred opened their annual session with a banquet, and I was invited to welcome that body to Kansas City, as the representative of a kindred fraternity, in company with representatives of all of the allied Masonic bodies of the city.

KANSAS GRAND OFFICERS

On February 7, 1934, I attended the School of Instruction and Official Visit of the Worthy Grand Matron of Kansas, Sister Pearl Smith, to Mendias Chapter, No. 1, of Kansas, at which time I was honored by election to honorary membership in that body.

On June 21, 1934, I attended a reception at Abdiel Chapter, Rosedale, Kansas, given in honor of Dr. Douglas Meredith, Worthy Grand Patron of Kansas, with whom I have been associated in the work of our respective Grand Chapters, having each advanced during the same years. Dr. Meredith was born near Warrensburg, Missouri, and so Missouri has given our sister State to the west a very fine Grand Patron.

On October 26, 1933, it was an honor, at the request of the Worthy Grand Matron, to present commissions as District Deputy Grand Matrons to the following sisters:

Sister Gwendolyn Lightburne, of Jewel Chapter, No. 492, for the 11th District.

Sister Lena Simmerman, of Regina Chapter, No. 41, for the 20th District.

Sister Mona Hutton, of Richmond Chapter, No. 255, for the 23rd District.

Sister Levia Tillery, of Barry Chapter, No. 369, for the 21st District.

These were presented in Harmony Chapter, No. 162, the home Chapter of Sister Minnie Goult, District Deputy Grand Matron of the 22nd District, whose Chapter was honoring her with a reception at that time, she having received her commission at Grand Chapter from the hands of the Worthy Grand Matron.

Jewel Chapter, No. 492, planned to honor Sister Lightburne on November 2, 1933. However, three days before the date fixed for this meeting, Sister Lightburne passed away, and the meeting was held as a memorial in her honor instead of a gala party. The Worthy Grand Patron was requested to deliver the eulogy.

CHAPTER VISITS

In company with the Worthy Grand Matron it was my privilege and pleasure to attend the following Chapters in regular session:

October 13, 1933—Allah, No. 376, St. Louis,
October 13, 1933—George Washington, No. 333, St. Louis,
October 14, 1933—Hope, No. 265, Fenton,
October 19, 1933—Country Club, No. 448, Kansas City,

at which time my home Chapter entertained in honor of the Worthy Grand Patron.

November 17, 1933—Isis Chapter, No. 208, Kansas City,

at which time that Chapter was honoring Sister Jessie Lamb Townsend, Grand Chaplain.

February 27, 1934—York Chapter, No. 249, Kansas City,

at which meeting the Worthy Grand Matron honored my wife by presenting her with a commission as Grand Representative of the Province of Ontario, Canada.

April 26—Harmony Chapter, No. 162, Kansas City,
April 26—Heroine Chapter, No. 301, Kansas City,
June 5—Independence Chapter, No. 329, Independence,

at which time the initiatory work as it was presented 75 years ago was exemplified.

On June 6th Starlight Chapter, No. 453, initiated the daughter of the Worthy Matron. It was an inspiration to have assisted on this occasion by giving the Scriptural readings, with the officiating Patron, the father of the candidate, and the Worthy Matron, her mother, Sister Florence Martin.

Other Chapter visits to regular meetings to the number of 62 to Missouri Chapters were a source of much pleasure and profit.

In visitations throughout the jurisdiction, it has been my endeavor to explain as far as I was able to do so, what my conception of the meaning of our symbols and the lessons they are intended to convey, as well as to correlate the several lectures into the beautiful whole which they present to the true initiate. On several occasions, Chapters have asked that the whole be presented in the form of a formal address. Wherever this lecture has been given, much interest was evinced.

STATE OF THE ORDER

Visits to various Chapters at their regular meetings in scattered districts discloses that there is a general increase in the number of petitions being received—both for initiation and for affiliation. This, coupled with a healthier financial state of the various Chapters, is a very encouraging situation.

During the past few years, acquisitions have been few, members have been unable to meet their obligations to pay the small dues charged, and have either been suspended for non-payment or have taken dimits. This condition now seems to be swinging to the opposite turn of the pendulum, and we may confidently expect to see our rolls increasing instead of diminishing.

This fact is conclusive proof that our Order is truly founded upon those undying principles which are the solid rock upon which all enduring organizations must rest if they are to grow and prosper.

The fact that our altar is the safe repository of the open Holy Bible insures the inculcation of the tenets of the initiatory ceremony so impressively that once experienced it becomes a living part of our being.

Truly this year marks again the upward turn toward a bigger and better future.

MASONIC HOME

The one great charitable activity of our Order is our participation with the Grand Lodge, A. F. & A. M. of Missouri in the support of the Masonic Home at St. Louis. Here we share with our Masonic brethren the practical application of our greatest tenet—Love.

Never in the history of the Home has the demand on its facilities been as heavy as it is today. Applicants who are eligible and sorely in need of the service rendered there, are unable to gain admission because every nook and cranny is housing some guest.

We have a fund of approximately $50,000.00 for the construction of the first cottage for girls to be erected on the new site, which we hope will soon be available. May we not now begin accumulating a fund for the erection of a cottage for boys?

The need is great—the field is ripe for the harvest—our reapers are many—if they co-operate and work as a unit, the burden will be light and the task can be accomplished in a comparatively short time.

Under the efficient management of our Past Grand Patron, Brother Wm. W. Martin, our Home has been recognized by trained social workers as a model of cleanliness, neatness, efficiency and economy of operation, who at the same time compliment the management on these things, but deplore the overcrowding and lack of room for the most satisfactory operating conditions.

If the children can be housed in other quarters as suggested, more of the older guests can be cared for in the existing buildings and more children cared for in the proposed new structures.

He whose Star we follow has said, ''Insomuch as ye do it unto the least of one of these My brethren—ye do it unto Me.'' We can do no greater work than to build character in the lives of the future citizens of our Nation—the children of today.

LITIGATION

On May 19, 1934, Mr. W. F. Woodruff, attorney for the Grand Chapter, in the case of Josephine Myers versus the Grand Chapter, in a suit for alleged damages, filed in 1931, advised that the plaintiff had dismissed her suit.

This information was immediately conveyed to the Worthy Grand Matron.

The work of the Special Committee, appointed to handle this matter, consisting of Brothers John W. Mueller, Past Grand Patron, Byrne Bigger, Past Patron, and William Blain, Past Patron, in bringing about this favorable result, in conjunction with the attorney of record in the case is to be the most highly commended.

FINANCIAL

I have expended in excess of the amount allowed, with a full knowledge that it was not provided in the budget and therefore no claim is made for reimbursement. Following are the principal items of expense:

Miles traveled by automobile, 5,818 @ 5c per mile	$290.90
Railroad fare paid	34.95
Pullman fare paid	7.50

Meals	24.50
Tips and gratuities	3.65
Postage, telegraph, telephone and stenographer	42.20
Total	$420.20

RECOMMENDATIONS

In traveling over the State it has been my keenest interest to meet with the officers and members of the several Chapters and to ascertain as far as possible, those things which make for the upbuilding and strengthening of the Order. Several matters seemed to be outstanding and in my opinion, with proper legislation by the Grand Chapter a greater interest in our ceremonies may be brought about.

First—Dues. It is the practice to place in the general fund of the Chapters the entire receipts from membership dues. As a strictly business proposition, this is faulty practice, inasmuch as the Grand Chapter fixes the assessment of a per capita tax, which is the first claim on the dues paid by the members. For several years some Chapters have found it difficult to meet their obligation to the Grand Chapter in the payment of per capita tax because the expenditure of the general fund has exceeded the amount actually belonging to the subordinate Chapter.

I therefore recommend that the Jurisprudence Committee prepare proper legislation so that the secretaries of the several Chapters be required to keep in a separate account the amount of per capita tax collected from each member as a trust fund, due the Grand Chapter, and payable with the next annual report after the collection of the dues.

Second—Flag Ceremony. There seems to be a general consensus of opinion that this ceremony consumes an unnecessary amount of time and may be considerably curtailed without in any way detracting from the solemnity of the ceremony, or in making it less impressive. In addition there is an error in the manner of carrying the flag, which should be corrected to accord with the flag ceremony prescribed in the National Flag Code.

I therefore recommend that the committee in charge of the Blue Book be instructed to prepare amendments to the present ceremony, which will make effective this recommendation.

Third—The Associate Patron at the present time has no active part in the ceremonies unless called upon to assume the station of Worthy Patron.

I recommend that our delegates to General Grand Chapter be instructed to confer with the Ritual Committee of that body to the end that the Scriptural readings in the initiatory ceremony may be made obligatory and assigned to the Associate Patron, and that the Associate Patron either announce the result of his inspection of the ballot box, or that he be not offered the ballot box for inspection. The reason obvious.

Fourth—At the last session of this Grand Chapter an endowment fund to be raised by voluntary subscription of members for the purpose of providing scholarships for members of the Masonic Home was established. No means of collecting this fund by a concerted effort was provided.

I recommend that the attention of the members be called to this fund, its purpose explained, and a request for contributions be made. As a test of what can be done, it was suggested to some of the Chapters in the 59th District that a contribution of ten cents per member would raise the amount necessary for one scholarship in a year's time. Some of these Chapters have adopted this plan and the contributions have exceeded the average suggested. It is my opinion that if the membership is made acquainted with this opportunity to serve, they will respond most generously.

SUPPLEMENTARY REPORT

As an addition to the report required by the Grand Chapter law I desire to add the activities of an official nature since the close of that document.

In company with the Worthy Grand Matron I visited Westport Chapter on September 20, at which time the present Worthy Matron (who is President of the 1934 Matrons and Patrons Club of the 22nd District), was presented with a Commission as Grand Representative of Maryland by the Worthy Grand Matron.

On the next evening the Worthy Grand Matron and Worthy Grand Patron were guests of honor at William F. Kuhn Chapter.

On September 27 I visited the home Chapter of the Worthy Grand Patron of Kansas, Dr. Douglass Meredith, Hyacinth Chapter, Kansas City, Kansas.

The last visit which I was privileged to make was Loyalty Chapter, North Kansas City. It was in Loyalty Chapter that I performed my first official duty as a Grand Officer, having served as Grand Sentinel at the constitution of this Chapter on the evening following the installation in 1931, and the last visit which I made was to this same Chapter where I was asked by the Worthy Matron to dedicate a complete new set of furniture for the Chapter. There being no set ceremony, with the use of flowers, this ceremony was improvised. At the time of the constitution the introductions were made by the then Marshal, Sister Doris Patton, who this year is Worthy Matron of the Chapter. About two hundred guests were present.

In addition to these visits thirteen other visits were made which brings the total of all visits, including all purely Eastern Star gatherings whether social, official or regular Chapter meetings, to two hundred and sixteen.

In visits out of the city in addition to mileage reported, I have traveled 646 miles by automobile.

In closing may I quote the following from the pen of Elbert Hubbard, "To have worked is to have succeeded—we leave the results to time. Life is too short to gather the Harvest—we can only sow."

ACKNOWLEDGMENTS

To the Membership at Large: You have been more than kind. The courtesies shown me during the past year are so outstanding that one lifetime is not long enough in which to properly acknowledge them.

To the Worthy Grand Matron: You have indeed been the head of the Order in every sense of the word. You have given to its service your time, your talents and ofttimes have gone beyond any reasonable expectation in the service which the office demands. For your courtesies and your kindnesses I extend thanks and appreciation.

To the Grand Secretary, Sister Peabody: You have been the guard in the tower, always alert and watchful, that the interests of the Order may not suffer. You have been kindness and courtesy personified, and may we interpret the letters carved in the marble above your door as "Our Efficient Secretary, a Priceless Pearl".

To Our Grand Lecturer, Sister Page: It has been my pleasure to sit at the feet of the Grand Lecturer and to learn the beauties of the ritual. Each rendition brings a new facet of light and a deeper understanding of the truths which the lectures and ceremonies are designed to inculcate.

Inspired by these lessons and with a desire to know more of the inner teachings of the ritual of the Order, it was my pleasure to delve deeply, and as a result the beautiful picture of the Order's teachings was unfolded, and it has been my pleasure through these teachings to carry to many of the Chapters a truer meaning of our ritual.

To the Grand Officers: You have been in truth and in fact, GRAND Officers. You have upheld the dignity of positions to which you were elected or appointed. You have been helpmeets in every instance, and the friendships formed in the circle of the Grand family are such that only the call to the Great Beyond can sever them.

To the District Deputy Grand Matrons: Words are inadequate to properly express appreciation of the service you have rendered to the Order, and for the courtesies you have extended to the Grand Officers. As the years go by and the snows of life's winter touch woman's crowning glory, and the pencil of time traces the lines of care, may the memory of this service which you have rendered to the Order this year be one of the outstanding incidents of your life.

To the Officers and Members of the 22nd, 59th and 9th Districts: Possibly because the office of Worthy Grand Patron has not been located in the 22nd District for 19 years previous to my incumbency, the district has been more than kind in the many honors which they have conferred upon me, and I publicly acknowledge my deep debt of gratitude to the various Chapters, clubs and the membership at large of these home districts.

My own Chapter, Country Club Chapter, No. 448, has seen fit to hold receptions and special meetings in my honor. I consider the honor belongs to the Chapter, for it was through their suffrage that it was possible for me to hold the higher office. All of these honors, kindnesses and courtesies I do not take as personal, but instead as a recognition of the office.

I have been privileged to visit in many sections of this great State, to form many new acquaintances and to learn the lesson of fraternity in a broader and deeper way. It has been a pleasure to devote every moment of time possible to the service of the Order, for in thus giving I have received many fold in return, but it would not have been possible for me to have carried on had it not been for the earnest and active support of my wife, who in season and out of season has been my constant companion on all of my trips. No matter what the weather, what hardship a journey involved, what personal discomfort, or what particular plans had to be sacrificed, she cheerfully and willingly gave up all personal things in order that she, too, might help in the service for which we are banded.

I will not attempt to in the least measure express through this means my obligation to her. She has made possible a fuller service and if there has been any good accomplished during the past year, I trust that a full measure heaped up and running over may be hers to recompense for the sacrifice she has made.

In closing this report, I wish to do so with a pledge of continuing service. We are told that with honors come responsibilities. I appreciate that I am deeply indebted to the Order as a whole, and individually to its members. The debt can only be paid through an earnest and sincere service. I realize that I have followed a line of very illustrious men who have been my predecessors. They have been true builders, and have left records which I have tried to emulate. If any small measure of success has come through the small service I have been able to render, it has been because just under the Star of the East I have seen the light of the myriad of lesser stars—the stars of those who have served this order in the past, and whose light still shines to guide those who follow.

As we plan for next year may I quote Daniel H. Burnham, "Make no little plans; they have no magic to stir men's blood, and probably themselves will not be realized. Make big plans; aim high in hope and work, remembering that a noble, logical diagram once recorded will never die, but long after we are gone will be a living thing, asserting itself with ever growing intensity. Remember that our sons and grandsons are going to do things that would stagger us. Let our watchword be order, and our beacon service."

Fraternally submitted,

HUBERT H. MATHONET,

Worthy Grand Patron.

MRS. EMMA MATHONET
Grand Representative—Ontario
Wife of the Worthy Grand Patron

PRESENTATIONS

The Grand Secretary presented to Sister Alta L. Tate, Past Grand Matron, Secretary of the Masonic Home Advisory Board, a check for $100.00 which had been given by Brother Hubert H. Mathonet, Worthy Grand Patron and his wife, Sister Emma L. Mathonet, as a nucleus for a fund for a cottage for boys. This fund to be known as the Hubert H. and Emma L. Mathonet donation.

Sister Edith Hatton, Grand Ruth, presented $5.00 for the above mentioned fund in honor of her son Vernon, deceased.

Sister Tate expressed appreciation for these gifts.

Report of Grand Secretary

Sister Pearl E. Peabody, Grand Secretary, read the following report, which was referred to the Committee on Distribution:

To the Worthy Grand Matron, Worthy Grand Patron, Officers and Members of the Grand Chapter, Order of the Eastern Star of Missouri:

"To Him who has kept me day by day,
To Him who has led me all the way,
To Him who has shared my every care,
To Him who has answered every prayer,
To Him who has silvered every cloud,
To Him I now would cry aloud
My thanks, Oh God, to Thee."

Swiftly the days have passed, and the gates of time, swinging between the pillars of Eternity, are closing upon another Grand Chapter Year. Its history has been written and soon there will remain only a memory.

Memory, pleasant to me because of the delightful associations with the members of this Great Order and because of the enjoyable service it has been my privilege to render.

To each task I have given my fullest devotion, appreciating always that it is because of your continued confidence, my Sisters and Brothers, that I am permitted to serve as your Grand Secretary.

IN MEMORIAM

''Life has its sunshine and its shadows.''

In the joy of this reunion and in the midst of our happiness there is a feeling of sadness as we are reminded of those who have passed through the labyrinth of this earthly life to their eternal home.

As we bid adieu and Godspeed to the retiring officers, who have served efficiently and well, and welcome the new ones with their clearly wrought-out plans, we have a feeling of satisfaction, realizing that our work is worthwhile and that God will bless and prosper us, insofar, as we keep close to His holy teachings, upon which the Order of the Eastern Star is founded.

LETTER AND PROCLAMATION FROM GENERAL GRAND CHAPTER

The following letter and proclamation were received from General Grand Chapter:

INTERNATIONAL EASTERN STAR TEMPLE COMMITTEE GENERAL GRAND CHAPTER ORDER OF THE EASTERN STAR

Established November, 1876

Washington, D. C., December 15, 1933.

Dear Sisters and Brothers:

At the beginning of the New Year we should each of us be interested in some good work for the advancement of our Order.

What better work to perpetuate the principles of our Eastern Star than to again take up the slogan, "BUILD THE TEMPLE"?

Will you, Grand Matron and Grand Patron, make a request of the membership in your Grand Jurisdiction, that each member, individually, give a small sum for this purpose?

Your influence will give the necessary impetus to carry out the plan.

A small contribution from each member will make it universal with each a part builder and part owner.

A "bit" from each one added to our Building Fund of over $300,000.00 will make it possible to erect our Temple and make it serve as a tangible evidence of our intentions to carry out the Divine plan of Brotherhood.

Let us stand united in this plan, shoulder to shoulder, each giving One Dollar, or a part of One Dollar, so that when November, 1934, with all its hopes and possibilities, shall be ushered in, we shall have great reason to rejoice as we bring to our Twenty-first Triennial Assembly the fruits of our harvest, sufficient to "BUILD THE TEMPLE".

Several Grand Chapters and several Chapters in many Grand Jurisdictions have contributed 100 per cent. The chairman of this Temple Committee have each labored unselfishly since 1922. Now let us show what concerted effort on the part of the members of the Eastern Star can accomplish and "BUILD THE TEMPLE".

MILDRED SCHANBACHER,
Most Worthy Grand Matron.

(Seal)

JOHN HAMMILL,
Most Worthy Grand Patron.

CHARLES H. TOWNSEND, Chairman,
International Temple Committee.

Attest:
MINNIE E. KEYES,
Right Worthy Grand Secretary.

GENERAL GRAND CHAPTER
ORDER OF THE EASTERN STAR

PROCLAMATION

WHEREAS, By a Resolution adopted by the General Grand Chapter at the Triennial Assembly held in the City of Washington, in November, 1922, the delegates committed the Order of the Eastern Star to the construction of an International Eastern Star Temple in the Capital of our Nation, such Temple to contain offices for the Most Worthy Grand Matron, Right Worthy Grand Secretary and other General Grand Chapter officers, also libraries and archives for safekeeping of records and valuable relics to be placed there by Grand Chapters and members of the Order, together with such rooms as may be necessary to carry on the business of the General Grand Chapter; therefore, be it

RESOLVED, That we justify the faith of those pioneers who founded the Order of the Eastern Star and who organized the General Grand Chapter in November, 1876, by striving for greater accomplishments in the work of the Order.

That we join together as individual members of the Eastern Star in the building of the proposed Temple by each contributing ONE HUNDRED CENTS to that fund, so that each may be part builder of this Temple which shall stand as tangible evidence of our intentions to further promote the great principles which are the foundation of our Order.

That the year 1934 be designated as INTERNATIONAL EASTERN STAR TEMPLE YEAR, that we may bring to a successful culmination our cherished plan.

That our entire membership stand shoulder to shoulder for our slogan, "BUILD THE TEMPLE", so that our cause may be advanced and we may indeed be one fraternal family not only in spirit, but in example in the "work we strive to do", and

That when the year, with all its hopes and possibilities, shall be ushered in we shall have reason for rejoicing as we bring to our TWENTY-FIRST TRIENNIAL ASSEMBLY the fruits of our harvest, sufficient to "BUILD THE TEMPLE".

It can be done, and may we be assured that, with the co-operation of each of our members, it will be done.

Sincerely and fraternally,
MRS. MILDRED K. SCHANBACHER,
Most Worthy Grand Matron.
(Seal) JOHN HAMMILL,
Most Worthy Grand Patron.
CHARLES M. TOWNSEND, Chairman,
International Temple Committee.

Attest:
MRS. MINNIE E. KEYES,
Right Worthy Grand Secretary.

CHAPTER RETURNS

The Annual Reports show a great loss in membership for the year 1933, due I feel sure, to financial and economic conditions. I trust that we will soon be on the upward trend and that many who have discontinued their membership, for the time being, will soon return to our fold.

Although the usual letters and notices were mailed to the Secretaries urging each to send their Report on time, I must report five Chapters delinquent:

I have visited the Masonic Home upon several occasions during the year and have derived much pleasure therefrom. Each visit has sent me on my way rejoicing because of the fact that the members of the Eastern Star are permitted to share with the Masonic Brothers the responsibilities of the noble work they are doing.

One's heart thrills with pride at the wonderful results being accomplished by the efficient Superintendent, Brother Martin and his able assistants, Sisters Waller and McCue.

O. E. S. BOARD OF RELIEF

Matters, pertaining to the work of the O. E. S. Board of Relief, have been referred to its officers and have received prompt attention.

BUDGET SYSTEM

After working several years under the Budget System I am pleased to be able to report that the system has proved most helpful and beneficial in the management of the financial affairs of the office.

While our expenses exceeded our income this year by $629.20, with the budget as a guide, we operated on $2,174.77 less than its meager calculations set forth.

Naturally the largest item of expense is printing.

It has been my policy at all times to require bids on all this work which involves an appreciable sum of expenditure and I am happy to report to this Grand Chapter that the cost of printing has been reduced each year I have served as your Grand Secretary, until the present year's cost of a normal supply (Proceedings included), was $2,687.53.

In consideration of the bids received, all things being equal, I have at all times favored members of our Order.

APPRECIATION

Certain it is that words, however, effective they may be, as a medium of expression, ofttimes fall short of adequately conveying the deepest feelings of the human heart.

I am deeply conscious of the responsibility that is mine and always endeavor to show my appreciation of the honor which you have bestowed upon me by giving to my work my every thought, my time and my strength and I sincerely trust that you have not been disappointed in my efforts.

To the Sisters and Brothers of the Grand Jurisdiction who have made it possible for me to enjoy this honor and whose generosity, hospitality and kindness have been so lavishly bestowed upon me, I tender my sincere and grateful thanks.

To our Worthy Grand Matron, Sister Green:

I cannot express in words my admiration and esteem for you. Never has a Worthy Grand Matron been more interested in the welfare of our Order. You have labored earnestly and untiringly and because of your courage, ambition and steadfastness of purpose have made the year a period of progress and achievement. You have acquitted yourself with credit upon all occasions and too much praise cannot be spoken in behalf of your efforts.

Your visits to the Chapters have given inspiration for better work and your influence with the members has increased their love for the Order and broadened and enriched their lives.

I shall ever treasure the memory of this pleasant year's service with you and pray that God's richest blessings may rest upon you and your splendid family.

To our Worthy Grand Patron, Brother Mathonet:

When this Grand Chapter reached into Country Club Chapter, No. 448, and selected one of its favorite sons for

Worthy Grand Patron, it made no mistake in its choice. Possessing an analytical, logical and inductive mind you are well qualified to fill the high position to which you were elected, and you have discharged your duties with honor, dignity and distinction.

I am grateful for your unfailing courtesies, your kindnesses and your ever ready willingness to assist me. May the best there is in life ever come to you and to your good wife.

To our Grand Lecturer, Sister Page:

To know you is to love you. Always kind, courteous, considerate, efficient, and helpful. I have appreciated the privilege of close contact with you and—

Dear friend of mine, I often think
And wonder if you know
Just what your friendship means to me
Through days that come and go.
Your handclasp true when skies were dark,
Your faith so deep and strong,
That made the shadows quickly flee
And brought blue skies along.
And in return, if all the things
I'm wishing could come true
They would not be half good enough
For such a friend as you.

To our Grand Treasurer, Sister Walker:

As a co-worker you are all one could wish for, and I extend to you my personal gratitude for your hearty co-operation throughout the years we have worked together.

To All Other Grand Officers:

I desire to thank you collectively for the pleasures I have enjoyed with you. You have truly helped to make the pathway of duty a pleasant one and the memory of our associations this year will be delightful. No wish that I could make would be fine enough for you but the one I would ask for myself is that we remain the same good friends until life for us is no more.

To My Faithful Band of Secretaries:

You have noted in proper order the business of the meetings, collected the money due the Chapter (a difficult task, indeed, the past two years), and performed well such other duties as properly belong to your office. For your loyalty and co-operation I sincerely thank you.

"Hail the Secretary, staunch and true,
Who's always on hand when there's work to do.
Who keeps a supply of love and cheer
For all the folks throughout the year.
Who knows that a gentle loving smile
Is the best of tonics for all the while.
Hail the Secretary, staunch and true,
I sincerely adore each one of you."

CONCLUSION

My work for another year is finished and it is hoped that the record will meet with your approval. It has been my constant endeavor and my keen desire, at all times, to promote the best interests of the Order, and I have guarded with scrupulous fidelity the trust with which you invested me.

Enshrined in the inner sanctuary of my heart are precious memories, not only the gleanings of this year but those which have been garnered from day to day throughout my years of membership.

My interest in our Order will never wane, and it shall ever be my aim to encourage peace and goodwill among our members.

As we face the future may we have increased faith in our high mission and courage to stand for all that is noble and good.

"Let us be ever eager for deeds that are kind,
Ready to help, to heal or to bind;
Let our feet never tire by night or by day,
Of helping God's weaker ones over life's way.
In the depths of our eyes, let there linger a smile,
Seeing through love only good things worth while;
Hearts ever ready with comfort for others,
Let these be our service, always to each other."

Lovingly and fraternally,

PEARL E. PEABODY,
Grand Secretary.

Report of the President of the Scholarship Fund Board

Sister Annie Lee Smith, Past Grand Matron, read her report, which was referred to the Committee on Distribution:

Worthy Grand Matron, Worthy Grand Patron, Officers and Members of the Grand Chapter, Order of the Eastern Star of Missouri:

So rapidly has passed the time since the establishment of the O. E. S. Scholarship Loan Fund with its ever widening influence for good, that you may be surprised to know this the ninth annual report which I, as president of the Board, am submitting for your consideration.

The promoters of the Loan Fund were people of vision and their ideals are becoming more and more apparent through the medium of higher education for the daughters of our members. Education is no longer a luxury but a necessity to meet the problems of the changing times. It is a joy to report that some of "our girls" are occupying places of trust and responsibility open to those only who are prepared to fill them.

Locke says: "I think we may assert that in a hundred men there are more than ninety who are what they are—good or bad, useful or pernicious to society—from the instruction they have received." With the Fund it is our privilege to help disseminate the proper instruction.

Youth is on the march, and the greatest need today is for intelligent, right-thinking young people to lead the way. Often when we open the daily papers we stand aghast at the accounts of vice, crime and poverty. Quoting from a reliable report we find "statistics show that nine-tenths of the vice and crime can be traced to the door of the uneducated, and those who are not living under Christian influences."

Brand Whitlock says: "If we had a world made up of people possessing education and culture, we would soon do away with the causes of involuntary poverty, and to do away with involuntary poverty would mean to do away with all the vice and crime in the world." This is a broad statement and, if true, places a great responsibility upon this generation to help the younger one cultivate its powers through education and culture.

The young women of college age today, without the means of acquiring the necessary preparation for a life of service in the highest sense, are facing a difficult situation, and only the help of a friend or a fund, such as we have, can give them the opportunity to realize their hopes and make their dreams come true.

Letters received from the girls, and sometimes from the parents, as well, expressing gratitude for the help and telling the story of how impossible it would have been to complete their school work without the help from the O. E. S. Fund, make the Board, and those in close touch with the work, feel that our Order is having a vital part in the advancement of civilization.

Generally speaking, the young women who borrow from the Fund are ambitious to rise to a higher level in the present-day world than the ordinary hum-drum existence. Often they sacrifice much to make the allowance cover most of their actual needs and help themselves in every way possible with outside work. We think we have a fine group of girls using the fund at the present time. Experience has taught many lessons to the members of the Board and it will be their earnest endeavor to keep the standard high.

Sincere thanks are due the Worthy Matrons of Chapters which have co-operated so efficiently in assisting the Board in securing the information necessary to be on file before an application can be acted upon. The committees appointed will be most helpful to both the girls and the Board if they take their duties seriously.

The problems arising often are varied and great. All girls when they request a loan plan to repay promptly, but sometimes one will defer her repayments because she desires to use the money for herself, to pay off another debt made after borrowing from our Fund, or, perhaps, to help other members of her family. We have found as the debt grows older, the responsibility toward it seems to wane. Repeated reminders are irksome. It is exceedingly unpleasant to deal with those who seem to think, after a year or so, that in their particular case the loan should be a gift. We are grateful that so few have taken their obligations lightly. While our Fund is, in a way, a philanthrophy, when it comes to collections, we have no choice in the matter. We have hesitated to place notes out for collection on account of the embarrassment and perhaps the loss of position that might follow such a procedure and, with even more patience than the sainted Job, we are endeavoring to have the girls make good, not only for the sake of the Fund which is always needed to help others, but also to preserve their own self-respect.

Since the beginning of this work thirty-three have been beneficiaries of the Fund, not including the girls from the Masonic Home, to whom you have made direct gifts. Seven have made full repayment with interest. Four of these have been made during the past year which has been most heartening in the midst of depression, drouth, etc. One young lady finished her work in Oberlin College in June, 1933, and within one year repaid the entire amount of $800.00 with interest. Oberlin College, you remember, was the first school of higher learning that opened its doors to women just one hundred years ago.

Thirteen have made repayments of varying amounts during the past year. Eight have not made any material response,. but four of these have definitely promised to begin payments as soon as possible. Two have reduced their notes in past years to very small amounts and will probably take them up in the near future. Three completed the school work last June which they planned when asking for the loan, and are earnestly seeking positions. One, unable to secure a paying position, decided to continue her school work and applied for an additional loan. One new girl has been added to the number and applications are being made by several who failed to get their papers in shape to be acted upon before the close of the fiscal year.

The recommendation of the Worthy Grand Matron last year, approved by the Finance Committee, that an Endowment Fund be created by contributions from the Chapters for the purpose of giving the children of the Masonic Home the advantages of higher education, was heartily endorsed by your Board. Inasmuch as the Chapters have been unable to contribute generously during the year, owing, no doubt, to the uncertainty of the times rather than indifference to the cause, the Board respectfully asks a contribution from this Grand Chapter of $500.00 to this fund, that it may be speeded up to the point of becoming active in the work within a few years.

Fraternally submitted,

ANNIE LEE SMITH,

President of the O. E. S. Scholarship Board.

Report of the Treasurer of the Scholarship Fund Board

Sister Hazel Reppert, Treasurer, read her report, which was referred to the Committee on Distribution:

Worthy Grand Matron, Worthy Grand Patron, Grand Officers and Members of the Grand Chapter, Order of the Eastern Star of Missouri:

A cheering note has come to the members of this board in that I am able to report that our financial status is much better than it was a year ago, due to the fact that we have had better repayments on our outstanding loans. This indicates the desire of the girls to keep the fund in use so that other girls may benefit from it. So it is a pleasure to present this report believing that it will merit your approval.

Report of Grand Lecturer

Sister Nelle Page, Grand Lecturer, read her report, which was referred to the Committee on Distribution:

To the Worthy Grand Matron, Worthy Grand Patron, Other Grand Officers and Members of the Grand Chapter of the Order of the Eastern Star of Missouri:

Again we have gathered from all sections of the state, as representatives of our respective Chapters, to review the work of the year now fast drawing to a close, and to lay plans for the future.

As we enter upon these deliberations let us humbly ask for Divine guidance to recognize and profit by any mistakes that may have been made. Unfortunately our mistakes cannot be nullified, but they can and should be made to serve as danger signals to steer us clear of like errors in the future.

To this clearing house I come with my annual report. It is a source of satisfaction to me that I am able to state that the sixty District Schools the law specifies I shall hold were held according to the original plans. No change was made necessary either because of illness or inclement weather, though the latter did materially affect the attendance at a few of them. The 11th, 15th and 22nd Districts were especially unfortunate as to weather. Here we encountered the worst blizzards of the winter, and it took stout hearts and very loyal members to brave the storm. However, be it said to the credit of these fine folks, all were splendid schools. All Chapters were represented in the 22nd (Kansas City) District.

The 11th and 15th Districts were not so fortunate, for there the bitter cold, ice and snow and the distance necessary to be traveled against such odds prevented six good little Chapters from having representation. Later on I was in touch with four of the six, and tried to give them what assistance they needed. I made an attempt to contact the other two, but at the last minute circumstances over which I had no control made it impossible for me to carry out my plans.

The Worthy Grand Matron attended 38 of the schools and called each to order. At the afternoon session she gave a very complete resume of the law, and in the evening she addressed the school on the lessons, purposes and opportunities of the Order of the Eastern Star, and the responsibility of its members. Her attendance at these schools was much appreciated by the districts.

All of the District Deputies were in attendance at their respective schools. Not only this, each gave unstintedly of her time and strength to make these a success; and much credit is due them for what was accomplished.

The following is a list of the District Schools with a summary of the attendance at each:

January 22, for District 2, in Kirksville. Chapters represented, 5; attendance, 200.

January 23, for District 14, in Macon. Chapters represented, 11; attendance, 204.

January 24, for District 27, in Mexico. Chapters represented, 6; attendance, 103.

January 25, for District 28, in New Florence. Chapters represented, 6; attendance, 113.

January 26, for District 30, in St. Charles. Chapters represented, 5; attendance, 90.

January 28, for District 57, in Maplewood. Chapters represented, 15; attendance, 387.

January 30, for District 33, Section A, in St. Louis. Chapters represented, 24; attendance, 565.

January 31, for District 33, Section B, in St. Louis. Chapters represented, 24; attendance, 571.

February 2, for District 31, in Jefferson City. Chapters represented, 8; attendance, 199.

February 3, for District 26, in Columbia. Chapters represented, 6; attendance, 191.

February 5, for District 25, in Boonville. Chapters represented, 7; attendance, 105.

February 6, for District 18, in Moberly. Chapters represented, 7; attendance, 183.

February 14, for District 5, in Bethany. Chapters represented, 4; attendance, 98.

OTHER VISITS

My list of Chapter visits is never a very long one, for I have not felt justified in spending much of the Grand Chapter money in attending social functions where I could contribute nothing of benefit to the Chapters represented. Neither have I felt it necessary to visit Chapters instructed in the schools unless there was some evidence of a need of added help. It has been my desire to go to those that missed the schools, and to those I knew were struggling for existence and do my bit for them.

This ambition has only been realized to a very limited degree and I assure you my disappointment is keener than anyone else could possibly feel. Soon after the last school was held, I was taken very ill, and this illness continued until well through the vacation period. While the terrific heat materially retarded my recovery, it doubtless served to take away any feeling of disappointment some might otherwise have felt that these intended visits could not be made.

I am sorry that I cannot list more visits to Chapters. Still, when I tell you that of the 530 Chapters in the State I have been in contact with and given help to representatives of all but 19, the record of accomplishment is not so bad.

The following is a list of the visits made:

1933-1934.

June 5. Wayland, No. 469, Wayland.
September 20. Unity, No. 151, Canton.
September 27. Kahoka, No. 40, Kahoka.

The only Chapters in the State with which I have had no contact are:

Polo, No. 42; Rothville, No. 49; Astra, No. 78; Elmo, No. 95; Ravanna, No. 174; Conway, No. 187; Defiance, No. 224; Seligman, No. 232; Alberta, No. 246; Dorcas, No. 250; Lesterville, No. 273; Parnell, No. 281; Garnet, No. 283; Garland, No. 287; Ray, No. 314; St. Marys, No. 338; Blairstown, No. 486; Hollister, No. 504 and Sapphire, No. 536.

INSTALLATIONS

I had the honor and the extreme pleasure of installing the officers in the following splendid Chapters:

Rutledge, No. 343, on December 26.
Monticello, No. 383, on January 2.
Unity, No. 151, January 4.
Montgomery, No. 388, on January 9.
Hannibal, No. 94, on January 11.

Having been so closely associated with these Chapters in the past and holding the members in the high esteem I do, each occasion was like a homecoming to me, and was appreciated and enjoyed to the fullest extent.

CONDITION OF THE WORK

This is a big subject to be covered in a short space. In no two Chapters are conditions quite the same. With 530 Chapters in the State it evidently is impossible to make a report on each one. The best I can do is to speak of general conditions and then call attention to any case requiring special mention. However, I know of none that I feel should be singled out and reported to you.

While it is true that I have found some work not up to the standard we desire, and while it is equally true that we have officers not as interested or efficient as they should be, it is gratifying to find most of the Chapters and officers doing work that is highly commendable.

In arranging for my schools I did so with a full consciousness of the reverses suffered by many Chapters in loss of members and of funds, and with a desire not to make them a burden in any way. All I asked was that as many attend as possibly could do so, and that they do good work.

I have never looked upon the schools as social functions. These are business meetings required by our law, and my ambition has been and always will be so long as I am Grand Lecturer to make them a real benefit and not a hardship to anyone.

The response to my request far exceeded my expectations, and the work done was the equal of any in former years when the members did not have so many distressing things to absorb their interests and take up their time.

I can truthfully say that I was well satisfied with the schools and the work exemplified therein, and I shall always be grateful for the loyal co-operation I have had.

RECOMMENDATIONS

I recommend the following amendments to the Book of Special Instructions for Subordinate Chapters:

Page 2, paragraph 8. After the words, "Worthy Patron" in the first line add, "and Associate Patron" so when amended the paragraph shall read, "In the absence of the Worthy Patron and Associate Patron any brother in good standing may be appointed Worthy Patron pro tem to act in his stead, except when the ballot is being spread, then the brother acting Worthy Patron must be a member of the Chapter."

Page 3, after paragraph 4. Add the following new paragraph: "If the officers enter in single file from the two rooms, the line led by the Conductress shall enter from the anteroom. The Associate Conductress shall go to that door and invite them to enter, after which she shall cross the room to the preparation room door and take her place at the head of her line."

Page 7, paragraph 1. Place a period and quotation marks after the word "visitor" in line 8, and substitute for the remainder of the paragraph the following: "When the members of the committee have complied with this request, which they do by taking position in a line with the visitor, facing in the same direction, the chairman directly on her right, the Worthy Matron shall continue, 'Sister Marshal, you will escort the visitor and committee to the Preparation Room.'"

"The Marshal shall approach the visitor, courteously bow, offer her right arm, and escort her to the Preparation Room door, opening the door for her and the committee, who having followed in single file, to retire through it. After this the Marshal shall return to her station."

Page 15, after paragraph 1, add a new paragraph to read as follows:

"Should the ballot be a collective one on petitions for the degrees and for affiliation, the Worthy Matron shall make this statement: 'Sisters and Brothers, we are about to ballot upon the petitions of .... to receive the degrees in, and Sister (or Brother) .... to become a member of our Chapter. The committees have reported favorably (or unfavorably, as the case may be); the white balls elect, the black cubes reject. Be careful that you make no mistake and that you vote for the good of the Order."

Page 18, paragraph 4. Strike out the words "passes south to the point of entrance" in lines 3 and 4, and the words "as before" in lines 4 and 5, and substitute the word "west" for the words "Associate Matron" in lines 9 and 10, so when amended the paragraph will read: "When she has been instructed to bear the ballot west, the Associate Conductress turns and enters the Labyrinth, secures the ballot box and leaves the Labyrinth of the Star on an angle between the points of Esther and Martha, turns to the left, and advances to the back of Esther's station, then to the

West, places the ballot box upon the pedestal, faces the north, and steps two steps backward, turns and faces East, remaining in that position until she has been instructed to bear the ballot to the East." (Ritual, page 8.)

After this add the following new paragraph: When the Associate Matron has inspected the ballot, she passes it to the Associate Patron, who inspects it and returns it to her. She does not replace the ballot box on the pedestal, but stands holding it until the Associate Conductress is facing west to receive it from her. The Associate Patron stands with the Associate Matron until the Associate Conductress turns with the ballot box to bear it to the East, when both are seated.

Page. 20. Substitute the number 50 for the number 51 in line 11 of paragraph 3, and in line 3 of paragraph 5.

Page 21, line 5. Substitute the numbers 70 and 71 for the number 72.

Page 21, paragraph 7. Strike out the words, "pages 74 and 75" and substitute therefor, "pages 73 and 74."

Page 21, paragraph 8, first line. Substitute the number 75 for the number 77.

Page 21, last paragraph. Strike out and substitute therefor the following:

"Ritual, page 82. The Conductress escorts the candidates one by one to the Secretary's desk, leaving each to sign while she returns with the one who has just signed, for the next one. In escorting them to the desk she passes in front of those who have not signed, and the Associate Conductress. In returning them to the line she passes back of it. When all have signed the by-laws, the Conductress and candidates turn to the left and leave the East, passing down on the south side of the room and across the west to the Preparation Room, or on back to the East as the case may be. (See Ritual, pages 82 and 83.) Remember—do not countermarch in returning to the foot of the dais in the East."

Page 24, paragraph 4. Strike out the number 34 in the last line, and substitute therefor the number 33.

It will be noted that many of the changes I have proposed are necessary to conform with the Ritual. Some are for the purpose of giving a better explanation of the work as it is now being taught. I hope all will be helpful.

SUPPLEMENTARY REPORT

This part of my report consists of a financial statement.

As in former years I have tried to be just as cautious in the expenditure of the money set aside by Grand Chapter to defray my expenses as I have always been in using my own funds.

Having covered the state many times, I have learned how much can be saved by planning the work so as not to retrace my steps again and again. Of course, to so plan a year's activities requires much time and effort, but I have been happy to give both in an endeavor to save as much as possible and still give the efficient service you have a right to expect.

However, it would not have been possible for me to return to you the substantial sum I am returning out of my allowance had it not been for the generous hospitality and many courtesies extended to me by the subordinate Chapters and their members, and for the further fact that my sickness curtailed some of the plans I had made for the latter part of the year.

Still, I am thankful that all of the necessary work was finished before this came upon me, and that I was only forced to forego the pleasure of a few visits.

I have furnished to the Finance Committee an itemized statement of my expenditures which has been duly approved by the Worthy Grand Matron. I now submit to you the following brief financial statement:

	Dr.	Cr.
To amount received from Grand Treasurer	$700.00	
By amount for traveling expenses		$126.53
By amount for hotel and meals		261.55
By amount for postage		22.70
By amount for taxi		12.25
By amount for tips and incidentals		10.60
By amount for telephone and telegrams		8.70
By amount for stenographic service for the year		14.75
By balance returned to Grand Secretary		242.92
	$700.00	$700.00

CONCLUSION

This is always the hardest part of my report for me to write. The proverb says that "Out of the fullness of the heart the mouth speaketh," but I do not find it applies in my case. Rather I find myself so torn with varied emotions, and so overwhelmed with happy memories of my association with so many fine members of this great fraternity and the loving, loyal co-operation they have given to me, that my feeling is one of helplessness. I am conscious of the fact that time is inadequate, and my vocabulary far too limited for me to be able to express to you one-half of all I feel.

Each year I have served you I entered upon my duties with the ambition to make that service more helpful than ever before, and to lay at your feet at the end of the year more sheaves than I had been able to garner in any preceding year. It is the only way I have of proving to you my realization of the seriousness of the obligation I took when inducted into my office, and of repaying you in a small measure for the confidence you have reposed in me and for kindnesses far too numerous to mention, but not too numerous to be held in grateful remembrance. That ambition has been uppermost in my thoughts throughout this year. Of how helpful I have been, you are to be the judges. I can only hope for your approval.

Knowing you as I do, I am sure you realize that the visits I had planned for the last of June could not be made, and I suspect you feel that with the temperature soaring well above 100°, not much would have been gained had I been able to make them. Nevertheless, that has been a source of grief to me.

And now we come to the parting of the ways. Soon we shall cross the threshold of a new Grand Chapter year. Ere we do so I would like to address a few personal words to those who have been my co-workers for the past twelve months.

Worthy Grand Matron and Worthy Grand Patron: I am indebted to each of you for many courtesies extended to me throughout this year and other years we have been associated in this work, and especially for your gracious hospitality when I have been in your own districts. For all of these I thank you.

My wish for you is that as time passes you may look back upon the year when your hands guided the destinies of our Order with many happy memories, and the feeling that you did all in your power to promote the welfare of each and every Chapter under your care. I can wish nothing better for you, for to me these are the things worth striving for, and the ones that will give the greatest satisfaction in the end.

Associate Grand Officers: The contacts I have had with each of you this year have been exceedingly pleasant, and I am sure my life is the richer for having joined with you in a common cause, thereby knowing you better. May you ever think as kindly of me as I shall think of you.

Grand Secretary, Sister Peabody, and Grand Treasurer, Sister Walker: We have been closely associated for many years, and each year you have grown more dear to me.

If I should keep trying every day,
As long as I live, there's no earthly way,
I could put into words the joy and pride
That I feel for you deep down inside;
Of your Loyal Friendship day by day;
YOU'RE FRIENDS IN A MILLION,
That's all I can say.

District Deputy Grand Matrons: You have been an indispensable aid to me in arranging for the District Schools, and I shall always feel indebted to you for the fine service you have rendered. May you ever look upon your year with much joy and pride.

Officers and Members of the Subordinate Chapters: What can I say to you that will even half express my feeling for you? It is to you that I owe a debt that is greater than I can ever pay. When I reflect, as I do many, many times, on all you are and have been to me, I am quite overwhelmed.

Year after year you have given me a splendid expression of confidence in the vote by which you have selected me to be your Grand Lecturer. As I have gone over the State in this service you have received me with open arms and whole-hearted co-operation, and this alone has made it possible for me to achieve the measure of success that I have attained.

I have spoken of the fine service rendered by the District Deputies, but they and I know quite well that without you nothing could have been accomplished.

This year you have given to me a marvelous demonstration of Fidelity, Constancy, Loyalty and Loving Kindness in all that you have done to cheer and encourage me during my long illness.

To my own Chapter, Unity No. 151, and to Sisters Peabody and Austin I owe the most of all. The members of Unity left no stone unturned to help in every possible way, and from these two sisters came a daily letter or card which meant a world to me.

However, flowers, letters and cards poured in from everywhere. They flooded my sickroom with cheer, and each day I humbly thanked God for my wonderful friends and asked that I might always be worthy of them.

It is a source of deep regret that I could not answer each letter and card, but this would have been a physical impossibility for even a well person to undertake. There were too many of them.

May I not now thank you collectively for everything, and assure you not one attention shown to me will ever be forgotten?

"I seek in prayerful words, dear friends
My heart's true wish to send you.
That you may know that far or near
My loving thoughts attend you.

I cannot find a truer word,
Nor fonder to caress you,
Nor song nor poem I have heard
That's sweeter than 'God bless you'.

And so I pray 'Through all thy days
May shadows touch you never'.
This is my wish—God bless you friends,
Then thou art safe forever."

Sincerely and fraternally yours,

NELLE PAGE,
Grand Lecturer.

ENTERTAINMENT BY THE CHILDREN OF THE MASONIC HOME

Preceding the program given by the Masonic Home Children the Worthy Grand Matron introduced Brother W. W. Martin, Past Grand Patron, Superintendent of the Masonic Home, and Sister Waller, Matron of the children. Brother Martin introduced Sister McCue, Matron of the old folks.

Sister Waller announced the program and stated the Glee Club had been organized and trained by Sister Ella K. Falkenhainer.

The entertainment consisting of songs, recitations and instrumental numbers, was greatly enjoyed by the delegates.

TUESDAY EVENING SESSION, OCTOBER 9, 1934.

Prior to the opening of the evening session the Worthy Matrons and Worthy Patrons of St. Louis and St. Louis County executed a very elaborate and intricate drill honoring the Worthy Grand Matron and Worthy Grand Patron.

The Worthy Matrons of the Twenty-second District, representing the figures and hands of a clock, also executed a very beautiful drill, after which the Kansas City Worthy Matrons' Quartette sang "Turn Back the Clock."

The Grand Sentinel vouched for all present being members of the Order.

When the Bible was opened by the Grand Conductress, Sister Blanche O'Connor sang "Forgive."

By direction of the Worthy Grand Matron, the Grand Marshal proclaimed the Grand Chapter called from rest to labor.

Address by the Most Worthy Grand Patron

Brother John Hammill, Most Worthy Grand Patron of the General Grand Chapter.

Worthy Grand Matron, Worthy Grand Patron, Distinguished Guests, Sisters and Brothers:

I have concluded, since I have been in St. Louis, that the ''Spirit of St. Louis'' still exists. It was exemplified today during the noon luncheon and it was likewise exemplified, I understand, in that your sentinels became so excited that instead of asking the password, they were giving out the information ''11 to nothing." (The score in the last game of the World Series between St. Louis and Detroit.)

I have discovered also that your men not alone have been resourceful here, but likewise your women have been resourceful. A little while ago my attention was drawn to the exchange of some telegrams which took place since I have been here in your city, illustrating the resourcefulness of the womanhood of Missouri. It seems that a young couple—the young lady is attending your Grand Chapter Session—they have not been married very long, and the young man was in the habit of going away without leaving her very much money and he went away on one occasion and she wired him this message: ''Dead broke; landlord insistent.'' He wired her back this message: ''I am a little short myself; will write you in a few days,'' closing with the postscript: ''One thousand kisses.'' She wired back the following reply: ''Not necessary to send any money; I gave the landlord one of those kisses and he is more than satisfied.''

Seriously, I am glad to be present; I am glad to be here and participate with this Grand Jurisdiction in the splendid work that you are doing for humanity. As we came in the room last evening, I noticed the beautiful setting here and these magnificent flowers and the environment in which you people were meeting. I could not help but feel that you were meeting in an environment that was an inspiration.

As we came into your beautiful city on Sunday and I noticed the beautiful trees—the tints that autumn had given them, I could not help but feel that nature was also in partnership with you in this Grand Chapter Session, and first I want to congratulate the Grand Jurisdiction of Missouri upon having a membership like you and I want to congratulate you upon being a part of this great organization.

I also notice the work and the interest that you people have displayed in your efforts since the opening of your Grand Chapter Session. I note you have designated this your ''Faith Session.'' You know, faith is the motive power that moves the world and I want to congratulate your Grand Matron and her corps of officers upon adopting a motto of the type and character, because it seems to me the most fitting, particularly at these times in connection with the Order of the Eastern Star, not alone I might add, insofar as the Order of the Eastern Star is concerned, but its relationship to society and to government as well, because if there was ever a time in which Faith was necessary and essential, it has been during the past few years and at the present time. I notice also that you people have not been unmindful of the importance of service; that you have recognized the fact that no organization can continue to exist unless there is coupled with that organization some type of constructive service.

Service has been defined by someone as the rent you pay for the place you occupy, and I have noticed that you people are paying a rent for the place you occupy in this great Order of the Eastern Star. Not alone was I impressed with that fact, but I came very near not going out to your Home this afternoon. I have visited many of the Homes of the various jurisdictions, but I was more than repaid for going out to the Home this afternoon. A boy was assigned to us to show us around through the building—a perfect little gentleman. Naturally, we began to make some inquiry about his family and about those of the other members of his family as to whether or not they were at the Institution; and on making inquiry, he told us that he had a little brother that was there and that he had two sisters. A little later on we made some further inquiry of him as to where his mother lived and he said his father had passed away and that afterwards they had gone to California, and that his mother was still in California. Then we began to make some little inquiry of him and the little chap broke the news to us. His name was Owen Lloyd, he said: "My father was born in Tennessee and my mother was born in Iowa," and I found his mother was related to the Lloyds in the county in which I live at the present time, the county, you might say, in which I was reared, so it was a real inspiration to me to contact this boy. I took the name of his mother, the name of his father, and I assured the little fellow that upon my arrival at home I was going to interview the members of the Lloyd family and write him the history of his family. His relatives live in our county at the present time. So after it is all said and done, you know it is not a very large world; but those things that we saw this afternoon, I am sure cannot help but be an inspiration to each and every one of the membership of this grand jurisdiction.

I think it was Calvin Coolidge who said that "no organization could continue to exist unless it was constantly rendering service"; that you may go out and become conversant with the ritual or laws of the Order, but that would not be sufficient. You cannot hold the thinking man and woman unless you are giving in return something as a result of the organization. If we are to continue to be a dominating people each individual must place himself in a position to be able to dominate his thinking. In this thing we call life, it is not so much what happens to us as it is the manner in which we react to what happens to us that determines our character and our career. You take in this present day situation, the crisis that we have gone through during the past few years. It has destroyed in some respect, the courage, the determination and the fighting quality of many of our people. Reverses have come and it has destroyed their spirit and their disposition to carry on. The difficulty in that situation has been this: that the men and women who are finding themselves in that situation have not been trained to a position to dominate their thinking, and you know about the only two organizations today that are engaged in the type of work of development of fraternal brotherhood and development of the welfare of mankind, is the church and our fraternal organizations. They are about the only two organizations that have a definite and certain program in this direction. So it behooves us as members of the Order of the Eastern Star to be ever mindful of our obligation in this respect.

Just because we are so great and powerful and resourceful we must not commit the error of supposing that it is impossible for us to fall. The history of the world teaches us that all nations have eventually had their fall, therefore, it behooves us to be able to dominate our thinking and carry on in the right direction. You know it is not so much the distance we go as it is the direction we go that determines our success. Let us keep those fundamental facts in mind when we approach work in this great organization of ours. I know you meet with discouraging aspects; I know ofttimes you have difficult problems to solve, but there is no turning back; life itself being the greatest game there is. We recognize the fact that you are confronted with many difficulties so far as that is concerned, and we recognize also if our Order is to carry on successfully, those charged with the responsibility of its leadership must possess tact and courage. A tactful person is one who can pull the stinger without being stung. It is absolutely necessary to any type of leadership, no matter in what respect or what place that leadership may be found.

I like to recall the work the Order of the Eastern Star is doing in matters of charity as well as in the matter of the development of the fraternal relationship—the magnificent homes that have been erected and are maintained in the various jurisdictions where the aged are cared for; where schools are maintained; where boys and girls are educated and thus placed in a position to become useful and self-sustaining citizens; and also where we have loans to boys and girls for educational purposes, and you had an example of that today in this young lady who was graduated from your University because of assistance through your educational fund, and I like to point, not in a boastful way, to the great fund that Iowa has for this purpose. My reference to it at this time is to give you people encouragement and inspiration insofar as your loan fund is concerned. We have approximately seventy-five thousand dollars which we are loaning to girls of Masonic families for the purpose of higher education and it is really an inspiration to go all over the state, drop into some particular Chapter and find some lady there, perhaps she may be Matron, Associate Matron, or one of the Star Points, and have her come up and say: "I am one of those who borrowed from the Order of the Eastern Star in order that I might receive my college training," and these girls, in most cases, are returning those funds and they are truly carrying forward the fine spirit exemplified by this girl today when she said to you people: "It was the ambition of myself and my sister that we have a college education," reverses came to her parents, like it has in many other Masonic families and through your charity, if you please, or through your confidence in this girl, you made it possible for her to have this college training and she said to you: "It is my intention to return this money just as quickly as possible so that some other girl may have the benefit of the fund that you have given or rather loaned to me in order that I might carry on."

That is a fine spirit; that is the type of spirit that makes for real womanhood for future generations, and I am not one of those who feel that everything has gone wrong in this country today. I feel that we have just as fine a group of girls and boys in America today as we have ever had.

Sisters and Brothers, it is not a question of becoming discouraged. It is a question of pointing to ideals, surrounding the boy and girl with those things that would stir up the inspiration to go on and achieve and accomplish those things which are truly worth while. We recognize that education makes more efficient workmen; that it prolongs life; that it develops better citizens; but it must be acquired by individual effort.

I feel nothing is impossible to the boy and girl who can will, and it lies within the power of each and every one to determine his character and his career and it becomes the duty of every member of the Order of the Eastern Star to courageously point the way to that particular boy or girl with whom they may come in contact. You know, there is not a boy or girl in any of the communities in which you people live but what have selected some man or some woman in that community as their ideal. They endeavor to fashion their habits and their approach upon life upon the conduct of the person whom they have selected as their pattern. You might not know that you have been selected as the pattern of some boy or some girl, therefore, it behooves the membership of the Order of the Eastern Star to so live that they may become an inspiration to any boy or girl who may select them as their pattern so that boy or girl will not have a misgiving as a result of their selection.

In these times there is room for a lofty ambition. The Nation never stood in greater need of absolute veracity than it does today. Your fraternal life has been something of a failure if it has not kindled within you the admiration for truth and veracity, the most important elements of a great character. The primary need of every man and woman if it has not filled you with high hopes of living a life rounded with noble deeds. We rightly pride ourselves upon our system of widespread popular education. We most emphatically do right to do this, but it is not sufficient in itself. With the education of the mind must go the spiritual teaching which will make us turn the trained intellect to good account. A man whose mind has been developed while, at the same time, his moral training has been neglected, is only the more dangerous to the community because of the additional power he has acquired. Surely what I am saying needs no proof that education must be of the heart and conscience no less than of the mind.

It is a fine thing to have a strong body. It is a better thing to have a strong mind, but infinitely better is it to have that for the lack of which neither a sound mind or a sound body atone—Character. Character is, in the long run, the decisive factor in the lives of individuals and in fraternal organizations alike. It is a fine thing to be clever, to be able and smart. It is a better thing to have the qualities which find their expression in the Golden Rule—it is better to be straight and decent and fearless.

I have great confidence in our manhood and in our womanhood and I recognize the fact just as Carlysle has said—"The race of life is intense, woe unto him who stops to tie his shoestring for the runners are treading on each other's heels."

If we are going to continue to make this organization the greatest of all fraternal organizations, and continue to keep it the greatest of all, we are going to find hills to climb as well as chasms to cross. Victories that are easy are cheap. We need men and women with backbone—men and women with a program. In the problems that confront us we need to treat the cause and not the symptoms. Ambition is the greatest incentive to advancement and civilization, the greatest teacher of morality and wisdom.

As members of the Order of the Eastern Star, not alone in our Grand Jurisdictions, but in our local jurisdictions as well, we must have a definite purpose and object in mind if we are really going to achieve and accomplish things that are really worthwhile.

I have particular confidence in our womanhood. An organization like this is made of the finest motherhood of the world. When you stop to reflect in this connection that men, not long ago, refused to admit women to our universities and colleges; man thought that education belonged to him alone. Since women have been admitted to the colleges and universities, they have taken their place among the men, and where prizes have been offered, they have won their fair share of prizes. This alone has not been the record of womanhood. Where they have been elected or appointed to public positions they have rendered a splendid account of their stewardship. Their work has not alone been correct in this, but the wife of the man who condemned Christ pled for Him. Women were the last to desert Him and the first to receive Him.

This has been the record of our womanhood. With that type of record, have we not a right to expect that you are going to help us solve the problems of today? We must keep our eyes up and upon Him from without whose hands drop centuries like grains of sand. Not only must we do this, but we must go out in the world, seek the truth, then follow it. Don't overlook the fact that our American fellow knows what exact justice is and it must be a justice of reason and righteousness. If I had my way about it, I would give every well-behaved man or woman an equal opportunity, then I would require from that man or woman his fair share of responsibility. Remember, we all go out or we all go down together. No man is any better than another, only as he does better. Let us build our temple, not upon the shifting quicksands of selfish expediency, but upon the everlasting principles of right. Whatever may be our burdens or calamities, let us bear them with that courage and fortitude that becomes a just and great people. May our children and our children's children be inspired to walk along the very mountain ranges of an enlightened Christian civilization always in the path of duty, preserving and keeping sacred the same great qualities that have made our ancestors respected and beloved by mankind.

Sisters and Brothers, let us not be discouraged. We have the best nation, the best government devised by the wit of man, the finest men and women, but if our institutions are going to be preserved so much is going to depend upon the goodly efforts of men and women like you. All the bounteous elements of earth and sky beckon from the base fascination of pelf which dishonor and destroy our country. Our deepest concern should be for a more rational national character.

Remember that God puts no nation in a supreme place that will not do supreme work and God keeps no nation in a supreme place that will not meet the supreme duty of the hour.

Again, I want to compliment and congratulate your officers and your membership upon the spirit which has prevailed in this Grand Chapter Session. I want to congratulate you upon adopting ''Faith'' as your motto, and in conclusion, let us have Faith in ourselves, Faith in our Fraternal Organization, Faith in our Government, and above all, Faith in God.

Report of the President of the Masonic Home Advisory Board

Sister Ella Jean Flanders, P. G. M., President, read the report which was referred to the Committee on Distribution.

To the Worthy Grand Matron, Worthy Grand Patron, Officers and Members of the Grand Chapter, Order of the Eastern Star of Missouri:

Sisters and Brothers:

I am happy to come to you once more in person to meet and to greet you, and to express my grateful appreciation for your kindness and forbearance during my illness.

Our work at the Masonic Home of Missouri has progressed in a satisfactory manner. We have been able to meet all requisitions for furnishings and supplies, a work which has been done by you, through your Advisory Board, for some years past.

Our work is not without its problems, and sometimes we are sorely puzzled to know the thing that is wisest and best to do—the course that will most nearly meet your approval.

One of the great compensations that has come in the last few years is the progress of our girls and boys in the matter of education. We have now in Washington University two girls ready to enter the Senior class—two ready to enter the Junior class—still another girl a possible entrant, and we had one graduate in June. Surely it must be very gratifying to you to see such ability and ambition shown by our young people. I sincerely hope we may always, in the future as in the past, be able to devise ways and means to make a higher education possible for them.

I ask you to make a careful analysis of the report of the Secretary of the Advisory Board. You will find some chapters failing to contribute anything over a period of several consecutive years. A donation, however small, would give them a place on the records. We can always give according to our ability, and it will be a great day in the history of the Grand Chapter when every chapter throughout the State has shown interest and co-operation in the work of making a gift, however small.

It is your choice that your work at the Masonic Home shall be done through voluntary contributions, so it becomes imperative that each chapter shall bear its burden with as little inequality existing as possible.

We thank St. Joseph Chapters for again remembering our girls with silk hosiery on O. E. S. Day.

During the year we were called upon to mourn the loss of Sister Ethel C. Stansbury, our treasurer. Sister Stansbury was beloved by all who knew her, because of her many admirable traits and her fine Christian character. She endeared herself to her co-workers by her faithfulness and loyalty and she will be sadly missed.

Sisters and Brothers, again we thank you for your continued good will and co-operation.

Sincerely and fraternally submitted,

ELLA JEAN FLANDERS,
President Advisory Board, Masonic Home of Missouri.

Report of the Secretary of the Masonic Home Advisory Board

Sister Alta L. Tate, P. G. M., Secretary, read the report which was referred to the Committee on Distribution.

To the Worthy Grand Matron, Worthy Grand Patron, Officers and Members of the Grand Chapter, Order of the Eastern Star of Missouri:

Dear Sisters and Brothers:

The record of another year is before you, and again we come to give an account of our stewardship. Our problems have been many, but our earnest desire to accomplish the greatest good has been uppermost in our hearts at all times.

It has been a joy to represent you in the work at the Masonic Home, and we trust that our efforts have merited your approval. Your kind assistance has been doubly appreciated during these depressing times, and we hope with your continued support, to meet every need. May the new year bring you new opportunities to enjoy your generous portion of this loving service.

> "For giving is living," the Angel said,
> "Go feed the hungry sweet charity's bread."
> "And must I keep giving again and again?"
> My selfish and querulous answer ran.
> "Oh, no," said the Angel, piercing me through
> "Just give till the Master quits giving to you."

We have experienced the deepest sorrow in the loss of our dearly beloved treasurer, Sister Ethel C. Stansbury. As the shadows of evening were closing the year of 1933, her sweet spirit silently entered the Grand Chapter above to continue her ministry of loving service. To know her was to love her, and to those who were closely associated with her, it was a distinct loss.

Words scarcely express my deep appreciation for the privilege of serving as a member of the Masonic Home Advisory Board. The work requires much time and thought, but in "service for others" there is much pleasure. Your many personal messages during the year have inspired me to merit your confidence and love, and I thank you sincerely.

THE MASONIC HOME ADVISORY BOARD

The accounts of both the Secretary and the Treasurer of the Advisory Board were found in order. Properly approved warrants and invoices as well as cancelled checks were produced for all disbursements. The recorded receipts are in accordance with duplicate receipts kept by the Secretary.

Below is given a list of securities owned by the Advisory Board on August 31, 1934.

Description	Par Value	Cost

Description	Par Value	Cost
Joplin School District, 4½	1,000.00	4,242.01
City of Kirkwood, 4¾	3,000.00	
State of Missouri, 4	2,000.00	1,914.18

St. Louis County Road, 4½	2,000.00	2,104.93
Total	$38,000.00	$38,696.12

With regard to the cost of the above securities, we are of the opinion that items for $4,453.19, $5,116.98, $12,790.20 and $4,242.01 include some accrued interest at the time of purchase, which has subsequently been received by the Advisory Board and should not be included in the cost of the security. However, we are unable to adjust this difference, not having access to the previous years' records.

All of these securities were produced for our inspection, and proper accounting made by us for all interest coupons thereon, during the year under review.

The cash in banks as listed in Exhibit "B" amounting to $9,903.84 was verified by confirmations received from the depositories.

SCHOLARSHIP EDUCATIONAL FUND

The accounts of both the Secretary and the Treasurer of the Scholarship Educational Fund were found in order. Properly approved warrants and invoices, as well as cancelled checks were produced for all disbursements.

To the Worthy Grand Matron, Worthy Grand Patron, Officers and Members of the Grand Chapter, Order of the Eastern Star of Missouri:

We, your Committee on Returns of Chartered Chapters, submit the following:

We have examined the reports of the 530 Subordinate Chapters and found them to be the acme of neatness, which reflects painstaking efforts on the part of the secretaries.

DATE OF CHARTER

Number 311, no date given.

Numbers 9, 35, 93, 132, 142, 169, 197, 219, 246, 299, 308, 351, 487, 504 have given the year but failed to record the day or month.

INCOMPLETE LIST OF OFFICERS

Numbers 9, 27, 34, 49, 76, 77, 85, 104, 118, 127, 135, 158, 205, 207, 219, 225, 258, 259, 268, 270, 281, 293, 306, 309, 314, 325, 331, 336, 341, 361, 390, 405, 416, 418, 421, 422, 430, 446, 449, 455, 490 and 531 do not have a complete corps of officers.

Number 338—9 vacancies.
Number 446—8 vacancies.
Number 293—6 vacancies.

In some cases this may have been unavoidable, but the Chapters should make an effort to keep their corps of officers complete.

ALPHABETICALLY ARRANGED

In all reports the names have been alphabetically listed in so far only as the first letter of the surname. We recommend in the future the secretaries follow this custom throughout the name and that the surname be written first, title, and given name, i. e., Davis, Mrs. Mary Elizabeth.

PARAPHERNALIA

Numbers 28, 132, 156, 187, 260, 273, 279, 403, 404, 460 have none listed. We have included as correct all reports which have paraphernalia listed in any way. It is not sufficient to report "Same as we have had for years, not a thing new," "All things necessary," or "Everything Grand Chapter requires."

We are confident this is not negligence, but a misconception of what is termed paraphernalia or what they should include in the list.

All articles owned by the Chapter should be listed.

We recommend that a printed list of paraphernalia which a well-regulated chapter should possess, be included on the page provided for listing of chapter paraphernalia in the report blank furnished the subordinate chapters.

The cipher code, labyrinth and ballot box are the most important articles of the chapter's paraphernalia, yet we find comparatively few reports include these in their lists.

Chapters that have reported the cipher code and labyrinth are Numbers 3, 32, 69, 78, 103, 111, 115, 173, 184, 214, 222, 269, 298, 323, 326, 327, 335, 352, 377, 379, 385, 387, 389, 391, 415, 418, 419, 402, 420, 427, 431, 441, 447, 478, 481, 507, 508, 521, 524, 528, 530, 531.

Numbers 217, 232, 276, 296, 297, 406, 408 report one cipher code and labyrinth. Number 401 reports only labyrinth.

Three hundred and thirty-eight reports fail to have listed their ballot box.

INSURANCE

The paraphernalia of 266 Chapters is not covered by insurance, while a few report partial coverage. This is a great risk in consideration of the small cost required to insure the properties against loss by tornado, fire, etc.

We recommend that all chapters be required to carry ample insurance to protect them from loss.

DATE OF ANNUAL MEETING

Section 208 designates the first stated meeting in December as the annual meeting of every chapter in this Grand Jurisdiction and states that the officers shall be elected at this time.

Reports show the following chapters fail to conform to the requirements of this section:

Number 8 meets first and third Thursday, annual meeting, third Thursday in December.

Number 36 meets first and third Tuesday, last meeting in December.

Number 45 meets second and fourth Thursday, first Thursday in December.

Number 85 meets first and third Monday, third Monday in December.

Number 115 meets second Wednesday of each month, annual election first Monday in December.

Number 144 meets second and fourth Monday, annual meeting second meeting in December.

Number 156 meets first Saturday of each month, annual meeting in November.

Number 186 meets second and fourth Thursday, annual meeting last meeting in December.

Number 201 meets first and third Wednesday, last meeting in December.

Number 206 meets second and fourth Friday, on or before December 15th.

Number 258 meets second and fourth Thursday, second meeting in December.

Number 99—no date of annual meeting given.

SEAL

All reports bear the impression of the Chapter Seal.

Number 50 reports two Chapter Seals.

150 Chapters have a total amount of money invested....	91,945.81

INCOMPLETE FINANCIAL STATEMENT

Number 314 does not list the amount charged for dues or initiation fee.

Number 355 reports initiation fee charged, $1.50 (Sec. 243).

Twenty Chapters have no cash on hand.

Eleven Chapters have less than $1.00 in their treasury.

In compiling this report, your committee has not included such items of the annual reports of the chapters as are incorporated in the Grand Secretary's Annual Report.

The past year has been a real test of courage, devotion and sacrifice of the leaders of the subordinate chapters, the Worthy Matrons and Worthy Patrons. The excellent reports compiled so neatly by the secretaries, form an enviable record of faithfulness and service, and command admiration and commendation.

While we have lost in membership, the records of the past year show a greater number of chapters have conferred the degrees, which bespeaks renewed interest and assures us that we are on the upward trend, that our beautiful Order will continue to grow and prosper, and that we will maintain our position as the largest fraternal organization to which both women and men are eligible.

The committee wishes to thank the Grand Secretary, Sister Peabody, for kindnesses shown and courtesies extended. The concise form in which she had all necessary information compiled for this committee, is but another evidence of her efficiency and businesslike manner in which she conducts the affairs of her office. She is truly all that the name implies.

We thank you, Worthy Grand Matron, for the privilege of reviewing the reports of the subordinate chapters, thereby gaining a greater insight into the affairs of the chapters and knowledge of the general condition of our Order in this Grand Jurisdiction.

Fraternally submitted,

ADDIE MAE MCCAIN
LAURA C. BARGER
ADDA F. AUSTIN, P. G. M.,
Chairman.

Report of the Committee on Chapters Under Dispensation

Brother A. J. Stansbury, Chairman, read the report and moved its adoption.

Motion carried.

To the Worthy Grand Matron, Worthy Grand Patron, Officers and Members of the Grand Chapter of the Order of the Eastern Star of Missouri:

Your Committee on Chapters Under Dispensation submits the following report:

Section 34 of the By Laws of Grand Chapter invests in the Worthy Grand Patron (with the consent of the Worthy Grand Matron) the power, if he deems it expedient, to grant Letters of Dispensation to a required number of petitioners to form a chapter of the Order of the Eastern Star.

The past year no new chapters have been instituted in this Grand Jurisdiction, due no doubt, in a measure, to the economic conditions.

We believe that chapters should be instituted only where the organization will be strong and where good will result from the granting of dispensations.

The three prospective chapters which were investigated by our Worthy Grand Patron this year, did not come to a formal stage and dispensations were not granted to them. Therefore, there is no business for consideration before the Committee on Chapters Under Dispensation this year.

We trust that ere long economic conditions will be on the upward trend and that in the near future many new links will be added to our Golden Chain of Subordinate Chapters.

A. J. Stansbury, Chairman

Report of the Charity Committee

Sister Naomi Keyser, Chairman, read the report, which was adopted, and the recommendation pertaining to the law, referred to the Jurisprudence Committee:

To the Worthy Grand Matron, Worthy Grand Patron, Officers and Members of the Grand Chapter, Order of the Eastern Star of Missouri:

Greetings:

Faith and idealism are the cornerstones of all true organizations. The Eastern Star has faith to believe that it can use the blessings that God has placed in the hands of each member. We can raise the fallen, aid the needy, protect the widow and orphan, comfort the afflicted and sympathize with the sorrowing and distressed that come within our knowledge. Its charity is as broad as the universe and as high as the heavens.

This is the season of love, charity, gentle thought and tender greetings, and as we come to worship Him of whose birth the Star of the East gave warning, let us endeavor to follow in His footsteps, devoting our lives to the promotion of peace and happiness, with charity as our watchword.

We all know that our Eastern Star is based upon principles as enduring as time itself and that its teachings are scriptural. The Star is a symbol of Divine Providence, and the Master in Revelations 22-16, calls himself the ''Bright and Morning Star''. The triangle is a symbol of Diety. It represents the first Great Cause. The Creator and container of all things, as one and indivisible. The triangle before a circle of rays is an emblem of ''God's eternal glory''. It is that eternal light of wisdom which surrounds the Supreme Architect as a sea of glory, and from Him as a common center, emanates to the Universe of His Creation.

God has not given us vast learning to solve all the problems, or unfailing wisdom to direct all the wanderings of our sisters' and brothers' lives, but He has given to every one of us the power to be spiritual and by our spirituality to lift and enlarge and enlighten the lives we touch. We do not want to be like the Dead Sea, continually taking in and never giving out, but we desire to be like a fountain of living water, continually sending that which elevates and makes others happy and better. In the world's market a friendly wish has no great value, yet there are times when we would give all our gold for an outstretched hand, a kindly smile, or a friendly wish. Human hearts have broken for lack of these; human lives have been saved by so slight a thing as a look, a word, a smile.

Every member of the Order of the Eastern Star should especially remember that we should endeavor to cultivate charity towards others. We will thereby, as a result, find our sympathies broadened and our lives ennobled. Let each one remember that it means more to be a member of the Eastern Star than merely signing our names to the By-Laws and paying dues. When we knelt at the altar we pledged ourselves to binding vows. Our Order is a beautiful one and we should strive daily to live up to its teachings. Our vows teach charity, sympathy, loyalty and love. We should always strive to cast the broad mantle of charity over all.

I so often think how little we value our words of obligation and solemn vows made at the altar before the Almighty. When we pray to Him, we ask the Heavenly Father to forgive our trespasses as we have forgiven others theirs against us; we ask Him to dispel whatever spirit of discord may be among us and to give us the gift of charity and love that we should have, so that our acts may be full of the spirit of kindness and forbearance; then when trials and petty worries come, how little we think of the words we have uttered in prayer.

Service to one's fellowman is the greatest act of charity in the world, because it is founded on love. The greatest law of life is love, and the perfect life is the life of adjustment to that law. Charity is love in action. At the end of life we shall not be asked how much pleasure we had in it, but how much service we gave to it; not how full it was of success, but how full it was of sacrifices; not how happy we were, but how helpful we were; not how ambition was gratified, but how love was served. Let the weakest and the humblest remember that in his daily course he can, if he will, by bringing a message to tired souls, shed around him almost a Heaven.

Each Star Point brings to us a message based on charity. Obedience of Jephthah's Daughter, Adah—expressing fidelity and loyalty to convictions of right and duty. When the hour of trial comes to us, may the veil be lifted from our faces and we shall be able to stand as Adah stood—fearless and unafraid. From Ruth we gather seeds of constancy and learn that we should follow the unerring finger of duty, no matter how difficult the way. By doing a good deed here and speaking a kind word there we may prepare our souls for its future home in the Great Beyond. Next our Esther teaches us to live an upright life and that sacrifice will always bring its reward. Martha, her trustful faith and hope of immortality, ever reminding us of her watchful care, and comforting promise in our hour of sorrow. From Electa we realize that love is the Divine alchemy that transmutes all life's sorrows into joy; that the heart of every one is an incensorium and that the love we radiate and the hospitality we disseminate is the incense that flows out to benefit and bless mankind. When love for mankind is the ruling element and motive power of our life, then we are perfected and the Star of the East, with all its beauties and refulgent rays, stands revealed before us, and the light of the East enlightens our soul.

Let us keep the landmarks of our Order in all purity and live true to our obligation, faithful to all its teachings, and to remember that each act of love is a pearl strung on a golden chain and each softly ''I will'', a delicate flower blossoming in a garden of good deeds. May the end of another year find your golden chain unbroken and the flowers of your garden untouched by the frost of forgetfulness.

It has been a pleasure for this committee to serve the Grand Chapter. We have tried to do our duty in the way of charity from a spiritual standpoint, and as you travel life's highway, may He who stills the tempest, guide and protect you always.

RECOMMENDATION

The Welfare Committee, created two years ago, has taken the work out of the hands of the Charity Committee, therefore, the Charity Committee has been unable to function for lack of funds.

We, therefore, recommend that one of these committees be discontinued and that the Jurisprudence Committee formulate an amendment to our laws concerning same.

Respectfully submitted,

Naomi Keyser, Chairman
Marguerite B. Jans
Lessie Bailey

Report of the O. E. S. Board of Relief

Sister Carrie Rung, President, read the report and moved its adoption.

Motion carried.

Worthy Grand Matron, Worthy Grand Patron, Officers and Members of the Grand Chapter, Order of the Eastern Star, of Missouri:

The Eastern Star Board of Relief of St. Louis and St. Louis County submits the following report:

Another milestone on the road has been left behind.

"It is time to audit the books
As our fiscal year reaches the end,
And all of our tasks are completed
And we begin all over again.

Some pages are filled with faith and hope,
Some with fraternal love,
Many are filled with kindly deeds
As taught by the Master above.

Other pages show that we cared—
Cared for the weary and weak,
Gave of our store of plenty
And no honors tried to seek."

During the twelve months from June 30th, 1933, to July 1st, 1934, the Board was called upon to investigate one hundred and twenty-six cases, sixty-seven of which were worthy O. E. S. members and received assistance as such. Twenty-two cases required investigation only; two applicants were frauds; eight were unworthy; one was under suspension; three had no claim, and one was unaffiliated. Twenty-two cases were non-resident members of the Order confined in St. Louis hospitals and were visited by members of our Cheer Committee.

We call attention to the fact that forty-five of the cases in the above classification hold membership in chapters in the state of Missouri, and twenty-two additional cases hold membership in chapters in St. Louis and St. Louis County.

During the year the Eastern Star Board of Relief, working in conjunction with the Masonic Relief Board, collected and distributed over five hundred pairs of shoes and clothing to over seven thousand, five hundred persons.

Our board was also the recipient of many donations of food, fuel, bedding, furniture, rugs, toys and gifts of money, which enabled us to further increase our usefulness.

The past three years have been a challenge to fraternalism, but, thanks to the fifty splendid chapters composing the Eastern Star Board of Relief, and its many friends with their timely assistance and co-operation, the Star in the East has been a beacon light that has sent its rays afar and penetrated the darkness surrounding the distressed who have knocked at our door.

In January, 1934, the sixth assessment of ten cents per capita was levied on the chapters composing the Board of Relief, the fifth assessment having been levied twelve months prior to that time.

Checking Account, June 30, 1934	$ 664.00	
Savings Account	300.00	
Contingent Fund	147.49

Disbursements as shown in our yearly audit, compiled on a percentage basis, are as follows:

For relief	97 %
Administration	2.4%
General expense	.6%

of which 67 % was Chapter assessments;

4½% was donated;

22 % was earned by the Board and

6½% was interest on deposits and surplus from previous year.

The attendance of representatives was good throughout the year and they were ready and willing at all times to assist to the utmost.

Owing to the increasing needs of those who have a claim upon our love and care, and the consequent increased demands upon our treasury, we decided to give a card party to raise additional funds. The party was held September 22nd, 1934. The returns are not yet complete, but we feel assured that the result will be most gratifying.

At the close of a busy year we voice our hearty appreciation of the many friends who have stood so valiantly with us, and face the months ahead with courage and good intent, realizing that co-operation, unity of purpose, faith, work, steadfastness, and a feeling of brotherly love, can accomplish much.

Let us focus our eyes on that guiding star which led the Wise Men of old, and, in the warmth of its glow, rekindle in ourselves the genial flame of charity.

"When we make charity, love and truth
The key-note of our hearts,
And strive in the virtues we teach
To take a living part,
Then will the light of our Order
Send its radiance near and far,
And each member reflect the glory
Of our beautiful Eastern Star."

Report of Fraternal Correspondent

Sister Lucille L. Pickerell, P. G. M., Fraternal Correspondent, read her report and moved its adoption.

Motion carried.

Worthy Grand Matron, Worthy Grand Patron, Officers and Members of the Grand Chapter of Missouri:

In submitting my report as Fraternal Correspondent, I do so with sincere gratitude to our Worthy Grand Matron for the great privilege that has been mine.

One year ago I started on a wonderful journey through the Eastern Star World. Today my journey is ended and I am grateful for the opportunity of bringing to you a glimpse of the vast accomplishments of other Grand Jurisdictions.

During the past year it has been my privilege to review fifty-five proceedings. Most beautiful have been the settings of all Grand Sessions ranging from an Oriental Throne to a charming old-fashioned garden. Many of these sessions will be remembered as Rainbow, Light, Rose, Silver, Friendship, each being carried out to represent their respective meanings.

It is impossible, in the few short pages allotted to me, to do more than skim the surface of the work accomplished by our Order from North to South, the East to the West and across the Atlantic to Scotland.

First, let me enumerate some of the general facts concerning our Order, although to some it may be repetition.

There are four Sovereign Grand Bodies of the Eastern Star, as follows:

The General Grand Chapter, which has supervision over forty-six States, or Grand Chapters, in the United States, seven in Canada, one in Porto Rico, also over eleven Subordinate Chapters in Alaska, four in the Canal Zone, five in Cuba, five in the Hawaiian Islands, one in Yukon, one in Mexico, one in the Philippine Islands and three in China; the Supreme Grand Chapter of Scotland, which has supervision over all the Chapters in Scotland, England, Ireland, Australia, New Zealand, India, Italy, and South Africa, and the two Independent Grand Jurisdictions of New York and New Jersey.

All except New York and New Jersey work under practically the same Ritual, which has been translated into Spanish, German, Italian and Chinese.

The Order is the largest of its kind in the world and the third largest of all fraternal Orders.

The oldest Grand Chapter is Michigan, organized in 1867; the youngest is New Brunswick, organized in 1930.

Illinois is the largest Grand Jurisdiction, with some 825 Chapters, 201 of them being located in Chicago. Porto Rico is the smallest, and the largest single Chapter is Beulah Chapter of Topeka, Kansas.

The sessions covered, range from the one-day session of

Rhode Island, to the five days of Pennsylvania. Many Grand Chapters hold a Special Church Service the sabbath preceding the session and these are well attended by the delegates.

The National Flag is the first guest of honor presented and often the "Union Jack" and the "Stars and Stripes" float side by side with the State and Eastern Star flags.

Many Grand Chapters have been honored by the presence of the Most Worthy Grand Matron, Sister Mildred K. Schanbacher, the Most Worthy Grand Patron, Hon. John Hammill, and other General Grand Chapter Officers. It was an inspiration to read the interesting addresses.

We find mayors, judges, governors and almost without exception, Worshipful Masters of the Grand Lodge A. F. & A. M. of the Jurisdiction, addressing our session. We are proud of this evidence of co-operation from those to whom we are related "by the dearest ties".

On every altar rests the Holy Bible, reminding us of our obligation and our responsibilities.

The Traveling Bible, on its journey around the world, is still a guest at many sessions. Each time it is presented with appropriate ceremonies and a history of its origin and travels given.

It is a pleasure to report that the Grand Jurisdiction of Maryland, Quebec, District of Columbia and Scotland show a gain in membership of from 42 to 2,903. All other jurisdictions show a decrease in membership. Many thousands have demitted and many suspended.

Beautiful and reverent Memorial Services commemorate, in every jurisdiction, the passing of our loved ones to the Supreme Grand Chapter above, leaving a lasting impression on mind and heart.

Charity and relief work along many lines are recorded in all jurisdictions, which prove that the outstanding principle of our Order is benevolence. The establishment of Educational Loan Funds is perhaps the master achievement along these lines. Forty-two Grand Jurisdictions have Educational Loan Funds. No service yields larger returns than the Educational Loan Fund for it enables the younger generation to acquire an education and become better fitted to face life's battles.

To Louisiana goes the credit for first establishing an Educational Loan Fund and is the only State not charging interest on loans.

There are 45 Masonic and Eastern Star Homes, 12 exclusive Eastern Star Homes and 10 States providing orphanages.

Additional service to the young people is rendered in almost all jurisdictions by the sponsoring of some organization for girls, where the high principles of our Order, Charity, Truth and Loving Kindness are held before them as worthy aims in a life of service. Among these are ''Job's Daughters'', the ''Order of Rainbow for Girls'', ''Daughters of the Eastern Star'', and ''The Beatitudes''.

Almost all jurisdictions have their Past Worthy Grands Association and Secretaries Associations.

California has a Degree Team to exemplify the work at the schools of instruction and at Grand Chapter.

Ontario has the only O. E. S. Home in Canada.

North Carolina calls a Special Session of the Grand Chapter for a Robert Morris Day celebration.

The Grand Officers of West Virginia exemplified balloting instead of initiation.

Rochester Chapter in Minnesota has a wonderful mission of service at the Mayo Clinic, where last year over 3,000 members of the Eastern Star and Masonic Order received treatment.

Massachusetts has Assistant Grand Warders, Assistant Grand Sentinels, and Assistant Grand Marshals.

Illinois adopted a new system of nominations and balloting whereby they figured the time saved was one and one-quarter hours.

One district in Quebec holds special services on Mothers' Day.

Curtailment of expenses by using a budget system was adopted in many jurisdictions.

On behalf of the Grand Chapter of Missouri, may I extend my sincere appreciation to the Fraternal Correspondents of other Grand Jurisdictions for the splendid reviews of Missouri.

The individual reviews will give further details and are part of this report.

May I also extend my thanks to our Grand Secretary, Sister Pearl E. Peabody, for her prompt and unfailing efforts in forwarding me the proceedings throughout the year.

And now, Worthy Grand Matron, I wish to express my sincere thanks to you for the store of knowledge given me by this appointment. I trust that my efforts may not only have been a delight to me but of some service to you and to the members of this Grand Chapter.

Fraternally submitted,

LUCILLE L. PICKERELL.

REMARKS

Sister Josie Rankin, Junior Past Grand Matron of Mississippi, addressed the Grand Chapter.

MOTION

Brother Charles L. McDonald, Past Grand Patron, moved that we recommend to the incoming Worthy Grand Matron that as valuable time of this Grand Chapter can be conserved by eliminating miscellaneous announcements from the Chair, therefore, we recommend that a suitable bulletin board be provided at our future Grand Chapter Sessions on which shall be recorded telephone calls for our members, letters and telegrams received, articles lost and found, luncheons and banquets to be held and such other announcements as do not directly concern our Grand Chapter. The Information Committee to be in charge of said bulletin board and to have it on display at their desk.

Motion carried.

GREETING

The Grand Secretary read a telegram of Greeting from Sister Caroline Sponenbarger, Past Grand Matron of Arkansas.

REMARKS

Sister Gertrude May, Associate Grand Matron of Iowa and Sister Manila Waite, Grand Esther of Alberta, Canada, expressed their thanks for the hospitality and courtesies extended to them during their visit.

At various intervals during the session the delegates were entertained with readings and vocal music.

Report of Finance Committee

Brother Eugene J. Altheimer, Chairman, read the report and moved its adoption.

Motion carried.

Worthy Grand Matron, Worthy Grand Patron, Officers and Members of the Grand Chapter of Missouri:

The members of your Finance Committee of this Sixtieth Annual Session of the Grand Chapter, Order of the Eastern Star of Missouri, have given due consideration to the problems that confront not only this Grand Chapter, but also affects our entire social and economic and fraternal system. It is therefore wise and prudent to husband our resources, without disturbing its forceful and needed activities. With this end in view, your Committee on Finance has reviewed the requests of each and every item, and finds that even though the needs are all worthy, the Committee however has had before it the reduced income occasioned by a decrease in membership and remissions. The Committee feels that this Grand Chapter now in session senses this situation, and with all worthy causes presented, the Committee hesitates to curtail the many worthy requests. All who have appeared before the Finance Committee have presented their cause in a fair and just manner, and the Committee after due deliberation makes its report, assured that the membership will be assured of our best efforts in its behalf.

The budget of 1933-1934 as prepared made allowances to the amount of Fifty-three Thousand, Nine Hundred Eleven and 32/100 Dollars ($53,911.32); this Committee no doubt made the various allowances for our activities, and in this allowance they displayed sound judgment and intelligent foresight, thereby establishing a useful yard-stick, and in this precedent we were guided. The manner each part was distributed and the care in its disbursement reflects great credit to all, and particularly the Finance Committee desires to call attention to this Grand Chapter of the saving occasioned by the care evinced by our Grand Secretary, Sister Pearl E. Peabody. Through her foresight, we have been able from year to year to effect a considerable saving in the cost of the printing of our proceedings and this Grand Chapter is entitled to have this information, especially in these times when every dollar must be carefully expended. During the year 1933-1934 the sum of Thirty-five Hundred Dollars ($3,500.00) was allowed, and through competitive bidding, the Grand Secretary was able to save the sum of Eight Hundred Fifty-eight and 28/100 Dollars ($858.28), and in addition other sums were saved, making in all a total saving return of

Twenty-one Hundred Seventy-four and 77/100 Dollars ($2,174.77). To be more specific, out of the budget sum allowed by the Finance Committee for the year of 1933-1934 of Fifty-three Thousand, Nine Hundred Eleven and 32/100 Dollars ($53,911.32) only Fifty-one Thousand, Seven Hundred Thirty-six and 55/100 Dollars ($51,736.55) was used.

Due consideration has been given to our present financial condition as noted on page 113 of our 1934 reports. The Grand Treasurer, Sister Estelle D. Walker, reports a net total of Sixty-three Thousand, Eight Hundred Seventy-five and 3/100 Dollars ($63,875.03); out of this sum we have Three Thousand, Nine Hundred Thirty-nine and 14/100 Dollars ($3,939.14) in closed banks, and a Ten Thousand and no/100 Dollars ($10,000.00) Liberty Bond, so your Finance Committee has all this before it, and is mindful of the lessons we have all learned, to maintain ourselves on a less sum.

Through reduced membership and remissions your Finance Committee notes, and for your information desires to call attention to the difference in the sum that will accrue to our great institution, the Masonic Home, the Home so deep in our hearts.

As these amounts are set by law, this 25c per capita, our disbursement or allowance is Fifteen Thousand, Seven Hundred Ninety-three and 25/100 Dollars ($15,793.25) for 1934-1935, as against the sum Seventeen Thousand, One Hundred Ninety-seven and 75/100 Dollars ($17,197.75) allowed as per law by the Finance Committee of 1933-1934. The Finance Committee desires to acquaint this Grand Chapter of the money it has allowed for disbursement for 1934-1935 a total of Fifty-two Thousand, One Hundred Fifty-two and 21/100 Dollars ($52,152.21).

Again the Finance Committee desires to call the attention of this Grand Chapter to this explanation: with the sum on hand of Fifty-three Thousand, Eight Hundred Seventy-five and 2/100 Dollars ($53,875.02), less Three Thousand, Nine

Hundred Thirty-nine and 14/100 Dollars ($3,939.14) in closed banks, we will have available for disbursement the sum of Forty-nine Thousand, Nine Hundred Thirty-five and 88/100 Dollars ($49,935.88).

Immediately following adjournment of this Grand Chapter meeting the sum of approximately Forty Thousand Dollars ($40,000.00) will be disbursed, leaving the sum of Nine Thousand, Nine Hundred Thirty-five and 88/100 Dollars ($9,935.88) available for the running of this Grand Chapter until the returns are received from our 1935 dues.

The Finance Committee recommends that the sum of Twelve Hundred and no/100 Dollars ($1,200.00) be allowed the Welfare Committee, on account of the extreme necessity that has arisen due to the conditions prevailing throughout our Grand Jurisdiction.

The Finance Committee recommends that the expense accounts of the Worthy Grand Matron, Worthy Grand Patron and Grand Lecturer be issued quarterly by the Grand Secretary.

Your chairman desires that this Grand Chapter extend its thanks to the other members of the Finance Committee.

The following is the proposed budget which your Committee has set forth, from which all approved bills for the year shall be paid:

Two years ago the Scholarship Fund Board gave $500.00 to two members of the Masonic Home family to be used for tuition for their higher education, with the understandiing that Grand Chapter had made the appropriation.

As this amount was not paid over to the Board the result was that this amount was taken from the revolving fund, which was appropriated for loan purposes. It is the request of the Board that this amount of $500.00 should be appropriated to the revolving fund. However, they recognize the exigency of this year and agree that this amount should not be asked for this year, but wish to go on record as requesting that in the near future this amount will be returned to this fund.

Report of the O. E. S. News Correspondent

Sister Olivia O. A. Metz, O. E. S. News Correspondent read her report which was adopted.

To the Worthy Grand Matron, Worthy Grand Patron, Officers and Members of the Grand Chapter of Missouri, Order of the Eastern Star:

In submitting my report as O. E. S. News Correspondent, I beg you to visualize with me the surroundings of what was probably the first ''news correspondent'' known to the Christian World. When the Star appeared in the heavens o'er the little town of Bethlehem, it brought a divine and ever-living message. How appropriate, then, that centuries later the Grand Chapter of Missouri, Order of the Eastern Star, should designate one of its members as News Correspondent. We need not be astrologists to realize the benefit derived from the message brought by that Star, nor need we be satellites to perceive that no humble member of our Order can bring so beautiful and sacred a message. Nevertheless, in the performance of my duties as your ''News Correspondent,'' I have endeavored to think, live and write with the watchword ''Faith,'' chosen for the ''Green Year,'' as my guiding spirit, for upon Faith alone can I rely for my inspiration.

My first duty was to compile a complete and detailed account of the Fifty-ninth Session of the Grand Chapter of Missouri.

I had the pleasure of attending the Schools of Instruction in the 33rd and 57th Districts and the banquet honoring the Worthy Grand Matron and Worthy Grand Patron; the Official Visits of Sister Green and Brother Mathonet to the 9th, 33rd and 57th Districts, and all social functions in connection therewith; the Reception given by the Matrons and Patrons of the 33rd and 57th Districts, under the guidance of the Grand Officers residing in St. Louis, as an anti-climax to this Grand Session, and parties given in honor of the Grand Conductress, Associate Grand Conductress, Grand Ruth and Grand Marshal, by their respective Chapters.

With the co-operation of Past Grand Matrons, Grand Officers and subordinate chapter correspondents, I was enabled to present articles recounting the activities of other Schools and Visits.

I have inserted in the fraternal publications news of joys and sorrows of the members of the Grand Family, appointments made during the year by our Worthy Grand Matron, and by the Most Worthy Grand Matron where it concerned Missouri. I have impartially gathered news regarding the activities of bodies organized within our Order, chiefly by personal attendance, also with the aid of the members of such bodies.

Through the courtesy of the publisher of a monthly bulletin, I have been privileged to keep in touch with many members of our Order. To those who have read my articles and then commended my work, I owe a debt of appreciation, for the courage this brought me inspired me to increase my efforts.

I have cheerfully handled articles prepared by chapter correspondents, edited them where necessary, and placed them in the publishers' hands for insertion in the next earliest issue.

I have sent a copy of each article I prepared for publication to the Grand Secretary.

I have received many invitations to parties, accepted most of them, and appreciated the courtesy thus bestowed.

To Sister Page, Grand Lecturer, I am grateful for the information supplied me regarding her itinerary of schools; to Sister Peabody, Grand Secretary, I am indebted for information concerning the Official Visits of the Worthy Grand Matron, the appointments made, the deaths of Past Grand Matrons and Past Grand Patrons and members of the immediate families of Grand Officers, and many points of information sought by me from time to time; and to all Grand Officers, District Deputy Grand Matrons and members of our Order who brought items of interest to my attention.

I appreciate the very loyal support and co-operation accorded me by the publishers, both fraternal and newspaper, in publishing my articles almost verbatim.

It was my good fortune to have the motto ''Service Above Self,'' under which I served as Worthy Matron in 1932, as a background for my year as your Correspondent, for it was in this spirit that I prepared news articles about all happenings.

I sincerely thank you, Sister Green, for the honor bestowed upon my Chapter, for the privilege of serving Grand Chapter as News Correspondent, and for the contacts it afforded me with the membership at large, as it is my belief that time is well spent in serving so noble an organization as our beautiful Order of the Eastern Star.

Sincerely and fraternally,

OLIVIA O. A. METZ.

REMARKS

Sister Loula Cornwell, Worthy Grand Matron of Arkansas, a former member of Friendship Chapter No. 214, St. Louis, extended greetings from her Grand Jurisdiction and expressed her pleasure at meeting with the members of the Order of the Eastern Star in Missori.

MOTION

The Grand Secretary moved that Brother John Hammill, Most Worthy Grand Patron of the General Grand Chapter; Sisters Gertrude May, Associate Grand Matron of Iowa; Loula Cornwell, Worthy Grand Matron of Arkansas; Robbie Griffin, Worthy Grand Matron of Tennessee; Josie Rankin, Past Grand Matron of Mississippi, and Amanda Ellen McDaniel, Past Grand Matron of Oklahoma, be made Honorary Members of this Grand Chapter.

Motion carried.

Sister Gertrude May thanked the Grand Chapter in behalf of those so honored.

INTRODUCTION

Sister Ruth Green, daughter of the Worthy Grand Matron was introduced, welcomed by the Worthy Grand Matron and Worthy Grand Patron and escorted to the East.

Report of Necrology Committee

Sister Laura Kirkpatrick, Chairman of the Necrology Committee, read the report. An impressive Memorial Service was rendered by the Grand Officers, District Deputy Grand Matrons and Worthy Matrons of the 33rd and 57th Districts. Sister Kirkpatrick moved the adoption of the report.

Motion carried.

Worthy Grand Matron, Worthy Grand Patron, Sisters and Brothers:

In the midst of this busy session and happy reunion and from an established custom, we pause, for an hour in which to pay tribute to the memory of our Sisters and Brothers who have passed to the "Great Beyond."

As the shadows lengthen and the day draws to its close the beautiful rays of the setting sun as they are reflected across the evening sky, bring to us the promise of a bright and beautiful morning which will follow the night.

Thus it is with our earthly life; the day passes and the eventide comes, but just beyond the night breaks the everlasting morning of celestial life.

Death is no respector of persons. Some answer the call in the early morning ere the sun has dried the dew that gives to life its sweetest fragrance, others at high noon when fatigue has not even warned the vigor and strength of middle age; and yet others in the quiet eventide lay down the burden of their years and pass on.

When we have performed our allotted tasks we must surrender our trust of years to the Omnipotent God who lent it. May we who await the summons prove worthy of our trust and pursue our labors with a spirit of harmony and unselfishness.

During the past year the Grim Reaper has invaded our ranks and claimed for Himself some of the noblest, truest and most devoted of our members.

Many family circles have been broken but the parting is only temporary and we rejoice in the gracious promise that the meeting will be eternal in the heavens in that city not made with hands.

To those whose loved ones have passed on we extend our tenderest sympathy. May you with Martha's trustful faith look beyond the grave and know that these dear ones are safely abiding in that far away land where Angels dwell.

Solo:

It is with a heart full of gratitude and due appreciation of the Divine grace of Him, "Who marks the sparrow's fall," we report that death has not visited our official family.

Sister Ida Belle McCoy, Grand Martha, was called upon to give up her father.

Four links have been taken from the ranks of our Past Grands and the silent messenger has entered the homes of four.

Sister Mary E. Wiedenmann, Past Grand Matron, lost her mother.

Sister Kathryn E. Spangler, Past Grand Matron and Sister Georgia S. Bondurant, Past Grand Matron each mourn the loss of their father.

Sister Estelle D. Walker, Grand Treasurer, mourns the loss of a sister.

Sister Anna Mathewson, Grand Representative of Ohio, died October 10, 1933.

To the loved ones bereaved we extend fraternal sympathy.

Missouri mourns with other Grand Jurisdictions and Subordinate Chapters because of sadness at parting with loved ones.

To their memory we inscribe the following pages.

By direction of the Worthy Grand Matron, the Grand Marshal proclaimed the Grand Chapter called from labor to rest until 9:00 A. M.

THURSDAY MORNING SESSION, OCTOBER 11, 1934

Musical Program..Bridgeton Choral Club

At 9:00 a. m. the Grand Sentinel vouched for all present being members of the Order and by direction of the Worthy Grand Matron, the Grand Marshal proclaimed the Grand Chapter called from rest to labor.

MINUTES

The Grand Secretary read the minutes of Wednesday's Session which were approved as read.

INTRODUCTION

Brother DuVal Smith, Most Worshipful Grand Master A. F. & A. M. of Missouri, was introduced and welcomed by the Worthy Grand Matron and Worthy Grand Patron. Sister Annie Lee Smith, Past Grand Matron, aunt of Brother Smith, also welcomed him and paid him a splendid compliment as a boy, man and Mason. Brother Smith was escorted to the East and given Grand Honors.

He delivered an eloquent and inspiring address which was greatly appreciated by the delegates of the Grand Chapter, in part as follows:

"I do not attempt to prepare a speech since I read of the young Scotch minister who labored long on his first effort. He gave it in a monotone so the story said. It lasted a long time, but he finally got it out of his system. He was anxious to know what one of the old brethren thought of his first sermon and he asked him what his opinion was of the sermon, and the frank old brother blurted out, 'I did na like your sermon for three reasons: in the first place you read it; in the second place you din na read it weel, and in the third place it was na worth the readin'.' "

Nor do I attempt to be original because you know Kipling said of Homer:

"When 'Omer smote 'is blooming lyre,
He'd 'eard men sing by land and sea;
An' what he thot 'e might require,
'e went an' took—the same as me.

The market-girls an' fishermen,
The shepherds an' the sailors, too,
They 'eard old songs turn up again,
But kep' it quiet—same as you.

They knew 'e stole; 'e knew they knowed,
They didn't tell, nor make a fuss,
But winked at 'Omer down the road,
An' 'e winked back the same as us."

So there is nothing original under the sun and anything that I might say here this morning, whether it be written or spoken as it comes to me, would not, as you know, be original.

It has been said, though, that this age is an age of forgetfulness; that notwithstanding all the modern inventions and the great strides of science; that mankind today is not any happier, if as happy; is no more content, if as content, as mankind a century ago when the wants were fewer and the blessings of life were given after struggle.

It has been said that we forget to look to the future and to prepare ourselves for what comes beyond, because we forget the experience of the past; we forget that our ancestors had to go through many distressing years that we might have the comforts and the luxuries of the present age.

We forget that laws are made for all of us and do not realize that these laws which we make, perhaps too many laws, were intended to be respected and obeyed by each one of us unless, perchance, we get in trouble and are found guilty or should be found guilty.

We forget that crime could be greatly controlled by education; we forget that all criminals are cowards and that we should be able by education and right legislation to check and cope with crime. We forget many, many things.

We forget that prosperity cannot be legislated into existence. We forget that we cannot legislate righteousness into people; we forget our neighbors; we forget our God; we forget to do those things for our fellowmen, which should bring happiness to all of us. We neglect and overlook to indulge those things which increases our faith in the one living and true God. So perhaps it has properly been said that this is an age of forgetfulness.

We forget the tenets of this Great Order. We Masons forget to live up to our obligations.

I am not preaching to you, my friends. I am telling you what I would like to be and what I don't want to be. But through it all there is much hope. What we need is a spirit of calm courage. I am not speaking in a gloomy vein, I trust, but through it all there is so much in the teachings of this great Order that can remedy these situations. We read of some heinous crime and we say, "That is terrible; isn't that awful?" but we do not do anything about it.

One of the great things of this Order, which is outstanding, I think, is the ideals which are promulgated and the efforts that are made to give to children an education. I mean, especially, the scholarship loan fund, because I have heard something of that particular fund. Every child is entitled to an education. Perhaps there would be one less crime each day if that particular criminal had had the advantages of an education or at least some of the refinements of a home.

I am not offering any panacea for this age of turmoil of hurrying to and fro, an age when we are trying to cram 48 to 60 hours in a short 24 hours. It is a problem that each one of us perhaps must work out for ourselves, but there is, I think, one great trait which will help us to bear the many distressing problems which confront us. Courage! You know while we are getting other things, we have forgotten that our forefathers passed through financial and other critical financial depressions and other critical periods in their lives. We should remember the past and fortify ourselves for another future panic, because they are bound and certain to come.

And while I am speaking of education, the thought occurs to me, it was one of my first pleasures after I was elected Grand Master the last part of September as Grand Master in the name of Ancient Free and Accepted Masons, to lay the cornerstone of the receiving building of the Children's Home Society of the State of Missouri.

You know as much of the Masonic Home, perhaps, as I do and the great work that has been done and will be done, but every human being has a claim on our kind officers and if any of you do not know of the splendid work of the Children's Home Society of the State of Missouri, the home is located at 4427 Margaretta Avenue here in St. Louis. That institution has existed for many years. It takes and gives children a home that the Masonic Home cannot take. They take the children that no church or no lodge can take and it is a wonderful institution and I hope that all of you will become a friend of that Home. They are endeavoring to complete that building and get in there by Christmas time, and while we are on the subject of education and attempting to do some constructive work, I just thought that I would call to your attention the Children's Home Society of the State of Missouri.

Worthy Grand Patron, I as Grand Master of the Grand Lodge of Ancient Free and Accepted Masons of the State of Missouri, extend to the Grand Chapter of the Order of the Eastern Star all good wishes and hearty greetings.

I must not talk long to you good people, because I know how busy these sessions are of Grand Chapter. And so I have no panacea to offer. I think that our fraternal work and our everyday life and our welfare work should be one of joy and happiness and not one of gloom and of pessimistic nature, but through it all because of the tenets of such orders as the Order of the Eastern Star and the tenets and teachings of Masonry, we can say much that will encourage us to go forward and to be of service to God and fellowmen in our teachings.

And what I am trying to say, I think can best be expressed in the words of the greatest poet and one of the greatest philosophers of Germany, who was a Mason—a prominent Mason—whose works show the influence of Masonry on his life, Goethe. He said:

"Without haste! without rest!
Bind the motto to thy breast;
Bear it with thee as a spell;
Storm or sunshine, guard it well!
Heed not flowers that round thee bloom;
Bear it onward to the tomb!

Haste not! rest not! calmly wait,
Meekly bear the storms of fate;
Duty be thy polar guide;—
Do the right, whate'er betide;
Haste not! rest not! Conflicts past,
God shall crown thy work at last."

AMENDMENT

The Grand Secretary read an amendment to Article XXI, Section 164, by adding the following sentence, ''Notice to members shall not be required for a special meeting called solely for the purpose of installing the officers; so that the section when amended, shall read:

Section 164, Special Meeting. A special meeting of a Chapter shall be held at the usual place of meeting at such time as the Worthy Matron may direct upon notice to resident members; the object of the meeting shall be stated in the notice and at such special meeting no business shall be transacted except that for which the Chapter shall have been convened. Notice to members shall not be required for a special meeting called solely for the purpose of installing officers.

Brother Eugene Altheimer, Chairman of the Finance Committee, moved to amend the original motion by substituting the following motion:

Inasmuch as the General Grand Chapter, Order of the Eastern Star, will meet in its Twenty-first Triennial Assembly at Tampa, Florida, the week beginning November 18 and, inasmuch as Missouri is one of the largest jurisdictions affiliated with that body, and should have the accustomed representation, I move that this Grand Chapter send the Worthy Grand Matron and Worthy Grand Patron elect, to this meeting. Necessary expenses not to exceed $125.00 each, to be allowed by this Grand Chapter.

Sister Alice K. Schultz moved to amend the amendment by inserting ''and Grand Lecturer.'' Amendment to the amendment lost.

Motion as amended carried.

ANNOUNCEMENT

The Grand Secretary announced that she had received a document in which charges were preferred by a member against the Worthy Matron and Worthy Patron of a Subordinate Chapter in this Grand Jurisdiction.

Report of the Jurisprudence Committee

Brother John Mueller, Past Grand Patron, member of the Jurisprudence Committee, read the report, which was voted on by sections:

Worthy Grand Matron, Worthy Grand Patron, Officers and Members of the Grand Chapter:

The Committee on Jurisprudence submits the following report:

We have reviewed all of the reports submitted to this Session of the Grand Chapter by the several grand officers and have given consideration to those matters referred to us by the Committee on Distribution.

In re: REPORT OF WORTHY GRAND MATRON

We recommend for approval the official acts of the Worthy Grand Matron with reference to appointments, formation of Sections A and B in the Thirty-third District, granting and refusing dispensations, refusal of permission to reduce dues contrary to the by-laws of the chapters involved or below the minimum amount specified in the laws of the Grand Chapter, refusal of permission to give out information and membership lists sought by extraneous organizations.

Adopted.

We recommend for approval the answers to questions 1 to 6, inclusive; 9 to 20, inclusive; and 22 to 38, inclusive.

As to the answers to questions 7 and 21, we recommend for approval such answers, excepting in so far as they authorize the return of unearned dues to a brother who has lost his membership in our Order because of his suspension or expulsion from his Masonic Lodge. It is the opinion of this committee that no law exists authorizing such refund and feel that the same rule should be applied as was very properly applied by the Worthy Grand Matron when she ruled that unearned dues could not be returned to the family of a member who had died.

Adopted.

We interpret the answer to question No. 8 as referring to reinstatements after suspension for non-payment of dues. Keeping this interpretation in mind, the answer given was correct. The ruling of the Worthy Grand Matron, having to do with elections by acclamation in Puxico Chapter, No. 422, and Nevada Chapter, No. 53, were correct and their approval is recommended.

Adopted.

The rulings, having to do with the election to office by Neosho Chapter, No. 192, of brothers who had lost their Masonic membership and the election to membership by Hornersville Chapter, No. 523, the ballot having been taken in the absence of a brother, were correct, and their approval is recommended.

Adopted.

With reference to the charges filed in Bethlehem Chapter, No. 483 and Loyalty No. 420, the committee is of the opinion that the Worthy Grand Matron acted wisely in pointing out to these chapters that the charges as filed did not conform to Sections 337 and 338 of our law.

Adopted.

The committee also recommends for approval the action of the Worthy Grand Matron in refusing the printing of a poem containing parts of the secret work of the Order.

Adopted.

The committee is of the opinion that it was within the province of the Worthy Grand Matron to request the Secretary of the Associate Matrons' and Patrons' Club of Kansas

City and the DeMolays to recall circular letters written to the secretaries of various chapters, on the sole ground that the expressed authorization of the Worthy Grand Matron had not been given to the sending of such letters.

Adopted.

The committee recommends for approval the rulings of the Worthy Grand Matron with reference to the use of liquor advertisements on programs. We approve the rulings on life memberships.

Adopted.

The committee recommends for approval the suggestion that Section 150 of our law be amended to conform with the code. We therefore submit the following resolution:

RESOLVED, That Sec. 150 of the By-Laws be amended by striking out the first two words of the section and inserting in lieu thereof the words, ''Two copies,'' and further, that the section be amended by striking out the words, ''It shall be placed in charge of the Worthy Matron of the chapter and transmitted to her successor in office at the time of the installation of officers,'' and inserting in lieu thereof, ''One copy of the secret work shall be placed in charge of the Worthy Matron of the chapter and one copy shall be placed in charge of the Worthy Patron of the chapter and shall be transmitted to their successors in office at the time of the installation of officers,'' so that the section, when amended, shall read as follows:

''Sec. 150. LOST CIPHER. Two (2) copies of the secret work of the Order shall be issued to each subordinate chapter, the same to remain the property of the Grand Chapter. One (1) copy of the secret work shall be placed in charge of the Worthy Matron of the chapter, and one (1) copy shall be placed in charge of the Worthy Patron of the chapter, and shall be transmitted to their successors in office at the time of the installation of officers. When originally issued, the

Grand Secretary shall take a receipt for the same, which shall be filed in her office. If any subordinate chapter shall lose a copy of the secret work, a new copy will be supplied by the Grand Secretary, upon the submission of satisfactory evidence of loss, and the payment of a fine of Five Dollars ($5.00).

''This section shall not be construed to prevent the use of the cipher or secret work by any officer of the chapter.''

Approved.

With reference to the suggestion that Sections 266, 304 and 379 be amended, the committee is of the opinion that these sections, considered with other sections of our law, are not so ambiguous as to require amendment.

Adopted.

The committee recommends the approval of the suggestion that Sec. 282 be amended so as to be consistent with Sec. 153. The committee therefore proposes the following resolution:

RESOLVED, That Section 282 of the Rules and Regulations pertaining to subordinate chapters be amended by striking out the word ''balls'' wherever this word appears in the section and inserting in lieu thereof, the word ''cubes,'' so that the section, when amended, shall read as follows:

''Sec. 282. COLLECTIVE BALLOTING. A chapter may ballot on any number of petitions for degrees and affiliation collectively by obtaining unanimous consent of the members present at the time the ballot is spread. If, on the collective ballot, one or more black cubes appear, then that ballot shall not be counted. The petitions may then be balloted upon in groups of five or less and if one or more black cubes appear in the ballot on any group, this ballot shall not be counted and the petitions shall then be balloted upon individually.''

Approved.

The committee is of the opinion that Section 291 need not be amended as suggested, for the reason that it presents no great ambiguity.

Adopted.

The committee approves the suggestion that Section 281 be amended and therefore offers the following resolution:

RESOLVED, That Section 281 of the Rules and Regulations for the government of subordinate chapters be amended by inserting the words, "Associate Patron" after the words, "Associate Matron," so that the section, when amended, shall read as follows:

"Sec. 281. EXAMINATION OF BALLOT. After the ballot has been taken and examined by the Associate Matron, Associate Patron, Worthy Matron and Worthy Patron, the result shall be declared by the Worthy Matron, unless only one negative vote appears, in which case she shall order the second trial of the ballot, which shall in all cases be final."

Approved.

The committee does not recommend amendments of Sections 207 and 301, being of the opinion that our law clearly renders these sections understandable.

Adopted.

In re: REPORT OF WORTHY GRAND PATRON

We recommend for approval the official acts of the Worthy Grand Patron.

The committee is in hearty accord with the suggestion of the Worthy Grand Patron that as a strictly business proposition it would be well for chapters to deposit in a separate account the per capita tax collected from the members of the chapter. We feel that this suggestion, if given practical effect, will greatly assist the chapters in the payment of their per capita tax. The committee, however, is of the further opinion that no legislation should be enacted compelling the chapters to follow this suggestion.

Adopted.

The committee welcomes the suggestion that the membership of our Order be urged to contribute at least ten cents (10c) per member each year for the purpose of raising funds for scholarships for children at the Masonic Home. We feel, however, that no legislation should be enacted requiring these contributions.

Adopted.

In re: REPORT OF GRAND SECRETARY

We recommend for approval the action of the Grand Secretary in receiving various charters of subordinate chapters which were surrendered during the past year, as well as issuance of a Grand Chapter demit.

Adopted.

In re: AMENDMENTS

We find the resolutions seeking the amendment of Sections 73, 74 and 75 (Art. X), and the proposal to insert a new section to be known as Section 75-A and the proposed amendment to Section 78, Art. XI; 79, 80 (Art. XI), and the insertion of a new section known as Section 80-A, to be in proper form, but the committee recommends that these amendments be not adopted.

Amendments rejected and report adopted.

With reference to the proposal to amend the By-Laws of the Grand Chapter by adding a section known as Section 118-A—extraneous orders. The committee reports that it has studied this section thoroughly and feels that the Grand Chapter should determine its policy with reference to the matters specified in said section and that this committee should merely report that the resolution is in proper form and that it has no additional recommendation to make with reference to the proposal.

Amendment adopted and report adopted.

With reference to the proposed amendment to Section 182, having to do with the bonding of chapter secretaries and treasurers. The committee does not recommend the adoption of the proposed amendment, but offers the following resolution as a substitute therefor:

RESOLVED, That Section 182, Art. XXI, be amended by adding the following paragraph to the section:

''A chapter may be relieved from the bonding of its secretary and treasurer, providing it obtain the consent, in writing, therefor from the Worthy Grand Matron, Worthy Grand Patron and the Chairman of the Finance Committee,'' so that the section, when amended, shall read:

''Sec. 182. BY-LAWS, CHAPTER. Every chapter shall adopt By-Laws for its government, which shall not conflict with the laws of the Grand Chapter. Such By-Laws shall fix the time for its stated meeting, fees for the degrees, the annual dues of members, the number necessary for a quorum, provide for the bonding of the Secretary and Treasurer in an amount adequate to protect the chapter funds, and the manner in which its By-Laws may be amended.

''A chapter may be relieved from the bonding of its secretary and treasurer, providing it obtain the consent, in writing, therefor from the Worthy Grand Matron, Worthy Grand Patron and the Chairman of the Finance Committee.''

Substitute amendment rejected.

Brother Mueller moved the adoption of the proposed amendment as printed in the 1933 Proceedings, paragraph 1, page 272.

Amend Section 182, Article XXI, by inserting in the second sentence, after the word ''Treasurer,'' the following words: ''Whenever the cash balance on hand on April 1 shall equal or exceed the sum of five hundred dollars ($500.00),'' so that the section when amended shall read:

Section 182, Article XXI. By-Laws, Chapter. Every chapter shall adopt By-Laws for its government, which shall not conflict with the laws of the Grand Chapter. Such By-Laws shall fix the time of its stated meetings, fees for the degrees, the annual dues for members, the number necessary for a quorum, provide for the bonding of the Secretary and the Treasurer, whenever the cash balance on hand on April 1st shall equal or exceed the sum of five hundred dollars ($500.00), in an amount adequate to protect the chapter funds, and the manner in which its By-Laws may be amended.

Brother Otis Clonts moved to amend the amendment by striking out the words ($500.00) and inserting ($200.00).

Amendment to amendment lost.

Amendment adopted.

The committee has studied the resolution amending Section 188, Art. XXI, having to do with Boards of Relief, and finds the resolution to be in proper form, but recommends that the resolution be not adopted.

Amendment rejected and report adopted.

The committee has examined the resolution to amend Section 292, Art. XXVIII, and finds it to be in proper form, but recommends that it be not adopted. The committee proposes, however, the following substitute amendment:

''They shall be printed on tinted stock, the tint shall be changed each year, and the year of issue shall be further indicated on the face of the receipt by clear and easily readable figures;'' so that the section, when amended, shall read:

''Sec. 292. RECEIPT FOR ANNUAL DUES, FORM. Official receipt blanks for dues must be purchased from the

Grand Secretary. Said receipts shall be uniform and on the reverse side thereof shall bear the printed seal of the Grand Chapter and the facsimile signature of the Grand Secretary. They shall be printed stock, the tint shall be changed each year, and the year of issue shall be further indicated on the face of the receipt by clear and easily readable figures.''

Substitute amendment rejected.

Brother Mueller moved the adoption of the proposed amendment as printed in the 1933 Proceedings, paragraph 5, page 273.

Amend Section 292, Article XXVIII: Receipt for Annual Dues, Form. By adding to this section, the following paragraphs: ''The Secretary of Subordinate Chapters will stamp the YEAR on the face of each receipt for dues, by using a rubber stamp with RED stamp pad ink. The rubber stamp to be an outline type design, about a size three-quarters by two inches, as per facsimile copy furnished by the Grand Chapter, so that said stamp will not interfere with the legibility of other reading matter.

''Subordinate Chapters may have the YEAR printed in RED ink as per facsimile copy furnished by the Grand Chapter, if they so desire,'' so that when amended the section shall read:

Section 292, Article XXVIII: Receipt for Annual Dues, Form. Official receipt blanks for dues must be purchased from the Grand Secretary. Said receipts shall be uniform and on the reverse side thereof shall bear the printed seal of the Grand Chapter and the facsimile signature of the Grand Secretary.

The Secretary of Subordinate Chapters will stamp the YEAR on the face of each receipt for dues, by using a rubber stamp with RED stamp pad ink. The rubber stamp to be an outline type design, about a size three-quarters by two inches, as per facsimile copy furnished by the

Grand Chapter, so that said stamp will not interfere with the legibility of other reading matter.

Subordinate Chapters may have the YEAR printed in RED ink as per facsimile copy furnished by the Grand Chapter, if they so desire.

Amendment rejected.

The committee has studied the resolution amending Section 294, Art. XXVIII, and finds the resolution to be in proper form and recommends its adoption.

Amendment adopted.

The committee has studied the resolution amending Section 298, Art. XXVIII, and finds same to be in proper form and recommends its adoption.

Amendment adopted.

The committee has studied the resolution amending Section 309, Art. XXXII, having to do with objections to visitors, and finds the resolution to be in proper form, but recommends that the resolution be not adopted.

Amendment rejected and report adopted.

We have considered the recommendation of the Committee on Charity and are of the opinion that economic conditions are such as to make it impossible to determine the ultimate needs of Grand Chapter. We feel, therefore, that no amendment should be proposed at this time.

Adopted.

We have considered the recommendation of the Committee on Chartered Chapters with reference to the preparation of new chapter report blanks, and recommend that this matter be referred to the Grand Secretary with instructions to prepare such blank as suggested by the Committee on Chartered Chapters.

To the Worthy Grand Matron, Worthy Grand Patron, Other Grand Officers and Members of the Grand Chapter of the Order of the Eastern Star of Missouri:

In regard to the recommendations concerning the Flag Ceremony made by the Worthy Grand Matron and Worthy Grand Patron, we recommend the revision of same as follows:

Page 8, Paragraph 6, line 1, insert "or Flag Bearer" after the word "Sentinel" and add, "Should the Flag Bearer and the Flag be within the room, the Worthy Matron shall say: "Sister or Brother Flag Bearer you will present the Flag." The paragraph as amended shall read "Sister Warder, you will invite the Sentinel or Flag Bearer to enter the room.

Should the Flag Bearer be within the room, the Worthy Matron shall say, "Sister or Brother Flag Bearer you will present the Flag."

Page 8, Paragraph 7, strike out the whole paragraph and insert the following in lieu thereof: "When this announcement is made, the Conductress and Associate Conductress rise and leave their stations as per Fig. 1, walking west, keeping close to the north and south sides of the aisle. The organist plays "The Star Spangled Banner." The Warder and the Flag Bearer should arrange entrance so that the Conductress and Associate Conductress will stand at points farthest West, facing the Flag as it appears. When the Flag Bearer is in line with these two officers, the Conductress counter marches right and the Associate Conductress counter marches left. The Flag Bearer marches east, on a diagonal line, to the north side of Esther's station, turns and continues east halfway between the Altar and Star Officers as per Fig 1. Flag Bearer grounds the Flag.

Page 10, Paragraph 2, add the words: "or You will unite with me in saluting the Flag," so that the paragraph as amended shall read, "You will unite with me in repeating the pledge of allegiance to the Flag," or "You will unite with me in saluting the Flag."

Page 10, Paragraph 4, lines 3 and 4, strike out the words, "While the third stanza is being sung," so that the paragraph as amended shall read, "After the pledge is given, the Flag Bearer, Conductress and Associate Conductress retire as per Fig. 2. The Flag Bearer should be slightly in advance of the Conductress and Associate Conductress. The latter keep opposite each other.

Page 10, Paragraph 8, strike out the entire paragraph.

We notice that there is no provision made in the Blue Book for the manner of carrying the Flag. We, therefore, recommend that the Flag be carried according to the manner prescribed in the "National Flag Code."

We recommend that all of the recommendations presented by the Grand Lecturer be adopted except the one listed:

Page 18, Paragraph 4. Change this recommendation by striking out the words "Turns and" as well as "passes south to the point of entrance so when amended shall read: "When she had been instructed to bear the ballot west, the Associate Conductress enters the Labyrinth, secures the ballot box and leaves the Labyrinth of the Star on an angle between the points of Esther and Martha, turns to the left and advances to Esther's station, then to the West, places the ballot box upon the pedestal, faces the north, and steps two steps backward, turns and faces the East, remaining in that position until she has been instructed to bear the ballot to the East." AMENDMENTS TO THE RULES AND REGULATIONS FOR THE GOVERNMENT OF SUBORDINATE CHAPTERS

Adopted October, 1933

Sec. 380. **Restoration by Grand Chapter.** On appeal, after rejection by a Subordinate Chapter, the Grand Chapter shall have power to restore an expelled member of the Order to the rights of the Order of the Eastern Star, after expiration of two years from the date of sentence; but, in such case, such restored member shall be granted a Grand Chapter Dimit and remain unaffiliated until restored to membership by a Chapter, as restoration by action of the Grand Chapter does not restore to membership in the Chapter. Application for restoration to the rights of the Order in such case shall be by written petition to the Grand Chapter—a copy of which shall be furnished to the Subordinate Chapter.

Any member who has been expelled and afterwards restored to the rights of the Order by Grand Chapter may present his or her petition, with the Dimit, to any Chapter.

Adopted October, 1934

Section 118-A, Article XVIII. **Extraneous Orders.** No Organization or Order, except the Order of the Eastern Star, shall be permitted to exemplify its rtual or floor work, in any session of this Grand Chapter, nor shall any extraneous Ritualistic Order, as such, be permitted to enter any session of this Grand Chapter, nor shall there be any recess of the Annual Session of the Grand Chapter called for the purpose of admitting any such Organizaton or Order.

Section 182, Article XXI. **By-Laws, Chapter.** Every Chapter shall adopt By-Laws for its government, which shall not conflict with the laws of the Grand Chapter. Such By-Laws shall fix the time of its stated meetings, fees for the degrees, the annual dues for members, the number necessary for a quorum, provide for the bonding of the Secretary and the Treasurer, whenever the cash balance on hand on April 1st shall equal or exceed the sum of five hundred dollars ($500.00), in an amount adequate to protect the Chapter funds, and the manner in which its By-Laws may be amended.

Section 294, Article XXVIII: **Must Show Receipt.** All delegates or members of the Grand Chapter shall be required to show their credentials and their official receipt for dues for the current year before the Credentials Committee may register them at any session of the Grand Chapter; provided that the Credential Committee may, in lieu of the receipt, accept a proper voucher from any regularly registered delegate.

Section 298, Article XXVIII: **Remission of Dues for Life Membership.** A Chapter may, by its By-Laws, provide for life membership and exemption from Chapter dues of any of its members, conditioned upon length of membership or other meritorious cause, but dues to the Grand Chapter shall be paid by such member the same as other contributing members of the Chapter.

Amendments

Proposed at the 1934 Session of Grand Chapter

The following amendments were presented at the 1934 Session, and according to Section 122 must lie over until the next Annual Session of the Grand Chapter, when they will again be brought up by the Committee on Jurisprudence, and if approved by two-thirds of the members present and voting, shall become a part of the By-Laws of the Grand Chapter:

Amend Grand Chapter By-Laws by adding a new section to be known as Section 91a, Article XIV, reading as follows:

Section 91a. The Committee on Jurisprudence, the Committee on Finance, and the Committee on Appeals and Grievances shall each consist of five (5) members. At each Annual Session of the Grand Chapter, the Worthy Grand Matron shall appoint one member of each committee for a term of five years; provided that at the 1935 Annual Session, the first committees shall be appointed by the incoming Worthy Grand Matron, with the advice and consent of the incoming Worthy Grand Patron, Associate Grand Matron and Associate Grand Patron. One member shall be appointed for one year, one for two years, one for three years, one for four years and one for five years. For the first four years the member having but one year left to serve shall be the Chairman and after that time the senior member shall be chairman.

In the selection of these three committees one member of each committee shall come from St. Louis, one of each from Kansas City and the other three of each committee from other sections of the State, but not more than one member of each committee shall come from any one district.

All other sections of the Grand Chapter law inconsistent with Section 91a shall be changed or amended to conform thereto.

Amend Grand Chapter By-Laws by adding a new section to be known as Section 121a, Article XVIII, reading as follows:

The Worthy Grand Matron, Worthy Grand Patron, Associate Grand Matron, Grand Secretary and Grand Lecturer, when attending the Triennial Session of the General Grand Chapter shall be entitled to receive six cents (6c) per mile computed by the shortest route between their residence and the meeting place for the General Grand Chapter Session, and five dollars ($5.00) per diem, or in lieu thereof a lump sum of one hundred twenty-five dollars ($125.00) which shall be used toward defraying their expenses, provided that should the mileage and per diem produce a less amount than the lump sum then such payment shall be made on that basis, but under no circumstances shall payment in excess of one hundred twenty-five dollars ($125.00) be made to any individual, and provided further that the Finance Committee shall make an appropriation from the General Funds of the Grand Chapter to cover such expenditure, at the Grand Chapter Session immediately preceding the Triennial Session of the General Grand Chapter.

Amend Section 150, Article XXI: Lost Cipher. By striking out the first two words of the Section and inserting in lieu thereof the words, "Two copies", and further, that the section be amended by striking out the words, "It shall be placed in charge of the Worthy Matron of the chapter and transmitted to her successor in office at the time of the installation of officers'' and inserting in lieu thereof, "One copy of the secret work shall be placed in charge of the Worthy Matron of the chapter and one copy shall be placed in charge of the Worthy Patron of the chapter and shall be transmitted to their successors in office at the time of the installation of officers'', so that the section, when amended, shall read as follows:

Sec. 150. Lost Cipher. Two (2) copies of the secret work of the Order shall be issued to each subordinate chapter, the same to remain the property of the Grand Chapter. One (1) copy of the secret work shall be placed in charge of the Worthy Matron of the chapter and one (1) copy shall be placed in charge of the Worthy Patron of the chapter and shall be transmitted to their successors in office at the time of the installation of officers. When originally issued, the Grand Secretary shall take a receipt for the same, which shall be filed in her office. If any subordinate chapter shall lose a copy of the secret work, a new copy will be supplied by the Grand Secretary, upon the submission of satisfactory evidence of loss, and the payment of a fine of Five Dollars ($5.00).

This section shall not be construed to prevent the use of the cipher or secret work by any officer of the chapter.

Amend Section 164, Article XXI: Special Meetings. By adding the following sentence "Notice to members shall not be required for a special meeting called solely for the purpose of installing the officers; so that the section when amended, shall read:

Sec. 164. Special Meetings. A special meeting of a Chapter shall be held at the usual place of meeting at such time as the Worthy Matron may direct upon notice to resident members; the object of the meeting shall be stated in the notice and at such special meeting no business shall be transacted except that for which the Chapter shall have been convened. Notice to members shall not be required for a special meeting called solely for the purpose of installing officers.

Amend Section 266, Article XXV: Loss of Masonic Standing. By adding the following paragraph:

"Exceptions to this rule to be made where the brother has been suspended by his Masonic Lodge for non-payment of dues and subsequently has been automatically restored to membership by virtue of his paying his dues within one year from the date of his suspension," so that the section when amended shall read as follows:

Sec. 266. Loss of Masonic Standing. A brother who has lost his membership in the Order because of suspension or expulsion by his Masonic Lodge, shall not be restored to membership in the Chapter because of the subsequent restoration to membership in his Lodge; however, it shall give to such suspended or expelled Mason the right to petition the Chapter for restoration.

Exceptions to this rule to be made where the brother has been suspended by his Masonic Lodge for non-payment of dues and subsequently has been automatically restored to membership by virtue of his paying his dues within one year from the date of his suspension.

Amend Section 281, Article XXVI: Examination of Ballot. By inserting the words, "Associate Patron" after the words, "Associate Matron", so that the section, when amended, shall read as follows:

Sec. 281. Examination of Ballot. After the ballot has been taken and examined by the Associate Matron, Associate Patron, Worthy Matron and Worthy Patron, the result shall be declared by the Worthy Matron, unless only one negative vote appears, in which case she shall order the second trial of the ballot, which shall in all cases be final.

Amend Section 282, Article XXVI: Collective Balloting. By striking out the word "balls" wherever this word appears in the section and inserting in lieu thereof, the word, "cubes", so that the section, when amended, shall read as follows:

Sec. 282. Collective Balloting. A chapter may ballot on any number of petitions for degrees and affiliation collectively by obtaining unanimous consent of the members present at the time the ballot is spread. If on the collective ballot one or more black cubes appear, then that ballot shall not be counted. The petitions may then be balloted upon in groups of five or less and if one or more black cubes appear in the ballot on any group, this ballot shall not be counted and the petitions shall then be balloted upon individually.

Is spent in duty to God and man.
Beautiful calm when the course is run,

More homelike seems the vast unknown,
Since they have entered there,
To follow them is not so hard
